Shirleysburg Female Seminary,
Rev. JAMES CAMPBELL, A. M., Principal.
Juniata Academy,
HUGH J. CAMPBELL, A. B., } Principals.
A. C. FERRALL, }

THE Summer Session of these Institutions commences on Wednesday, the 5th of May, and continues five months. They are situated in the retired Village of Shirleysburg, in the heart of one of the most lovely and fertile valleys of the Alleghenies.
In a rural district, among one of the plainest and simplest people of Pennsylvania, apart from the bustle and evils of a thoroughfare, or large town, convenient of access from all sides, with a community noted for its temperance and morality, and possessing a healthy and unusually beautiful situation, this Village presents advantages for Literary Institutions, which strike the eye of every visitor. Each one possesses new and commodious buildings, and a full corps of teachers.— They are under entirely separate government and instruction, being situated about a quarter of a mile apart, and having nothing in common except the use of the Academy Apparatus is given to the Seminary.
The regular education is thorough and extensive, embracing the branches usually taught in such Institutions. These Schools offer two principal inducements; first, the most extensive and complete Philosophical and Chemical Apparatus in this section of the State, to which Professor FERRALL has made the valuable addition of his choice collection of Astronomical and Mathematical instruments, consisting of an Astronomical Telescope, second, the cheapness of the terms.
Wishing to render their Institutions, as far as they can, accessible to all, the Principals have reduced the price of boarding to the lowest possible rate. The regular expenses at the Female Seminary, excluding the ornamental branches, are \$30.00 per session, while at other similar Institutions the prices vary from \$50.00 to \$90.00 per session. In attending either of these Schools, tuition, boarding, washing, fuel, light and room rent, will vary from \$45.00 to \$50.00 per session. The whole number of pupils at both schools, for the past year, was upwards of 100. Special Classes are provided for those wishing to qualify themselves for teachers.
A Fancy Department will be added to the Seminary, in which a course of lessons of 4 to 6 weeks will be given, including an excellent course in Sewing, Embroidery on Satin, Crapes, Lace, Mullin, &c. etera. Young Ladies that wish to receive instruction in this department, will be required to give their attendance at the Seminary for the entire course of the term. Tuition payable in Advance. No pupils admitted for less than half a session. No deduction for absence, except in cases of protracted sickness. For circulars and other information address (post paid) the Principals.
