SHIRLEYSBURG FEMALE SEMINARY AND JUNIATA ACADEMY.

THE Summer Session of these Institutions commences on WEDNESDAY the 4th day of MAY, and continues five months. A fund of \$1500 has been procured, to be applied to the purchase of a superior philosophical apparatus and a standard library. With these facilities for instruction, the Principals and Trustees of these Institutions offer to all, and especially to those seeking to qualify themselves for teaching, advantages equal to those enjoyed by the academical student in our colleges.
These Institutions are in the same village, though entirely separate, and some distance apart, thus affording to parents the opportunity of sending their sons and daughters together. Believing that the same principles sought to be carried out in our common school system, should, and will eventually, extend to the highest branches of a liberal education, the Principals and Trustees view what they have done only as the nucleus of further and more extended efforts, which, as they proceed, will enable them to afford to all classes, a liberal course of education, at an expense more commensurate with the limited means of a large number of the youth of our State, who are engaged in the praise-worthy endeavor to obtain an education. And with this expectation, they commend their Institutions to the patronage and kind assistance of all friends of a sound, liberal and general education.

The Late Fire in Jersey City.
Mr. Silas C. Herring—Sir: It gives us much pleasure to state that a safe of your make was the means of preserving our books and valuable papers, together with a lot of Silver Spoons, Forks, &c., from destruction by the fire that occurred in our store on the night of the 27th ult., at No. 46 Montgomery st. The fire commenced near the safe, which, owing to its situation on a wall, did not fall into the cellar, but was exposed to the full heat of the fire from its commencement, and when taken from the ruins had all the brass plates and knobs completely melted off.
Yours,
R. B. FARLE & CO.

Great Fire in Strawberry st.—Letter from Lewis & Co.—Phila., March 29, 1852.

Mr. John Furell—Sir: It affords me much satisfaction to inform you that the "Herring Salamander Safe" which we purchased of you a short time since, preserved our books and papers in good condition, during the severe ordeal through which it passed at the disastrous conflagration that took place at our warehouse on the morning of the 28th inst, when the safe was exposed to the most intense heat for some hours on several sides. We make this statement by way of bearing testimony to the worth of these valuable Fire Proofs. Very respectfully,
LEWIS & CO.
