

Strength and ability, to the people...  
Surgico Mechanical Institute,  
for the application of approved physiological supports,  
in the treatment of Chronic Disease, and  
those numerous Weaknesses and Debilities of  
the body, in which support to the relaxed and  
dragging organs is an important condition of cure,  
and necessary to the success of internal treatment.  
The appliances used, are endorsed by many of  
the most eminent members of the Profession, and  
consist, in part, of Body Braces, for Prolapsus  
Uteri, or Falling of the Womb, and the diseases  
of the Spine, Lungs, Stomach, Bowels and  
weakness of the Back and Nerves, which result  
from such "falling";—Spinal Supporters, to  
erect the Spinal column;—Chest Expansors,  
to erect the body, and enlarge the Chest;—Diaphragm  
and Pelvic Elevators, Hernal Trusses, etc. etc.  
The increasing importance of the department,  
and the necessity of the country practitioner,  
to erect the body, and enlarge the Chest, etc. etc.  
less than that in harmony with nature, induces  
the Institute to furnish, at such a price, as to  
supply what is alike, a professional desideratum,  
and necessary to guard the public against the  
implication of unscientific and unscrupulous  
quacks.

Look out for Counterfeits!  
The public are cautioned against the appearance  
of a counterfeit, called W. B. Farrell's Arabian Liniment,  
the most dangerous of all the counterfeits, because  
it will buy in good faith, without the knowledge  
that a counterfeit exists, and they will perhaps  
only discover their error when the spurious  
nature has wrought its evil effects.  
The genuine article is manufactured only by  
H. G. Farrell, sole inventor and proprietor,  
and wholesale druggist, No. 17 Main street,  
Peoria, Illinois, to whom all applications for  
Agents must be addressed. Do not get it

The amount of goods in our line purchased by  
country merchants is usually quite small compared  
with their dry goods, hardware, and other  
bills and this very circumstance absolutely com-  
pels us to sell at the lowest possible prices, and  
to buy his book bill for cash, though it might not  
be so convenient for him to purchase his larger  
bills in this way.  
These considerations have led us to adopt in  
our business, from the first of January, 1854, the  
following principles, viz: SMALL PROFITS, INVARI-  
ABLY PRICES, AND TERMS ALWAYS CASH.  
Being ourselves the sole publishers of a num-  
ber of the leading and most extensively used  
School Books in the country, as well as works in  
other departments, our facilities are unsurpassed.  
Call upon us, or send an order, and judge for

PROCLAMATION  
TO THE INVALIDS OF HUNTINGTON.  
S1000 Reward!  
PULVERMACH'S  
Hydro-Electric Voltaic Chains.  
A RE for the first time introduced to the people  
of Huntington and vicinity, as the most con-  
venient, effective, and strictly scientific mode of  
instantly relieving and permanently curing all  
NEUROLOGIC DISEASES.  
Now we know that an announcement similar to  
the above meets the eye of the reader almost daily,  
and perhaps this may be classed with many others.  
But listen to you, if you are afflicted. It is  
claimed that Pulvermach's Electric Chain, is the  
only magnetic remedial agent that is secured by  
patent, granted by this government, on the  
ground that it was a strictly useful and scientific  
article. The Chains are now on exhibition at the  
Crystal Palace, and attract much attention  
from the thousands who daily visit it.

MODE OF USE.  
The manner of using the chain is very simple.  
The chain is first introduced into the neck,  
and then one end of the chain is applied to the  
part where the pain is located, and the other end  
opposite to the first. The ends of the chain should  
never touch each other. At the moment of ap-  
plication, the most acute pain is instantly relieved,  
wherever it is located, by the passing through the  
part a constant current of uninterrupted electro-  
magnetism. In the following diseases, no other  
remedy has been found to give so complete and  
satisfactory relief to the patient as Pulvermach's  
Chains: Rheumatism, Painful and Swollen Joints,  
Pains in the Back, Neck, Head, and Stomach,  
Neuralgia in the Face, Trembling, Standing Ner-  
vous Headache, Palpitation of the Heart, General  
Debility, Dyspepsia, Female Diseases, Asthma,  
Contracted Joints, &c.  
1000 DOLLARS  
will be given to any person who will produce so  
many well authenticated certificates of cure from  
intelligent patients and scientific physicians, of  
the above diseases, as has been performed by the  
use of the Electric Chain during the past year.

NOTICE TO THE PUBLIC.  
I signed three notes as security for J. Sanson  
Smith one for one hundred dollars, and the other  
two, one hundred dollars each, dated the  
19th day of December, 1850. The indebtedness  
under which I agreed to become bail in said  
notes, proving delinquent by the action of the said  
parties, I therefore hereby give notice that I will  
not be held responsible as bail, or pay them, un-  
less compelled by due course of law.
