Dyspepsia.

The symptoms of Dyspepsia, and its various diseases are dizziness in the head, heartburn, oppression after eating meals, sourness arising from the stomach, &c., and sometimes general languor of the whole body, from this it will be seen that the disease owes its origin to a disorganized state of the Liver and Stomach. Hobensuck's Liver Fills is the very medicine to effect a permanent and lasting cure, as they act by changing the certain morbid actions of the system into a healthy action, and rendering the blood pure and healthy.

To Females.

You will find these Pills an invaluable medicine in many complaints to which you are subject. In obstructions either total or partial, they have been found of inestimable benefit in restoring and purifying the blood and other fluids so as to cure all complaints which may arise from formale irregularities, as headache, dimness of sight, pain in the side, back, &c. These Pills are the only safe and effectual remedy to cure the following complaints, Gout, Nervousness, Melancholy, Sick Headache, Gidliness, Rheimatism, distressing Dreams, Dimness of Sight, or in fact any of the diseases that arise from the affections of the Liver, impurity of the blood, or Constipation of the Bowels. healthy.
