Hobensack's Worm Syrup.

an article founded upon Scientific Principles,
an article founded upon Scientific Principles,
populade with purely vegetable substances,
gerfectly safe when taken, and has neve
a known to fail in curing the most obstinate.

Worms can never exist when this remedy
but the property of the principle of the The Tape Worm.

The Tape Worm.

This worm is the most difficult one to destroy all that inhabit the human body. It grows to all that inhabit the human body. It grows to ided and fastened in the intestines and domands to produce Fits, St. Vitus' Dance, &c., which, the cause of many going to the grave, not betwing that these complaints have their origin om the Tape Worm; consequently they do not et the proper medicines for their disease. To see who are afflicted with this awful foe to see who are afflicted with this awful foe to see who are afflicted with this awful foe to alth, I recommend the use of my Worm Syp, and Liver Pills; the Syrup to be taken in sess of two table-spoonstuls three times a day, en take from 5 to 8 of my Liver Pills, to disc and pass the worm. By strictly following ese directions, the most obstinate cases of Tapo form can be speedily cured.

Round or Stomach Worm, his worm is usually found in the small intest, and is the worm most common to children, and is the worm most common to children, so not entirely confined to them, as adults, or the small intest, and speedy cure; and if after using cording to the directions, the patient is not ored to health; and the worms thoroughly intested from the system, you can rest assured to is no remedy beyond the grave, as for fail, re is no such word as fail with those who use worm Syrup.

Ascarides, or Small Thread Worm. These worms, to which the human system is liable, are the most troublesome of all others.—
They are generally to be found in the rectum, and if allowed to remain, from the irritation they produce, lay the foundation for secious disordors, such as inflamation of the bowels, and other derangements of the stomach. The best and safety medicine that can be used is Hobensack's Worm Syrup. Such is the astonishing power of my medicines over Ascarides, that I defy any one to produce a case where my worm Syrup and Liver Pills are recommended to be used they will not cure. All that is necessary is to use the Syrum accordance with directions on each bottle; and in accordance and the second of the second of

## Liver Complaint.

Is attended with chills, succeeded by favor, severe pains in the region of the Liver, vomiting, bitter tastes, yellow furred tongue, pulse full and bounding, the pain in the side is increased by pressure, should the left lobe be affected, the pain is generally in the left shoulder, with a short, dry cough, the skin becoming of a sallow appearance, and the stools clay colored. This disease can be cured by the use of Hobensack's Liver Pills, as they act directly upon the seat of the disease, and then operating upon the bowles they expel all the corrupt and vitated matter from the system.

Despension.

Dyspepsia.

The symptoms of Dyspepsia, and its various iseases are dizziness in the head, heartburn, or seases are diszines in the head, hearburn, op-ression after eating meals, sourness arising from e stomen, &c., and sometimes general languor the whole body, from this it will be seen that e disease owes its origin to a disorganized ate of the Liver and Stomach. Hobensack's twe Pills is the very medicine to effect a per-anent and lasting cure, as they act by changing e certain morbid actions of the system into a aithy action, and rendering the blood pure and althy.

You will find these Pills an invaluable medi-cine in many complaints to which you are subject. In obstructions either total or partial, they have been found of inestimable benefit in restoring and purifying the blood and other fluids so as to cure all complaints which may arise from female irrey-niarities, as hendache, dimness of sight, pain in the side, back, &c. These Pills are the only safe and effectual remedy to cure the following comthe side, back, &c. These Pills are the only safe and effectual remedy to cure the following complaints, Gout, Nervousness, Melancholy, Siek Headache, Giddiness, Rheumatism, distressing Dreams, Dinmess of Sight, or in fact any of the diseases that arise from the affections of the Liver, impurity of the blood, or Constipation of the Bowels.

## Medical Evidence.

WE, the undersigned Physicians, having had the receipt of their manufacture submitted to us for inspection; say, that the ingredients of which they are composed makes them the best Pill in use for all diseases of the Liver, Impurities of the Blood, &c.

## Birmingham Female Seminary.

Birmingham Female Seminary

The liberal patronage which this School has received in the past, encourages the proprietor and friends of female education, to expect by proper exertion to make it both a premate and important Institution; and no pains will by spared to sustain its growing reputation.

Among other considerations which inspire hope as to its future sucess, the location is not unimportant. Three years actual experiment has developed a more philosophical, if not a truer reason for the existance of Birmingham than many which have been assigned—that it is the situation for a Female Seminary, surrounded as it is by most romantic scenery—retired—healthil—easy of access and in itself a place where one might almost grow wise in the study of Nature alone unmocked by the works of Art.

The school year is divided into two Sessions of twenty-two weeks each; the summer term commencing the last Tuesday in October.

Charges to date from time of entering, and no deductions made for absence except in case of sickness.

Taition \$4.00 and \$5.00 per quarter—boarding \$1,50 per week. Music, Latin, French, Drawling &c., extra.
