Hobensack's Worm Syrup.
An article founded upon Scientifie Principles, compounded with purely vegetable substances, being perfectly safe when taken, and has never been known to fail in curing the most obstinate case. Worms can never exist when this remedy is once used, from the fact that it only destroys them but removes all the slime and mucus which may remain.

may remain.

The Tape Worm.

The Tape Worm.

This worm is the most difficult one to destroy of all that inhabit the human body. It grows to an almost indefinite length, and becoming so coiled and fastened in the intestines and stomach as to produce Fits, St. Vitus' Dance, &c., which, is the cause of many going to the grave, not believing that these complaints have their origin from the Tape Worm; consequently they do not use the proper medicines for their disease. To those who are afflicted with this awdit foe to health, I recommend the use of my Worm Syrup, and Liver Pills; the Syrup to be taken it dosso of two table-spoonstuls three times a day then take from 5 to 8 of my Liver Pills, to dis loge and pass the worm. By strictly following these directions, the most obstinate cases of Tap Worm can be speedily cured.

my worm Syrup.

Ascarides, or Small Thread Worm.

These worms, to which the human system is is liable, are the most troublesome of all others.—
They are generally to be found in the rectum, and if allowed to remain, from the irritation they produce, lay the foundation for sections disorders, such as inflamation of the bowels, and other derangements of the stomach. The best and safest medicine that can be used is Hobensack's Worm Syrup. Such is the astonishing power of my medicines over Ascarides, that I defy any one to produce a case where my worm Syrup and Liver Pills are recommended to be used they will not cure. All that is necessary is to use the Syrup in accordance with directions on each bottle, and in case a gentle purgative is required in order to allay the irritation they produce, the Liver Pills by their sympathising action and healthy operation upon the bowels, is the most pleasant medicine that can be taken.

Hobensack's Liver Pills.

No part of the system is more liable to disease than the Liver, it being supplied with numerous blood-vessels and nerves, and if diseased, the blood of course flowing through all parts of the body produces Liver Complaints, Jaundice. Billious Affections; Dyspensia, &c., &c.
