Mountain Female Seminary at Birmingham, Huntingdon county, Pa, on the Fennsylvania Railroad, occupies one of the most
healthy and desirable locations in the State.—
Strangers visiting the Institution have unhesitatingly expressed the opinion, that it so easy of
access, retired, healthful, and surrounded with
such romantic mountain seenery, that no one
who wishes to learn, could find an institution
more favorably situated. Past success and future prospects have induced us to greatly enlarge
our plans, and enabled us to give such compensation to teachers as will command those possessing the highest qualifications.

Cost, per term of 22 weeks, varies from \$55 to
