VEGETABLE CATTLE POWDER.

PREPARED BY BREINIG, FRONEFIELD & CO. THE FARMERS, HORSEMEN and DAIRYMEN ONE and ALL speak in the highest terms of BREINIG, FRONEFIELD & CO'S CELEBRATED CATTLE POWDER and well they may, for in the last hundred years no discovery has been made equal in all respects to theirs. It is not only of individual interest, but it must in time become a great national benefit, in the aggregate it will add at least one Million of Dollars annually to the produce of the Country in the increase of MILK, BUTTER and FAT from the same amount of food, beside the many, VERY MANY lives of valuable animals which it will save by restoring them to health.

The PROPRIETORS of this powder have investigated this subject for years, during a long residence in the Country. By closely analysing all the different secretions of animals, at ALL TIMES and SEASONS, they are at last amply rewarded by their wonderful discovery.

Since they have prepared their powder and the Farmers all over the Country far and wide are using it and praising it up to the skies; some other persons have got up a powder in the same kind of packages and are palming it off on the public.

They caution therefore all persons against such impositions, and advise them to buy NONE, NOT A POUND without it has the written Signature of BREINIG, FRONEFIELD & Co., on the end of the Pack. The proprietors are able and practical Chemists and are well acquainted with all the laws which control the health and nutrition of animals.

N. B. Do not be imposed upon and allow your Animals to die or linger with disease because you have had the wrong Cattle Powder. The Signature of BREINIG, FRONEFIELD & Co. is on the end of each pack of the genuine Article. For Sale by THO. REED & SON, Hunt. May 27, 1852.
