BALTIMORE LOCK HOSPITAL.

WHERE may be obtained the most speedy remedy for SECRET DISEASES.—Gleets, Strictures, Seminal Weakness, Pain in the Loins, Affections of the Kidneys, and all those Peculiar Affections arising from a Secret Habit, particularly the youth of both sexes, which if not cured, produces Constitutional Debility, rendering Marriage impossible, and in the end destroys both Mind and Body. YOUNG MEN Especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talents and brilliant intellect, who might otherwise have intranced listening Senates with the thunders of eloquence, or waked to ecstasy the living lyre, may call with full confidence. Married persons, or those contemplating marriage, being aware of physical weakness, should immediately consult Dr. J., and be restored to perfect health. DR. JOHNSON, Office No. 7 SOUTH FREDERICK STREET, SEVEN DOORS FROM BALTIMORE STREET, East side UP THE STEPS. BE PARTICULAR in observing the NAME and NUMBER, or you will mistake the place. A CURE WARRANTED, OR NO CHARGE MADE, IN FROM ONE TWO DAYS. Take Notice—Dr. Johnson's Office is in his dwelling, UP THE STEPS. His very extensive practice affords sufficient guarantee that he is the only proper Physician to apply to. DR. JOHNSON, Member of the Royal College of Surgeons, London, graduate from one of the most eminent Colleges of the United States, and the greater part of whose life has been spent in the Hospitals of London, Paris, Philadelphia, and elsewhere, has effected some of the most astonishing cures that were ever effected, many troubled with ringing in the ears and head, when asleep, great nervousness, being alarmed at sudden sounds, and bashfulness, with frequent blushing attended sometimes with derangement of mind, were cured immediately. A CERTAIN DISEASE.—It is a melancholy fact that thousands fall victims to this horrid disease owing to the Unskillfulness of ignorant pretenders, who by the use of that deadly poison mercury, in the name of Constitution, causing the most serious symptoms of this dreadful disease to make their appearance, such as affections of the head, throat, nose, skin, etc., progressing with frightful rapidity till death puts a period to their dreadful suffering, by sending them to that *Downy* whence no traveler returns. TAKE PARTICULAR NOTICE.—Young men who have injured themselves by a certain practice indulged in when alone—a habit frequently learned from evil companions, or at school—the effects of which are nightly felt, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body. What a pity that a young man, the hope of his country, and the darling of his parents should be snatched from all prospects and enjoyments of life by the consequences of deviating from the path of nature, and indulging in a certain secret habit—Such persons before contemplating MARRIAGE, should reflect that a sound mind and body are the most necessary requisites to promote conjugal happiness. Indeed, without these, the journey through life becomes a weary pilgrimage, the prospect hourly darkens to the view; the mind becomes shadowed with despair, and filled with the melancholy reflection, that the offspring of another becomes blighted with our own. CONSTITUTIONAL DEBILITY.—Dr. J. h. presses young men, and all who have injured themselves by private and improper indulgence. IMPUISSANCE.—These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the head, Dimness of Sight, Dropsy of the Neck, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangements of the Digestive Functions, General Debility Symptoms of Consumption, &c. Mentally—The fearful effects on the mind are much to be dreaded; Loss of Memory, Confusion of ideas, Depression of Spirit, Evil Forbodings, Aversion to Society, Self Distrust, Love of Solitude, &c. are some of the evils produced. Thousands of persons of all ages, can now judge what is the cause of their declining health. Losing their vigor, becoming weak, pale and emaciated, I see a singular appearance about the eyes, cough and symptoms of consumption. Married persons, or those contemplating marriage, being aware of physical weakness, should immediately consult Dr. J. and be restored to perfect health. OFFICE NO. 7, SOUTH FREDERICK STREET, Baltimore, Md. ALL SURGICAL OPERATIONS PERFORMED.—N. B. Let no false delicacy prevent you, but apply immediately either personally or by letter. Skin Diseases Speedily Cured. TO STRANGERS.—The many thousands cured at this Institution within the last ten years, and the numerous important Surgical Operations performed by Dr. J., witnessed by the Reports of the papers, and many other persons, notices of which have appeared again and again before the public, is a sufficient guarantee that the afflicted will find a skillful and honorable physician. As there are so many ignorant and worthless quacks advertising themselves as Physicians, ruining the health of the afflicted Dr. Johnson would say to those unacquainted with his reputation that his *Credentials or Diplomas* always hang in his office. WEAKNESS OF THE ORGANS immediately cured, and full vigor restored. ALL LETTERS POST PAID—REMEDIES SENT BY MAIL. Jan. 8, 1852.—ly.

Birmingham Female Seminary.

The liberal patronage which this School has received in the past, encourages the proprietor and friends of female education, to expect the proper exertion to make it both a permanent and important Institution; and no pains will be spared to sustain its growing reputation. Among other considerations which inspire hope as to its future success, the location is not unimportant. Three years actual experiment has developed a more philosophical, if not a truer reason for the existence of Birmingham than many which have been assigned—that it is the situation for a Female Seminary, surrounded as it is by most romantic scenery—retired—healthful—easy of access and in itself a place where one might almost grow wise in the study of Nature alone untroubled by the works of Art. The school year is divided into two Sessions of twenty-two weeks each; the summer term commencing the last Tuesday in April, the winter term the last Tuesday in October. Charges to date from time of entering, and no deductions made for absence except in case of sickness. Tuition \$4.00 and \$5.00 per quarter—boarding \$1.50 per week. Music, Latin, French, Drawing, &c., extra. Rev. J. B. WARD, A. M., Principal. Rev. THOMAS WARD, A. M., Associate. Jan. 15, 1852.

NOTICE.

Having concluded to leave Huntingdon, I have placed in the hands of Col. S. S. Wharton all my professional papers, in whose ability and integrity I have full confidence, and have also transferred and assigned to him all my notes, and accounts, for his own use. A. K. CORNYN, Huntingdon, Feb. 26, 1852.

LIVER COMPLAINT,

JAUNDICE, DYSPEPSIA, CHRONIC OR NERVOUS DEBILITY, DISEASES OF THE KIDNEYS, AND ALL diseases arising from a disordered Liver or Stomach, such as Constipation, Inward Piles, Fullness or Blood to the Head, Acidity of the Stomach, Nausea, Heart-burn, Disgust for Food, Fullness or weight in the Stomach, Sour Eructations, Sinking or Fluttering at the pit of the Stomach, Swimming of the Head, Hurried and difficult breathing, Fluttering at the Heart, Choking or Suffocating sensations when in a lying posture, Dimness of Vision, Dots or webs on the white of the Eyes, Pain in the Side, Back, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil and Great depression of Spirits, can be effectually cured by DR. HOOFLAND'S CELEBRATED GERMAN BITTERS, Prepared by DR. C. M. JACKSON, AT THE GERMAN MEDICINE STORE, 120 Arch Street, Philadelphia. Their power over the above diseases is not excelled—if equalled—by any other preparation in the United States, as the cures attest, in many cases after skillful physicians had failed. These Bitters are worthy the attention of invalids. They possess the most powerful and safe rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are without taste, certain and pleasant. READ AND BE CONVINCED. From the "Boston Bee." The editor said, Dec. 22nd Dr. Hoofland's Celebrated German Bitters for the cure of Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at our elbow says he had himself received an effectual and permanent cure of Liver Complaint from the use of this remedy. We are convinced that, in the use of these Bitters, the patient constantly gains strength and vigor—a fact worthy of great consideration. They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from experience, and to the afflicted we advise their use. "SCOTT'S WEEKLY," one of the best Literary papers published, said Aug. 25— "DR. HOOFLAND'S GERMAN BITTERS, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty as an article of much efficacy in cases of female weakness. As such is the case, we would advise all mothers to obtain a bottle, and to give themselves much sickness. Persons of debilitated constitutions will find these Bitters advantageous to their health, as we know from experience the salutary effect they have upon weak systems." MORE EVIDENCE. The Hon. C. D. HINELINE, Mayor of the city of Camden, N. J., says: "HOOFLAND'S GERMAN BITTERS.—We have seen many flattering notices of this medicine, and the source from which they came induced us to make inquiry respecting its merits. From inquiry we were persuaded to use it, and must say we found it specific in its action upon diseases of the liver and digestive organs, and the powerful influence it exerts upon nervous prostration is really surprising. It calms and strengthens the nerves bringing them into a state of repose, making sleep refreshing. If this medicine was more generally used, we are satisfied there would be less sickness, as from the stomach, liver, and nervous system the great majority of real and imaginary diseases emanate. Have them in a healthy condition, and you can bid defiance to epidemics generally. This extraordinary medicine we would advise our friends who are indisposed, to give a trial—it will recover itself. It should in fact, be in every family. No other medicine can produce such evidences of merit." Evidence upon evidence has been received (like the foregoing) from all sections of the Union, and also three years, and the strongest testimony in its favor, is, that there is more of it used in the practice of the regular Physicians of Philadelphia, than all other nostrums combined, a fact that can easily be established, and in proving that a scientific preparation will meet with their quiet approval when presented even in this form. That this medicine will cure Liver Complaint and Dyspepsia, no one can doubt after using it as directed. It acts specifically upon the stomach and liver; it is preferable to calomel in all bilious diseases—the effect is immediate. They can be administered to female or infant with safety and reliable benefit at any time. They have the written signature of C. M. JACKSON upon the wrapper, and his name blown in the bottle, without which they are spurious. For sale Wholesale and Retail at the GERMAN MEDICINE STORE, No. 120 Arch street, one door below Sixth, Philadelphia; and by respectable dealers generally through the country. PRICES REDUCED. To enable all classes of invalids to enjoy the advantages of their great restorative powers: Single Bottle 75 cents. Also for sale by Thomas Reed & Son, Huntingdon, Pa.; John Lutz, Shippensburg, Pa.; Thomas E. Orison, Orbisonia, Pa.; J. & J. Kelly, Burnt Cabins, Pa. [July 22-'52-ly.

Another Scientific Wonder!

DR. J. S. HOUGHTON'S

PEPSIN

DIGESTIVE FLUID, OR, GASTRIC JUICE.

Prepared from Rennet, or the fourth stomach of the ox, after directions of Baron Liebig, the great Physiologist, Chemist, by J. S. Houghton, M. D. Philadelphia, Pa. This is a truly wonderful remedy for Indigestion, Dyspepsia, Jaundice, Liver Complaint, Constipation, and Debility, Curing after Nature's own method, by Nature's own Agent, the Gastric Juice. Half a teaspoonful of Pepsin, infused in water, will digest or dissolve, Five Pounds of Roast Beef in about two hours, out of the stomach. PEPsin is the chief element, or Great Digesting Principle of the Gastric Juice—the Solvent of the Food, the Purifying, Preserving, and Stimulating Agent of the Stomach and Intestines. It is extracted from the Digestive Stomach of the Ox, thus forming an Artificial Digestive Fluid, precisely like the natural Gastric Juice in its Chemical powers, and furnishing a Complete and Perfect Substitute for it. By the aid of this preparation, the pains and evils of Indigestion and Dyspepsia are removed, just as they would be by a healthy Stomach. It is doing wonders for Dyspepsia, curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption, supposed to be on the verge of the grave. The Scientific Evidence upon which it is based, is in the highest degree Curious and Remarkable. SCIENTIFIC EVIDENCE! BARON LIEBIG in his celebrated work on Animal Chemistry, says: "An Artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared using the meat and eggs, will be softened, changed, and digested, just in the same manner as they would be in the human stomach." DR. COMBE, in his valuable writings on the "Physiology of Digestion," observes that "a diminution of the due quantity of the Gastric Juice is a prominent and all-prevailing cause of Dyspepsia;" and he states that "a distinguished physician of London, who was severely afflicted with this complaint, finding everything else to fail, had recourse to the Gastric Juice, obtained from the stomachs of living animals, which proved completely successful." DR. GRAHAM, author of the famous works on "Vegetable Diet," says: "It is a remarkable fact in physiology, that the stomachs of animals, macerated in water, impart to the fluid the property of dissolving various articles of food, and of effecting a kind of artificial digestion of them in a way different from the natural digestive process." DR. HOUGHTON'S PEPSIN has produced the most marvelous effects, in curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption. It is impossible to give the details of cases in the limits of this advertisement; but authenticated certificates have been given of more than Two Hundred Remarkable Cures, in Philadelphia, New York and Boston alone. These cures nearly all desperate cases, and the cures were not only rapid and wonderful, but permanent. It is a great Nervous Antidote, and particularly useful for tendency to Bilious disorder, Liver Complaint, Fever and Ague, or badly treated Fever and the evil effects of Quinine, Mercury, and other drugs upon the Digestive Organ, after a long sickness. Also, for excess in eating, and the excessive use of ardent spirits. It almost reconciles Health with Intemperance. OLD STOMACH COMPLAINTS, There is no form of Old Stomach Complaints which it does not seem to reach and remove as once. No matter how bad they may be, it gives Instant Relief! A single dose removes all the unpleasant symptoms and it only needs to be repeated for a short time to make these good effects permanent. Purify of Blood and Vertigo, Body follow at once. It is particularly excellent in cases of Nausea, Vomiting, Cramps, Soreness of the Stomach, distress after eating, low cold state of the Blood, Heaviness, Lowness of Spirits, Despondency to Insanity, Suicide, &c.
