LIVER COMPLAINT, JAUNDICE, DYSPEPSIA, CHRONIC OR NERVOUS DEBILITY, DISEASES OF THE KIDNEYS, AND ALL diseases arising from a disordered Liver or Stomach, such as Constipation, Inward Flux, Fullness or Blood to the Head, Acidity of the Stomach, Nausea, Heart-burn, Disent for Food, Fullness or Distention of the Stomach, Sour Eructations, Sinking or Fluttering at the pit of the Stomach, Swimming of the Head, Harried and difficult breathing, Fluttering at the Heart, Choking or Suffocating sensations when in a lying posture, Dimness of Vision, and other kindred symptoms, are cured by the use of these Bitters. The Bitters are sold at the following prices: Single Bottle 75 cents. Six Bottles 4 Dollars. From the "Boston Bee."

DR. HOOFLAND'S CELEBRATED GERMAN BITTERS, Prepared by DR. C. M. JACKSON, 120 Arch Street, Philadelphia. Their power over the liver is not excelled—if equalled—by any other preparation in the United States, as the cures attest, in many cases after skillful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing a powerful and safe purgative effect, they cleanse the system, and restore the most searching powers in weakness and affections of the digestive organs, they are, in fact, a certain and pleasant.

RECAL AND CONVINCED. From the "Boston Bee." The doctor said, Dec. 22nd Dr. Hoofland's Celebrated German Bitters for the cure of Liver Complaint, Jaundice, Dyspepsia, Chronic Inflammation of the Liver, &c. &c. are the most popular medicines of the day. These Bitters have been used by thousands, and a friend of our elbow says he had himself received an effectual and permanent cure of Liver Complaint from the use of this remedy. They are, in fact, the most powerful medicine in the world, and are used in the use of these Bitters, the patient constantly gains strength and vigor—a fact worthy of great consideration. They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs, under any circumstances. We are speaking from experience, and to the afflicted we advise their use.

"SCOTT'S WEEKLY," one of the best Literary papers published, said Aug. 25, "Dr. Hoofland's Celebrated German Bitters, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty as an article of much efficacy in cases of female weakness. As such, the case, we would advise all mothers to obtain a supply, and thus save themselves much sickness. Persons of delicate constitutions will find these Bitters advantageous to their health, as we know from experience the salutary effect they have upon weak systems."

MORE EVIDENCE. The Hon. C. D. HINSLING, Mayor of the city of Camden, N. J., says: "HOOFLAND'S GERMAN BITTERS.—We have seen many flattering notices of this medicine, and as a source from which to draw, we are induced to make inquiry respecting its merits. I was particularly interested in its action upon diseases of the liver and digestive organs, and the powerful influence it exerts upon the stomach and bowels, is surprising. It calms and strengthens the nerves, bringing them into a state of repose, making sleep refreshing."

"If this medicine was more generally used, we are satisfied there would be less sickness, as from the stomach, liver, and bowels, the source of the majority of real and imaginary diseases emanate. Have them in a healthy condition, and you can bid defiance to epidemics generally. This extraordinary medicine would advise our friends to have them in their houses, to give a trial, and to recommend itself. It should, in fact, be in every family. No other medicine can produce such evidences of merit.

Evidence upon evidence has been received (like the foregoing) from all sections of the Union, and also three years, and the strongest testimony in its favor, is that there is more of it used in the practice of the regular Physicians of Philadelphia, than all other nostrums combined, a fact that can easily be ascertained, and fully proved, by a scientific preparation will meet with their quiet approval when presented even in this form.

That this medicine will cure Liver Complaint, dyspepsia, no one can doubt after using it as directed. It acts especially upon the stomach and liver; it is preferable to colic in all bilious diseases—the effect is immediate. They can be administered to female or infant with safety and reliable benefit at any time.

GERMAN MEDICINE STORE. They have the written signature of C. M. JACKSON upon the wrapper, and his name blown in the bottle, without which they are spurious. For sale Wholesale and Retail at the GERM. SHIRLEYSBURG FEMALE SEMINARY AND JUNIATA ACADEMY. THE Summer Session of these Institutions commences on WEDNESDAY the 4TH DAY OF MAY, and continues five months. The Seminary is now in progress, to be applied to the purchase of a superior philosophical apparatus and a standard library. With these facilities for instruction, the Principals and Trustees of these Institutions offer to receive into their schools such young ladies as desire to qualify themselves for teaching, advantages equal to those enjoyed by the academical study in our colleges.

These Institutions are in the same village, forming one of the most desirable places for the education of young ladies, thus affording to parents the opportunity of sending their sons and daughters together. Believing that the same principles sought to be carried out in our common school system, should, and will be carried out in the Seminary, and kindred liberal education, the Principals and Trustees view what they have done only as the nucleus of further and more extended efforts, which, as they proceed, will enable them to afford to all classes, a liberal course of education, at an expense more commensurate with the limited means of a large number of the youth of our State, who are engaged in the praise-worthy endeavor to obtain an education. And with this expectation, they commend the Seminary to the patronage and kind assistance of all friends of a sound, liberal and general education.
