

Supposed to be a Stolen Horse. Whereas, as I have advertised once before in this paper that a man calling himself by the name of Heart came to my house, in Jackson township, Huntingdon county, on the 7th day of August last riding a dark bay horse about five years old, left hind foot white, with a small white spot on his forehead, with an old wagon saddle and blind bridle on the said horse; the man calling himself Hart left said described horse at my house and has not called on him since, and as I had left said horse at the house of Samuel Steffy, Inn-keeper, in said township, for the owner to come and get but as there has been no person coming to claim said horse, and for certain reasons I have taken said horse from the said Samuel Steffy and have him at my house, as aforesaid, where the owner can have him by proving property and paying charges, and if no owner comes he will be sold or dealt with according to law.

BALTIMORE LOCK HOSPITAL.

WHERE may be obtained the most speedy remedy for

SECRET DISEASES.—Gleets, Strictures, Seminal Weakness, Pain in the Loins, Affections of the Bladders, and all those Peculiar Affections arising from a SECRET HABIT, particularly the youth of both sexes, which if not cured, produces Constitutional Debility, rendering Marriage impossible, and in the end destroys both Mind and Body.

YOUNG MEN Especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence, or waked to ecstasy the living lyre, may call with full confidence.

Married persons, or those contemplating marriage, being aware of physical weakness, should immediately consult Dr. J., and be restored to perfect health.

DR. JOHNSTON, Office No. 7 SOUTH FREDERICK STREET, SEVEN DOORS FROM BALTIMORE STREET, East side UP THE STEPS. BE PARTICULAR in observing the NAME and NUMBER, or you will mistake the place.

A CURE WARRANTED, OR NO CHARGE MADE, IN FROM ONE TWO DAYS.

Take Notice.—Dr. Johnston's Office is in his dwelling, on the stairs. His very extensive practice is a sufficient guarantee that he is the only proper Physician to apply to.

DR. JOHNSTON, Member of the Royal College of Surgeons, London, graduate from one of the most eminent Colleges of the United States, and the greater part of whose life has been spent in the Hospitals of London, Paris, Philadelphia, and elsewhere, has effected some of the most astonishing cures that were ever known, many troubled with ringing in the ears and head when asleep, great nervousness, being alarmed at sudden sounds, and bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

THE GREAT DRAIN DRAINER.—It is a melancholy fact that thousands fall victims to this horrible disease owing to the Unskillfulness of ignorant pretenders, who by the use of that deadly poison Mercury, ruin the Constitution, causing the most serious symptoms of this dreadful disease to make their appearance, such as affections of the head, throat, nose, skin, &c., progressing with frightful rapidity till death puts a period to their dreadful suffering, by sending them to that *Domus where no traveler returns.*

TAKE PARTICULAR NOTICE.—Young men who have injured themselves by a certain practice indulged in when alone—a habit frequently learned from evil companions, or at school—the effects of which are nightly felt, even when asleep, and if not cured, will render marriage impossible, and destroys both mind and body.

What a pity that a young man, the hope of his country, and the darling of his parents should be snatched from all prospects and enjoyments of life by the consequences of deviating from the path of nature and indulging in a certain secret habit—Such persons before contemplating.

MARRIAGE, should reflect that a sound mind and body are the most necessary requisites to promote conjugal happiness. Indeed, without these, the journey through life becomes a weary pilgrimage, the prospect hourly darkens to the view; the mind becomes shadowed with despair, and filled with the melancholy reflection, that the coquetry of another becomes blighted with our own.

CONSTITUTIONAL DEBILITY.—Dr. J. has treated young men, and all who have injured themselves by private and improper indulgence.

IMPUSSANCE.—These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Detachments of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

Mind.—The fearful effects on the mind are much to be dreaded: Loss of Memory, Confusion of ideas, Depression of Spirit, Evil Forbodings, Aversion to Society, Self Distrust, Love of Solitude, &c. are some of the evils produced.

Thousands of persons of all ages, can now judge who is the regular and declining health. Losing their vigor, becoming weak, and emaciated, I, ve a singular appearance about the eyes, cough and symptoms of consumption.

Married persons, or those contemplating marriage, being aware of physical weakness, should immediately consult Dr. J. and be restored to perfect health.

DR. J. O. 7, SOUTH FREDERICK STREET, Baltimore, Md.

ALL SURGICAL OPERATIONS PERFORMED.—N. B. Let no false delicacy prevent you, but apply immediately either personally or by letter.

Skin Diseases Speedily Cured.

TO STRANGERS.—The many thousands cured at this Institution within the last ten years, and the numerous important Surgical Operations performed by Dr. J., witness the Reports in the papers, and many other persons, notices of which have appeared again and again before the public, is a sufficient guarantee that the afflicted will find a skillful and honorable physician.

As there are so many ignorant and worthless quacks advertising themselves as Physicians, ruining the health of the afflicted, Dr. Johnston would say to those unacquainted with his reputation, that his Credentials or Diplomas always hang in his office.

WEAKNESS OF THE ORGANS immediately cured, and full vigor restored.

ALL LETTERS POST PAID—REMEDIES SENT BY MAIL.

Birmingham Female Seminary,

The liberal patronage which this School has received in the past, encourages the proprietor and friends of female education, to expect by proper exertion to make it both a permanent and important Institution; and no pains will be spared to sustain its growing reputation.

Among other considerations which inspire hope as to its future success, the location is not unimportant. Three years actual experiment has developed a more philosophical, if not a truer reason for the existence of Birmingham than many which have been assigned—that it is the situation for a Female Seminary, surrounded as it is by most romantic scenery—retired—healthful—easy of access and in itself a place where one might almost gain wisdom in the study of Nature alone untroubled by the cares of Art.

The school year is divided into two Sessions of twenty-two weeks each; the summer term commencing the last Tuesday in April, the winter term the last Tuesday in October.

Charges to date from time of entering, and no deductions made for absence except in case of sickness.

Tuition \$4.00 and \$5.00 per quarter—boarding \$1.50 per week. Music, Latin, French, Drawing, &c., extra.

JAUNDICE, DYSPEPSIA, CHRONIC OR NERVOUS DEBILITY, DISEASES OF THE KIDNEYS.

AND ALL diseases arising from a disordered Liver or Stomach, such as Constipation, Inward Piles, Fullness or Blood to the Head, Acidity of the Stomach, Nausea, Heart-burn, Disgust for Food, Fullness or weight in the Stomach, Sour Eructations, Shaking or Fluttering at the pit of the Stomach, Swimming of the Head, Hurried and difficult Breathing, Fluttering at the Heart, Flooding or Sweating sensations when in a lying posture, Dimness of Vision, Drops or webs before the Sight, Fever and dull pain in the Head, Deficiency of perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil and Great Depression of Spirits, can be effectually cured by

DR. HOOFLAND'S CELEBRATED GERMAN BITTERS.

Prepared by DR. C. M. JACKSON, AT THE GERMAN MEDICINE STORE, 120 Arch Street, Philadelphia.

Their power over the above diseases is not exceeded by any other preparation in the United States as the cure effected, in many cases after skillful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are withal, safe, certain and pleasant.

READ AND BE CONVINCED.

From the "Boston Bee."

The editor said, Dec. 22nd:

Dr. Hooplund's Celebrated German Bitters for the cure of Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend of our elbow says he himself received an effectual and permanent cure of Liver Complaint from the use of this remedy. We are convinced that, in the use of these Bitters, the patient constantly gains strength and vigor—a fact worthy of great consideration. They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from experience, and to the afflicted we advise their use.

"SCOTT'S WEEKLY," one of the best Literary papers published, said Aug. 25—

"DR. HOOFLAND'S GERMAN BITTERS, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty as an article of much efficacy in cases of female weakness. As such is the case, we would ourselves much sickness. Persons of delicate constitutions will find these Bitters advantageous to their health, as we know from experience their salutary effect they have upon weak systems."

MORE EVIDENCE.

The Hon. C. D. HINELINE, Mayor of the city of Camden, N. J., says:

"I have long used Dr. Hooplund's German Bitters. I have seen many flattering notices of this medicine, and the source from which they came induced us to make inquiry respecting its merits. From inquiry we were persuaded to use it, and must say we found it specific in its action upon diseases of the liver and digestive organs, and the powerful influence it exerts upon nervous prostration is really surprising. It calms and strengthens the nerves, bringing them into a state of repose, making sleep refreshing."

"If this medicine was more generally used, we are satisfied there would be less sickness, as from the stomach, liver, and nervous system the great majority of real and imaginary diseases emanate. Have them in a healthy condition, and you can bid defiance to epidemics generally. This extraordinary medicine we would advise our friends who are ill, not to depend, by any means, on it will recommend itself. It should, in fact, be in every family. No other medicine can produce such evidences of merit."

Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the also thro' years, and the strongest testimony in its favor, is, that there is more of it used in the practice of the regular Physicians of Philadelphia, than all other nostrums combined, a fact that can easily be established, and fully proving that a scientific preparation will meet with their quiet approval when presented even in this form.

That this medicine will cure Liver Complaint and Dyspepsia, no one can doubt after using it as directed. It acts specifically upon the stomach and liver; it is preferable to calomel in all bilious diseases the effect is immediate, a fact that can easily be administered to female or infant with safety and reliable benefit at any time.

Look well to the marks of the genuine.

They have the written signature of C. M. JACKSON upon the wrapper, and his name blown in the bottle, without which they are spurious.
