MASON BROTHERS, 23 PARK ROW, opposite the Astor House, NEW-YORK.

BOOKS & STATIONERY, FOR CASH ONLY.

The amount of goods in our line purchased by country merchants is usually quite small compared with the large quantities of hardware and other bills; and this very circumstance absolutely compels jobbers in the book business, who sell on time, to get larger profits in order to make up for the losses and extra expenses necessarily involved in a credit business of small amounts. It is also easy for the merchant to make arrangements to buy his book bill for cash; though it might not so convenient for him to purchase his larger bills in this way. These considerations have led us to adopt in our business, from this date, January, 1854, the following principles, viz: SMALL PROFITS, UNUSUALLY LOW PRICES, AND A HANDSOME CASH DISCOUNT. Being ourselves the sole publishers of a number of the leading and most extensively-selling School Books in the country, as well as works in other departments, we are enabled to purchase at a low price, and to sell at a low price. Call upon us, or send an order, and judge for yourselves, if the saving you can make by buying of us for cash is worth while. Our location is very central, and easily found. Stand on the Astor House steps, and look straight forward across the corner of the Park, and you cannot avoid seeing our signs. Remember, the name is MASON BROTHERS. Feb. 1, 1854.
