

SHIRLEYSBURG FEMALE SEMINARY AND JUNIATA ACADEMY:

THE Summer Session of these Institutions commences on WEDNESDAY THE 4TH DAY OF MAY, and continues five months. A fund of \$1500 has been procured, to be applied to the purchase of a superior philosophical apparatus and a standard library. With these facilities for instruction, the Principals and Trustees of these Institutions offer to all, and especially to those seeking to qualify themselves for teaching, advantages equal to those enjoyed by the academical student in our colleges.

These Institutions are in the same village, though entirely separate, and some distance apart, thus affording to parents the opportunity of sending their sons and daughters together. Believing that the same principles sought to be carried out in our common school system, should, and will eventually, extend to the highest branches of a liberal education, the Principals and Trustees view what they have done only as the nucleus of further and more extended efforts, which, as they proceed, will enable them to afford to all classes, a liberal course of education, at an expense more commensurate with the limited means of a large number of the youth of our State, who are engaged in the pious-worthy endeavor to obtain an education. And with this expectation, they commend their Institutions to the patronage and kind assistance of all friends of a sound, liberal and general education.

WORLD'S FAIR PREMIUM SAFES.

More Proof of their Superiority.

The Late Fire in Jersey City.

Mr. Silas C. Herring—Sir: It gives us much pleasure to state that a safe of your make was the means of preserving our books, papers, and documents, together with a lot of Silver Spoons, Forks, &c., from destruction by the fire that occurred in our store on the night of the 27th ult., at No. 46 Montgomery st. The fire commenced near the safe, which, owing to its situation on a wall, did not fall into the cellar, but was exposed to the full heat of the fire from its commencement, and when taken from the ruins had all the brass plates and knobs completely melted off.

Yours, **R. B. EARLE & CO.**
Jersey City, Feb. 3, 1853.

Great Fire in Strawberry St.—Letter from Lewis & Co.—Philadelphia, March 29, 1852.

Mr. John Farrel—Sir: It affords me much satisfaction to inform you that the "Herring Salamander Safe" which we purchased of you a short time since, preserved our books and papers in good condition, during the severe ordeal through which it passed at the disastrous conflagration that took place at our warehouse on the morning of the 28th inst., when the safe was exposed to the most intense heat for some hours, and when dragged from the flames was red hot on several sides. We make this statement by way of bearing testimony to the worth of these valuable Fire Proofs. Very respectfully,
The Proprietor of the genuine "Herring Salamander Safe," challenges the whole world, in the sum of One Thousand Dollars, to produce their equal. Awarded the Prize Medal at the World's Fair, London, and the GOLD MEDAL by the American Institute. Over 8000 of these safes have been sold and are now in use, and more than 100 have passed triumphantly through accidental fires.

Second-hand Safes and "Salamanders" of other makers, having been taken in part pay for "Herring's," for sale at cheap rates.

JOHN FARREL,
34 Walnut St., Philadelphia.

Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginations of Evil and Great depression of Spirits, can be effectually cured by
DR. HOOFLAND'S
CÉLEBRATED GERMAN BITTERS,
Prepared

By **DR. C. M. JACKSON,**
AT THE GERMAN MEDICINE STORE,
120 Arch Street, Philadelphia.

Their power over the above diseases is not exceeded—if equalled—by any other preparation in the United States, as the cures attest, in many cases. These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are vital, safe, certain and pleasant.

READ AND BE CONVINCED.
From the Boston Bee.

The Hon. C. D. HINGELINE, Mayor of the City of Camden, N. J., says:

"Dr. HOOFLAND'S GERMAN BITTERS, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty as an article of much efficacy in cases of female weakness. As such is the case, we would advise all mothers to obtain a bottle, and thus save themselves much sickness. Persons of debilitated constitutions will find these Bitters advantageous to their health. We know from experience the salutary effect they have upon our systems."
MORE EVIDENCE.

The Hon. C. D. HINGELINE, Mayor of the City of Camden, N. J., says:

"HOOFLAND'S GERMAN BITTERS.—We have seen many flattering notices of this medicine, and the source from which they came induced us to make inquiry respecting its merits. From inquiry we were persuaded to use it, and must say we found it very efficacious in action upon diseases of the liver and digestive organs, and the powerful influence it exerts upon nervous prostration is really surprising. It calms and strengthens the nerves bringing them into a state of repose, making sleep refreshing."
"If this medicine was more generally used, we are satisfied there would be less sickness, as from the stomach, liver, and nervous system the great majority of real and imaginary diseases emanate. Have them in a healthy condition, and you can bid defiance to epidemics generally. This extraordinary medicine we would advise our friends who are at all indisposed, to give a trial—it will recommend itself. It should, in fact, be in every family. No other medicine can produce such evidences of merit."

Evidence upon evidence has been received (like the foregoing) from all quarters of the Union, the also three years, and the strongest testimony in favor, is that there is more of it used in the practice of the regular Physicians of Philadelphia, than all other nostrums combined, a fact that can easily be established, and fully proving that a scientific preparation will meet with their quiet approval when presented before them in a variety of other forms.

That this medicine will cure Liver Complaint and Dyspepsia, no one can doubt after using it as directed. It acts specifically upon the stomach and liver; it is preferable to calomel in all bilious diseases—the effect is immediate. They can be administered to female or infant with safety and reliable benefit at any time.

Look well to the marks of the genuine. They have the written signature of C. M. JACKSON upon the wrapper, and his name blown in the bottle, without which they are spurious.
