

POISONING.
Thousands of Parents who use Vermifuge composed of Castor Oil, Calomel, &c. are not aware that while they appear to benefit the patient, they are actually laying the foundations for a series of diseases, such as salivation, loss of sight, weakness of limbs, &c.
In another column will be found the advertisement of HOBENSAK'S Medicines, to which we ask the attention of all directly interested in their own as well as their Children's health. "Be not Deceived," but ask for HOBENSAK'S Worm Syrup and Liver Pills, and observe that each has the signature of the Proprietor, J. N. HOBENSAK'S, as none else are genuine.

2000 Feet of Safety Fuse, just received and for sale by J. & W. SAXTON.
SHIRLEYSBURG FEMALE SEMINARY, AND JUNIATA ACADEMY,
Shirleysburg, Huntingdon Co. Pa.
Rev. J. Campbell, A. M., and Hugh J. Campbell, A. B., Principals.
These institutions are beautifully situated in the center of the Great Allegheny Valley, seven miles from the Penna. Central Railroad, Mt. Union, and on the direct line from that of Chambersburg. They are now furnished with spacious buildings and extensive apparatus, for all the departments of Natural Science, and every advantage for instruction in the branches of a liberal education, that the best schools of a similar order can afford. The cost of their apparatus alone is one thousand dollars. Five hundred dollars have been appropriated to a library. Believing that too much expense has hitherto been lavished by schools of this order on outward decorations, and too little devoted to furnishing them with the more essential requisites for instruction, the Trustees of this Academy have been the first in the State to take this course, and to purchase a good number of instruments and books. They call the attention of the older class of students, especially those intending to teach, to these facilities.
TERMS OF SEMINARY—Session of 22 weeks. Board, washing, light, and tuition in English, French \$50.00, Music, Painting, Drawing, Latin, French &c., extra.
ACADEMY SESSION OF 22 WEEKS.—Tuition \$5.00, \$10.00, \$12.00 per session, in Primary, Junior and Senior classes, and tuition in Classical departments, by other Experienced Instructors and by Mr. S. Campbell, who has long and successfully had control of the English department. The course of study is such that it usually taught in the first class institutions of this country, being thorough and sufficiently extensive to qualify students for the higher classes in College, and for every department of business life.
The Buildings are now large and commodious, and the domestic arrangements, are in every way adapted to the health and comfort of a large number of students, who are required to board in the Academy under the immediate supervision of the Professors.
The location is retired, and proverbially healthful, and is easy of access, being connected with Chambersburg and the Penna. Railroad at Mount Union, by a daily line of stages.
The terms are very low. The whole expenses per session of 22 weeks, for board, washing, tuition, fuel, &c., are from \$40 to \$45 according to the branches pursued. The next Session will commence on Wednesday 19th of October.
