"This is without exception, the most comprehensive and intelligible work published on the class of diseases which it treats. Avoiding all technical terms, it is so written as to be read by its free from all objectionable matter, and no patient, however fastidious, can object to placing it in the hands of his sons. The author has devoted many years to the treatment of the various complaints treated of, and with a little breath to puff, and 'too little presumption to impose; he has offered to the world at the merely nominal price of 25 cents, the fruits of some twenty years' most successful practice."—Herald.

"No teacher or parent should be without the knowledge imparted in this invaluable work; it would save years of pain, mortification and sorrow to the child under their charge."—People's Advocate.

A Presbyterian clergyman in Ohio, in writing of "Hunter's Medical Manual," says:—"Thousands upon thousands of our youth, by evil example and the influence of the passions, have been led into the habit of self-pollution without realizing the sin and consequence upon themselves and their posterity. The constitution of the public mind is so constituted, that it is not enfeebled, if not broken down, and they do not know the cause or the cure. Any thing that can be done so to enlighten and influence the public mind as to check, and ultimately to remove this wide-spread source of human weakness, and would confer the greatest blessing next to the religion of Jesus Christ, on the present and coming generation. Intemperance, (or the use of intoxicating drinks) though it has slain thousands upon thousands, is not a greater scourge to the human race. Accept my thanks on behalf of the afflicted, and believe me, your co-worker in the good work you are so actively engaged in."

One copy will be forwarded, "generally enclosed and postage paid," on receipt of 25 cents, or six copies for \$1. Address, COSDEN & CO., Publishers, Box 103, Philadelphia.

\$500 CHALLENGE!

Hobensack's Worm Syrup. An article founded upon Scientific Principles, compounded with purely vegetable substances, being perfectly safe when taken, and has never been known to produce any ill effects. Worms can never exist when this remedy is once used, from the fact that it only destroys them but removes all the slime and mucus which may remain.

The Tape Worm. This worm is the most difficult one to destroy of all that inhabit the human body. It grows to an almost indefinite length, and becoming so coiled and fastened in the intestines and stomach as to produce Fits, St. Vitus' Dance, &c., which is the cause of many going to the grave, not believing that these complaints have their origin from the Tape Worm; consequently they do not take the proper medicine for their cure. Believing that those who are afflicted with this awful foe to health, I recommend the use of my Worm Syrup, and Liver Pills; the Syrup to be taken in the morning, and the Pills three times a day, then take from 5 to 10 of my Liver Pills to dislodge and pass the worm. By strictly following these directions, the most obstinate cases of Tape Worms can be speedily cured.

Remedy of Stomach Worm. This worm is usually found in the small intestines, and is the worm most common to children; yet is not entirely confined to them, as adults have frequently been known to suffer with them. The symptoms of this disease, when accompanied with this worm, are hardness and fullness of the belly, slimy stools, looseness of the bowels, picking at the nose, a bluish streak under the eyes, &c. If you, or any of your children have any of the above symptoms, Hobensack's Worm Syrup can safely be depended upon—by using it you have a certain, safe, and speedy cure; and if after using it according to the directions, the patient is not restored to health, the worm that has been eradicated from the system, you can rest assured there is no remedy beyond the grave, as for all, there is no such worm as fall with those who use my Worm Syrup.

Ascariæ, or Small Thread Worm. These worms, to which the human system is liable, are the most troublesome of all others. They are generally to be found in the rectum and are allowed to remain, from the irritation they produce, lay the foundation for serious disorders, such as inflammation of the bowels, and other derangements of the stomach. The best and safest medicine for their cure, is Hobensack's Worm Syrup. Such is the astonishing power of my medicines over Ascariæ, that I defy any one to produce a case where my Worm Syrup and Liver Pills are recommended to be used, they will not cure. All the worms that the Syrup is in accordance with directions on each bottle; and in case a gentle purgative is required in order to allay the irritation they produce, the Liver Pills, their sympathetic power, and if disease operation upon the bowels is the most pleasant medicine that can be taken.

Hobensack's Liver Pills. No part of the system is more liable to disease than the Liver, it being supplied with numerous blood-vessels, and is the seat of the most important blood of course flowing through all parts of the body produces Liver Complaints, Jaundice, Bilious Affections, Dyspepsia, &c., &c.

It is attended with chills, succeeded by fever, severe pains in the region of the Liver, vomiting, bitter tastes, yellow furred tongue, pulse full and bounding, the pain in the side is increased by pressure, and the patient is generally in the left shoulder, with a short, cough, the skin becoming of a sallow appearance, and the stools clay colored. This disease can be cured by the use of Hobensack's Liver Pills, as they act directly upon the Liver, and dislodge and then operating upon the bowels they expel all the corrupt and vitiated matter from the system.

Dyspepsia. The symptoms of Dyspepsia, and its various diseases attending it, are indigestion, oppression after meals, sourness in the stomach, &c., and sometimes general languor of the whole body, from this it will be seen that the disease owes its origin to a disorganized state of the Liver and Stomach. Hobensack's Liver Pills is the very medicine to effect a permanent and lasting cure, as they act by changing the certain morbid actions of the system into a healthy action, and rendering the blood pure and healthy.

To Females. You will find these Pills an invaluable medicine in many complaints to which you are subject. In obstructions either total or partial, they have been found of inestimable benefit in restoring and purifying the blood and other fluids so as to cure all complaints which may arise from female irregularities, as headache, indigestion, faintness, pain in the side, back, &c. These Pills are safe and effectual remedy to cure the following complaints, Gout, Nervousness, Melancholy, Sick Headache, Giddiness, Rheumatism, distressing Dreams, Dimness of Sight, &c. In fact, of all the diseases that arise from the affections of the Liver, impurity of the blood, or Constipation of the bowels.

Medical Evidence. We, the undersigned Physicians, having had the receipt of their manufacture submitted to us for inspection, say that the ingredients of which they are composed makes them the best Pills in use for all diseases of the Liver, Impurities of the Blood, &c. BALTIMORE LOCK HOSPITAL.

Where may be obtained the most speedy remedy for SERENIT DISEASES—Gleets, Strictures, Seminal Weakness, Pain in the Loins, Affections of the Kidneys, and all those peculiar affections arising from a secret habit, particularly the youth of both sexes, which if not cured, produces constitutional debility, rendering marriage impossible, and in the end destroys both Mind and Body.

Young Men especially, who have become the victims of Solitary Vice, that dreadful and desolating disease, annually sweeps to an untimely grave thousands of young men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening senates with the thunders of eloquence, or walked to ecstasy the living lyre, may find full confidence.

Married persons, or those contemplating marriage, being aware of physical weakness, should immediately consult Dr. J., and be restored to perfect health.

Dr. Johnston, Office No. 7 South Frederick St., seven doors from Baltimore Street, east side up the steps. Be particular in obtaining the name and number, or you will mistake the place. A cure warranted, or no charge made, in from one to two days.

TAKE NOTICE.—Dr. Johnston's office is in his dwelling, up the steps. His very extensive practice fully guarantees that he is the only proper physician to apply to.

Dr. Johnston, member of the Royal College of Surgeons, London, graduate from one of the most eminent Colleges in Great Britain, and the greater part of whose life has been spent in the Hospitals of London, Paris, Philadelphia, and elsewhere, has effected some of the most astonishing cures that were ever known, many troubled with Constipation, and frequently learned from the symptoms of that dreadful disease to make their appearance, such as affections of the head, nose, throat, skin, &c., progressing with frightful rapidity, and putting a period to their dreadful suffering, by sending them to that Bourne whence no traveler returns.

TAKE PARTICULAR NOTICE.—Young men who have injured themselves by a certain practice included in menial habits, and who have been led by evil companions, or at school—the effects of which are nightly felt, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body.

What a pity that a young man, the hope of his country, and the darling of his parents should be snatched from all prospects and enjoyments of life by the consequence of deviating from the path of nature, and indulging in such a course. Such persons before contemplating marriage, should reflect that a sound mind and body are the most necessary requisites to promote community and happiness. In the morning, the journeying life becomes a weary pilgrimage, the prospect hourly darkens to the view; the mind becomes clouded with despair, and filled with the melancholy reflection, that the happiness of the present is but a shadowy dream.

CONSTITUTIONAL DEBILITY.—Dr. J. addresses young men, and all who have injured themselves by private and improper indulgence. Thousands of persons, of various ages, and of both sexes, are afflicted with this disease, which is the cause of many going to the grave, not believing that these complaints have their origin from the Tape Worm; consequently they do not take the proper medicine for their cure. Believing that those who are afflicted with this awful foe to health, I recommend the use of my Worm Syrup, and Liver Pills; the Syrup to be taken in the morning, and the Pills three times a day, then take from 5 to 10 of my Liver Pills to dislodge and pass the worm.
