Mountain Female Seminary.

THE Mountain Female Seminary at Birmingham, Huntingdon county, Pa., on the Pennsylvania Railroad, occupies one of the most healthy and desirable locations in the State.—Strangers visiting the Institution have unhesitatingly expressed the opinion, that it so easy of access, retired, healthful, and surrounded with such romantic mountain scenery, that no one who wishes to learn, could find an institution more favorably situated. Past success and future prospects have induced us to greatly enlarge our plans, and enabled us to give such compensation to teachers as will command those possessing the highest qualifications.
Cost, per term of 22 weeks, varies from $55 to $60, for which good accomodations will be given. Music, French, Latin, Painting, &c., extra.
Pupils from abroad are expected to board in the Seminary building with the Principal, who gives hisentire attention to the interest of the Institution. ISRAEL W. WARD,

"MAN KNOW THYSELF."
An Invaluable Book for 25 cents.
"Every Family Should Have a Copy."
SIX Thousand Copies sold in less than three months. A new edition, revised and improved, just issued.
Dr. Hunter's Medical manual and hand book for the afflicted—Containing an outline of the origin, progress, treatment and Cure of every form of disease, contracted by promiscuous sexual intercourse, by self-abuse, or by sexual excess, with advice for their prevention, written in a familiar style, avoiding all medicinal technicalities, and every thing that would offend the ear of decency, from the result of 20 years' successful practice, exclusively devoted to the cure of diseases of a delicate or private nature.
To which is added, receipts for the cure of the above diseases, and a treatise on the cause, symptoms and cure for the Fever and Ague, for 25 cents a copy; six copies for $1; will be forwarded to any part of the United States, free of postage.—Address postage paid, Cosden & Co., Publishers, or "Box 195, Post Office, Phila.
"This is without exception, the most comprehensive and intelligible work published on the class of diseases of which it treats. Avoiding all technical terms, it addresses itself to the readers; it is free from all objectionable matter, and no parent, however fastidious, can object to placing it in the hands of his sons. The author has devoted many years to the treatment of the various complaints treated of, and 'with too little breath to puff,' and 'too little presumption to impose,' he has offered to the world at the merely nominal price of 25 cents, the fruits of some twenty years most successful practice."—*Herald.*
"No teacher or parent should be without the knowledge imparted in this invaluable work; it would save years of pain, mortification and sorrow to the youth under their charge."—*People's Advocate.*
A Presbyterian clergyman in Ohio, in writing of "Hunter's Medical Manual," says:—
"Thousands upon thousands of our youth, by evil example and the influence of the passions, have been led into the habit of self-pollution without realizing the sin and consequence upon themselves and their posterity. The constitution of thousands, who are raising families have been enfeebled, if not broken down, and they do not know the cause or the cure. Any thing that can be done so to enlighten and influence the public mind as to check, and ultimately to remove this wide-spread source of human wretchedness, would confer the greatest blessing next to the religion of Jesus Christ, on the present and coming generation. Intemperance, (or the use of intoxicating drinks,) though it has slain thousands upon thousands, is not a greater scourge to the human race. Accept my thanks on behalf of the afflicted, and, believe me, your co-worker in the good work you are so actively engaged in."
One copy will be forwarded, (securely enveloped and postage paid,) on receipt of 25 cents, or six copies for $1. Address, COSDEN & CO., Publishers, Box 196, Philadelphia.

BALTIMORE LOCK HOSPITAL.

Where may be obtained the most speedy remedy for
SECRET DISEASES.—Gleets Strictures, Seminal Weakness, Pain in the Loins, Affections of the Kidneys, and all those peculiar affections arising from a secret habit, particularly the youth of both sexes, which if not cured, produces constitutional debility, rendering marriage impossible, and in the end destroys both Mind and Body.
Young Men especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening senates with the thunders of eloquence, or waked to ecstacy the living lyre, may call with full confidence.
Married persons, or those contemplating marriage, being aware of physical weakness, should immediately consult Dr. J., and be restored to perfect health.
Dr. Johnston, office No. 7 South Fredrick St., seven doors from Baltimore Street, east side up the steps. ☞ Be particular in obtaining the name and number, or you will mistake the place.
A cure warranted, or no charge made, in from one to two days.
Take Notice.—Dr. Johnston's office is in his dwelling, up the steps. His very extensive practice is a sufficient guarantee, that he is the only proper physician to apply to.
Dr. Johston, member of the Royal College of Surgeons, London, graduate from one of the most eminent Colleges of the United States, and the greater part of whose life has been spent in the Hospitals of London, Paris Philadelphia, and elsewhere, has effected some of the most astonishing cures that were ever known, many troubled with ringing in the ears and head when asleep, great nervousness, being alarmed at sudden sounds, and bashfulness, with frequent blushing attended sometimes with derangement of mind, were cured immediately.
A Certain Disease.—It is a melancholy fact that thousands fall victims to this horrid disease owing to the unskilfulness of ignorant pretenders who by the use of that deadly poison Mercury, ruin the Constitution, causing the most serious symptoms of that dreadful disease to make their appearance, such as affections of the head, nose, throat, skin, etc., progressing with frightful rapidity till death puts a period to their dreadful suffering, by sending them to that Bourne whence no traveler returns.
Take Particular Notice.—Young men who have injured themselves by a certain practice indulged in when alone—a habit frequently learned from evil companions, or at school—the effects of which are nightly felt, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body.
What a pity that a young man, the hope of his country, and the darling of his parents should be snatched from all prospects and enjoyments of life by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons before contemplating Marriage, should reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed without these, the journey through life becomes a weary pilgrimage, the prospect hourly darkens to the view; the mind becomes shadowed with despair, and filled with the melancholy reflection, that the happiness of another becomes blighted with our own.
Constitutional Debility.—Dr. J. addresses young men, and all who have injured themselves by private and improper indulgence.
Impuissana.—These are some of the sad and melancholoy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the head, Dimness of Sight, Loss of Muscular power, Palpitation of the Heart Dyspepsia, Nervous Irritability, Detangements of the Digestive Functions, General Debility Symptoms of Consumption, &c.
Mentally—The fearful effects on the mind are much to be dreaded; Loss of memory, Confusion of ideas, Depression of Spirit, Evil Forbodings; Aversion to Society, Self Distrust, Love of Solitude, &c., are some of the evils produced.
Thousands of persons of all ages, can now judge what is the cause of their declining health. Losing their vigor, becoming weak, pale and emaciated, have singular appearance about the eyes, cough and symtoms of consumption.
Married persons, or those contemplating marriage, being aware of physical weakness, should immediately consult Dr. J. and be restored to perfect health. Office, No. 7, South Frederick-St., Baltimore, Md.
All Surgical Operations Performed.—N. B. Let no false delicacy prevent you, but apply immediately either personally or by letter.
Skin Diseases Speedily Cured,
To Strangers.—The many thousands cured at this Institution within the last ten years, and the numerous important Surgical Operations performed by Dr. J., witnessed by the Reporters of the papers, and many other persons, notices of which have appeared again and again before the public, is a sufficient guarantee that the afflicted will find a skillful and honorable physician.
As there are so many ignorant and worthless quacks advertising themselves as Physicians, ruining the health of the afflicted Dr. Johnston would say to those unacquainted with his reputation that his Credentials or Diplomas always hang in his office.
Weakness of the organs immediately cured, and full vigor restored
☞ All letters post paid—remedies sent by mail.
