I was one of the many of our citizens who were attracted by the "Grand Exhibition" of our neighbor Charles S. Black, Esq., and I of course attended the opening exhibition. I am also one of the few who understand the value of a good newspaper: Being therefore "looked up" in the facts, and the price of the press, and anxious to impart substantial knowledge to the neighbors of my neighbor, I have taken this method to say to all,—If you would have your Sales well cared for, call at Black's, and examine his stock of Ladies, and Gentlemen's, shoes and boots, he warrants the work not rip; and stitches without charge if it does. Neighbors try him.

DR. HOOGLAND'S
CELEBRATED GERMAN BITTERS,
Prepared by
DR. C. M. JACKSON,
AT THE GERMAN MEDICINE STORE,
120 Arch Street, Philadelphia.
Their power over the above diseases is not exceeded—[if equalled]—by any other preparation in the United States, as the cures attest, in many cases after skillful physicians had failed.
These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are without safe, certain and pleasant.
READ AND BE CONVINCED.
From the "Boston Bee."
The editor said, Dec. 22nd
"Dr. Hoogland's Celebrated German Bitters for the cure of Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend of our elbow says he had himself received an effectual and permanent cure of Liver Complaint from the use of this remedy. We are convinced that, in the use of these Bitters, the patient constantly gains strength and vigor—a fact worthy of great consideration. They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from experience, and to the afflicted we advise their use."
"SCOTT'S WEEKLY," one of the best Literary papers published, said Aug. 25—
"Dr. Hoogland's GERMAN BITTERS, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty as an article of much efficacy in cases of female weakness. As such is the case, we would advise all mothers to obtain a bottle, and thus save themselves much sickness. Persons of debilitated constitutions will find these Bitters advantageous to their health, as we know from experience, the salutary effect they have upon weak systems."
MORE EVIDENCE.
The Hon. C. D. HINCLEY, Mayor of the city of Camden, N. J., says:—
"I have seen many flattering notices of this medicine, and the source from which they came induced us to make inquiry respecting its merits. From inquiry we were persuaded to use it, and must say we found it specific in its action upon diseases of the liver and digestive organs, and the powerful influence it exerts upon nervous prostration is really surprising. It calms and strengthens the nerves, bringing them into a state of repose, making sleep refreshing."
"If this medicine was more generally used, we are satisfied there would be less sickness, as from the stomach, liver, and nervous system, the great majority of real and imaginary diseases emanate. Have them in a healthy condition, and you can bid defiance to epidemics generally. This extraordinary medicine we would advise our friends who are at all indisposed, to give a trial—it will recommend itself. It should, in fact, be in every family. No other medicine can produce such evidences of merit."
Evidence upon evidence has been received (like the foregoing) from all sections of the Union, and also three years, and the strongest testimony in its favor, is, that there is more of it used in the practice of the regular Physicians of Philadelphia, than all other nostrums combined, and that it can easily be established, and fully proving that a scientific preparation will meet with their quiet approval when presented even in this form.
That this Medicine will cure Liver Complaint and Dyspepsia, no one can doubt after using it as directed. It acts specifically upon the stomach and liver; it is preferable to calomel in all bilious diseases—the effect is immediate. They can be administered to female or infant with safety and reliable benefit at any time.
Look well to the marks of the genuine
I have the written signature of C. M. JACKSON on the wrapper, and his name blown in the bottle, without which they are spurious.

Birmingham Female Seminary.
The liberal patronage which this School has received in the past, encourages the proprietor and friends of female education, to expect proper exertion to make it both a permanent and important Institution; and no pains will be spared to sustain its growing reputation.
Among other considerations which inspire hope as to its future success, the location is not unimportant. Three years' actual experiment has developed a more philosophical, if not a truer reason for the existence of Birmingham than many which have been assigned—that it is the situation for a Female Seminary, surrounded as it is by a romantic scenery—retired—healthy—easy of access and in itself a place where one might almost grow wise in the study of Nature alone un-mocked by the works of Art.
The school year is divided into two Sessions of twenty-two weeks each; the summer term commencing the last Tuesday in April, the winter term the last Tuesday in October.
Charges to date from time of entering, and no deductions made for absence except in case of sickness.
Tuition \$4.00 and \$5.00 per quarter—boarding \$1.50 per week. Music, Latin, French, Drawing, &c., extra.

Encourage Your Own Mechanics!
OWEN & WM. BOAT, would respectfully announce to the public, that they are now carrying on the COACH MAKING BUSINESS in all its various branches, at the old stand formerly occupied by Adams & Boat, a few doors west of the Presbyterian church, where they are now manufacturing Buggies, Carriages, Barouches, Rockaways, Dearborns, &c., in short any thing in the line of carriage making, of the very best kind of material, and in the latest and most approved style.
They have on hand now several Buggies and Rockaways, finished in the latest style. They have a good assortment of Lumber, selected with a great deal of care, seasoned for use, and invite those who are desirous of purchasing vehicles to call and examine their work and materials, and judge for themselves, as they intend to make good work and warrant it to be so. All kinds of country produce taken in exchange for work.
N. B.—OWEN BOAT returns his thanks to his friends and the public generally, for their very liberal patronage, and hopes, by strict attention to business, to merit a continuance of the same, under the new firm. We have some second hand work of a good quality, which we will sell right. Give us a call. We will sell low for cash.
