PENNSYLVANIA LEGISLATURE.

SEXATE.—Mr. Crosswell called up House bill No. 386, appointing commissioners, to review a State road in Tell township, Huntingdon county, which passed finally.

Mr. Cresswell called up a bill relative to a tavern lieguse in Huntingdon county, which passed finally and the second of Huntingdon with water, which passed finally.

Sale of the Public Works.

Wednesday Morning, April 12, 1854.

WILLIAM BREWSTER, Editor.

CIRCULATION 1090.

WHIG STATE TICKET:

FOR GOVERNOR,

James Pollock, of Northumberland coperation of the bill with the public works.

The question being on the motion to post 5000 the bill under consideration. He remarks upon that the price originally fixed for that line, in the report of the Senate committee, was \$12, 600,000. The bill under consideration. Proposed to take \$10,000,000 for the main line.

FOR GOVERNOR,

James Pollock, of Northumberland coperation of the bill under consideration. He remarks upon that the price originally fixed for that line, in the report of the Senate committee, was \$12, 600,000. The bill under consideration. Proposed to take \$10,000,000 for the main line.

FOR GOVERNOR,

James Pollock, of Northumberland coperations in wood, oblige as by sending it in the price of the senate constitute, was \$12, 600,000. The bill under consideration. Proposed to take \$10,000,000, and will, to that amount, the subscription of the bill winder consideration, proposed to take \$1,000,000, and will, to that amount, the subscription of the bill under can be a subscription of the bill under can be be a subscription due to this office.

Will blues friends who intend to pay their enhancements of the people and the price of the subscription due to this office.

Res. It appears that Mr. S. L. Giasgow, or his attorney, or both of them, are endeavoring to collect the abscription due to this office.

The public have already been notified that I have bought with the office all unpaid abserts the payment of all the old dobts due to contact as a the time of the public was a subscription, and any person who will pay to Mr. Glasgow or his Attorney, will be obliged to make the payment of all the old dobts due to contact a the time of the public of the subscription due to this office.

New Advertisements.

J. & W. Saxton have received their Spring and Summer Goods, and are now ready to supply the wants of the people all to price and the price and the pay

It will thus be seen that to bring the work into use, it will cost \$25,250 less than could have been anticipated, taking all the circumstances into view, and that there was no obvious error in the original estimate. I therefore, respectfully ask that the above statement be place on the journal of your House.

ROBERT FARIES.

CELEBRATED ARABIAN LINIMENT. IT IS AN ERRONEOUS IDEA that discase cannot be cured except by taking large quantities of medicines into the stomach, in a great many cases of which much injury is done, attompt the discovering the most pleasant, which is dysperially injured—the result of the discovering and injuring the continued use of nauscating 'mixtures, frequently become so much disordered that the directive function is activately injured—the result of which is dyspeptia, nervousness, choice, afternate diarrhoca and costiveness, flatulence, nightmare, etc., etc. Would it not, therefore, be very desirable to possess a remedy, which being applied externally would excite the absorbents to increased action, and thus carry off through this medium, the delections principle which is the direct course of the disease? Surely every thinking man will admit that this would not only be the most pleasant, but by far the salest means to	ever effered to the people of Huntingdon and vicinity, and is now rapidly selling at unusually low prices. My stock comprises in part, Clothe, Cassimera, black and faney. Satimetts, a large variety of Satm and Silk Vestings, Kentucky and Penna, Jeans, Tweeds, Tickings, brown and bleached Muslins, Drills, Crash Bags and Bagging, Table Diaper, &c. Ladies Dress and Faney Goods, Prints in abundance, Mous, de Lanes, De Berege, Alpaceas, Lustres, black and faney, colored Silk, Cashmeres, Bonnet and Florence Silk Edging Ribbons, faney Gimp, black silk Lace, colored Kild Gloves, Gents black do. Liuen and Silk Handkerchiefs, Italian Cravats, Hosiery, &c. Mardware, Queensware, Glasswares and Cedar Ware. Groceries, Flats and Cags, A great variety of Straw Goods. My stock has been selected with the greatest care in regard to quality and price, and I flatter myself that I can offer inducements to parchases not to be found cleavhere. Thankful for the patronage of the past, by my friends, and the public generally, I respectfully solicit a continuance of the same. E39 My old stock of Goods will be sold at 14 per cent. below cost. Analysis 12, 1854.
	secures all the State officers to the Whigz. Is in not glorious news for that party which was annihilated, aye, actually buried in 1852; but it is no use to whip us, we won't stay whipped. The greater our defeat, the more certain well rise up and overthrow you. What have our Locofoco friends to say of these disastrous elections? Suppose you put up your "Shang hais" again, and if you do, we will put a coon top of them. If the New Hampshire election was a "saitler" to the Administration these last in Connecticut and Rhode Islam must certainly be death blows. Gov. Bigle can read his fate in the recent actions of these States. His hour has come, and he must give up the ghost. Further from California. New York, April 5.—The steamship Northern Light arrived here this morning from San Juan, bringing California dates to the 1st the same as brought by the United States.—She brings 350 passengers and about \$750,00 in gold. There is little news of importance in an portion of the State. The mines are represented as being still very productive. Gen. Woo't had arrived at San Fanciscand relieved Gon. Hitchcock from the command of the Pacific division of the army. A grand dimer was given to him, on whit occasion Gov. Foote, of Mississippi, ver veryly denounced the course pursued by strendy denounced the course pursued by	To the Speaker of the House of Representatives of Pennsylvania. Sin :—In a report recently made by the majority of a Committee of the Senate, to whom was referred that portion of the Governor message relative to the sale of the public works they say that: "in the Governor's message is stated that in 1852, the work to avoid the Allegheny inclined planes, was estimated the cost the meager sum of \$591,000. It also states that \$650,000 have since been expended in the work, and that \$690,000 is still required to bring the work into us." The message of the Governor refers to a single track road, but it is well known to the committee that the road is being graded for double track road, and that five miles of the committee of the same of the control of the improvement of the long level, although the work has been in progress for nearly wyears, and is estimated by my successor to cost \$193,000. These obvious errors are unqualifiedly every man and is estimated by my successor to cost \$193,000. These obvious errors are unqualifiedly every and is estimated by my successor to the improvement of the long level, with a full knowledge that my estimate reported in 1812 for the saw when the same than the same that the same that the same that the miles of the same than t	unprecedented success in 1852 seems but the initiative steps towards its own dissolution.— There is not now a State in the Union, unless it be the Old Dominion, in which the party is not utterly disorganized, and incapable of a vise gross and united rally at the next State election. In Maine, which gave Gen. Pierce a large majority, there exists a bitter and irreconcilable feed, in consequence of which a Whig Governor was elected last year, and the Whig Governor was elected last year, and the Whig High william Pitt Fessenden, for a term o six years to the United States Senate.
