\$500 CHALLENGE! Hobensack's Worm Syrup. An article founded upon Scientific Principles, compounded with purely vegetable substances, being perfectly safe when taken, and has never been known to fail in curing the most obstinate case. Worms can never exist when this remedy is once used, from the fact that it only destroys them but removes all the slime and mucus which may remain.

The Tape Worm. This worm is the most difficult one to destroy of all that inhabit the human system. It grows to an almost indefinite length, and becoming so entangled and fastened in the intestines and stomach as to produce Fits, St. Vitus' Dance, &c., which is the cause of many going to the grave, not believing that these complaints can be cured, or that from the Tape Worm; consequently they do not use the proper medicines for their disease. To those who are afflicted with this awful foe to health, I recommend the use of my Worm Syrup, and Liver Pills, which will be taken in doses of two table-spoonfuls three times a day, then take from 5 to 8 of my Liver Pills, to dislodge and pass the worm. By strictly following these directions, the most obstinate cases of Tape Worm can be speedily cured.

Round or Stomach Worm. This worm is usually found in the small intestines, and is the worm most common to children, yet is not entirely confined to them, as adults have frequently been known to suffer with them. The symptoms of this worm are, a swelling of the face, hardness and fullness of the belly, slimy stools, looseness of the bowels, picking at the nose, a bluish streak under the eyes, &c. If you, or any of your children have any of the above symptoms, Hobensack's Worm Syrup can safely be depended upon—by using it you have a certain, safe, and speedy cure; and if after using it according to the directions, the patient is not restored to health, and the worms thoroughly eradicated from the system, you can rest assured there is no remedy beyond the grave, as for fall, there is no such worm as falls from those who use my worm Syrup.

Ascariæ, or Small Thread Worm. These worms, to which the human system is liable, are the most troublesome of all others. They are generally found in the small intestine, and if allowed to remain, from the irritation they produce, lay the foundation for serious disorders, such as inflammation of the bowels, and other derangements of the stomach. The best and safest medicine that can be used for the cure of this worm is Hobensack's Worm Syrup. Such is the astonishing power of my medicines over Ascariæ, that I defy any one to produce a case where my worm Syrup and Liver Pills are recommended to be used, which will not be cured. All that is necessary is to use the Syrup in accordance with directions on each bottle; and in case a gentle purgative is required in order to allay the irritation they produce, the Liver Pills by their sympathetic action, will exert a powerful operation upon the bowels, is the most pleasant medicine that can be taken.

Hobensack's Liver Pills. No part of the system is more liable to disease than the Liver, it being supplied with numerous blood-vessels and nerves, and if diseased, the result of course flows from it, and the whole body produces Liver Complaints, Jaundice, Bilious Affections; Dyspepsia, &c., &c.

Liver Complaint. Is attended with chills, succeeded by fever, severe pains in the region of the Liver, vomiting, bitter taste, yellow furred tongue, pains full and bounding, the patient in the side increases, and pressure, should the left lobe be affected, the pain is generally in the left shoulder, with a short dry cough, the skin becoming of a sallow appearance, and the stools clay colored. This disease can be cured by the use of Hobensack's Liver Pills, as they act directly upon the bowels of the disease, and then operating upon the bowels they expel all the corrupt and vitiated matter from the system.

Dyspepsia. The symptoms of Dyspepsia, and its various diseases are dizziness in the head, heartburn, oppression after eating meals, sourness in the stomach, &c., and sometimes general languor of the whole body, from this it will be seen that the disease owes its origin to a disorganized action of the Liver and Stomach. Hobensack's Liver Pills is the very best medicine for permanent and lasting cure, as they act by changing the certain morbid actions of the system into a healthy action, and rendering the blood pure and healthy.

To Females. You will find these Pills an available medicine in many complaints to which you are subject. In obstructions either total or partial, they have been found of inestimable benefit in restoring and purifying the blood and other fluids so as to cure complaints arising from a diseased liver, such as flatulencies, as headache, dimness of sight, pain in the side, back, &c. These Pills are the only safe and effectual remedy to cure the following complaints: Cold, Nervousness, Melancholy, Sick Headache, Giddiness, Rheumatism, distressing Dreams, Dimness of Sight, or in fact any of the diseases that arise from the affections of the Liver, impurity of the blood, or Constipation of the Bowels.

Medical Evidence. We, the undersigned Physicians, having had the receipts of this remarkable medicine submitted to us for inspection, say that the ingredients of which they are composed makes them the best Pills in use for all diseases of the Liver, Impurities of the Blood, &c.
