PROCLAMATION TO THE INVALIDS OF HUNTINGDON. \$1,000 Reward! PULVERMACHER'S Electro-Static Voltaic Chains, ARE for the first time introduced to the people of Huntingdon and vicinity, as the most convenient, efficient, and strictly scientific mode of instantly relieving and permanently curing all NERVOUS DISEASES.

Now we know of an announcement similar to the above meets the eye of the reader almost daily, and perhaps this may be classed with many others. But here the inventor, who is entitled to the only magnetic remedial agent that is secured by patent, granted by this government, on the ground that it was a strictly scientific and scientific article. The Chain is not an exhibition at the Crystal Palace, and attract much attention from the thousands who daily visit it. MODE OF USE. The manner of using the chain is very simple. The chain is first moistened with common vinegar, and then one end of the chain is applied to the part where the pain is located, and the other end opposite to the first. The ends of the chain should never touch each other. At the moment of application, the most intense relief is felt, wherever it is located, by the passing through the part a constant current of uninterrupted electro-magnetism. In the following diseases, no other remedy has ever been so completely successful in satisfaction to the patient as Pulvermacher's Chains: Rheumatism, Painful and Swelled Joints, Pains in the Back, Deafness, Blindness, Paralysis, Neuralgia in the Face, Long standing Numbness, Paralysis of the Heart, General Debility, Dyspepsia, Female Diseases, Asthma, Contracted Joints, &c. 1000 DOLLARS will be given to any person who will produce so many well authenticated cures of the above diseases, as to satisfy the scientific and scientific physicians of the above diseases, as has been performed by the use of the Electric Chain during the past year. ANOTHER FACT. It is truly the fact that wherever the electric chains have been introduced, the most common and common lard have greatly diminished in sale, people having become disgusted with the practice of using their stomachs for drug shops. RECOMMENDATIONS. The Electric Chains are highly recommended by Professors Mott, Van Buren, Post and Carnochan, of New York; and are also in daily use in every Hospital in that city. The chains will last for years, are always ready for use, and produce no injurious results, when used as directed. FEMALE DISEASES. The introduction of the Electric Chain into this country is the dawn of a new era in medicine. During the last twenty years, it can safely be estimated that ten thousand females have died yearly from this one disease. PROLAPSUS UTERI. It is well known to medical men that this common disease is beyond the reach of medicine, and that in proportion to the disease readily yields to the more the patient is doomed to suffer, and sooner will death close the scene. During the last 2 years more than one thousand cases of Prolapsus Uteri (falling of the womb) have been permanently cured in England and France. Most of those cases were ladies of high standing, who had previously tried all other means of treatment with no benefit. Among the distinguished ladies that have been cured by the use of the present Queen of France. In this country, during the last year, one hundred cases have been cured in the city of New York, many who have allowed their names to be published for the benefit of those suffering with similar complaints. The mode of use is simply to apply one end of a 30 link chain to the spine just above the hips, and the other end upon the abdomen, and allow the chain to remain in place. This to be repeated four times during the twenty-four hours. CHRONIC RHEUMATISM. The Electric Chains never fail to relieve the severe pains and swelling incident to this disease. The worst forms of this disease readily yield to a few applications of a chain, and in no single instance have they failed to give instant relief, if they did not effect a permanent cure. All persons who are afflicted with this disease, and who are kindly invited to call and obtain a pamphlet of HOWARD W. SMITH, Agent for Huntingdon county, who will also explain their mode of use. The Electric chains can be sent by mail to any part of the United States, by addressing (post paid) any of the agents in the principal cities, or Joseph Steiner, 365, Broadway New York. JOSEPH STEINER, Gen. Agent, 365 Broadway, N. Y. January 18, 1854.-1y.

BALTIMORE LOCK HOSPITAL. Where may be obtained the most speedy remedy for SECRET DISEASES—Gleets, Strictures, Seminal Weakness, Pain in the Loins, Affections of the Kidneys, and all those peculiar affections arising from a secret habit, particularly the youth of both sexes, which if not cured, produces constitutional debility, rendering marriage impossible, and in the end destroys both Mind and Body. Young Men especially, who have become the victims of Solitary Vice, that dreadful and destructive habit, which admits of no cure, except an immediate recourse to the Baltimore Lock Hospital, a timely grave thousands of young men of the most exalted talents and brilliant intellect, who might otherwise have entered listening senators with the thunders of eloquence, or waked to ecstasy the living eye, may call with full confidence. Married persons, or those contemplating marriage, being aware of physical weakness, should immediately consult Dr. J., and be restored to perfect health. Dr. Johnson, office No. 7 South Frederick St., seven doors from Baltimore Street, east side up the steps. Be particular in obtaining the name and number, or you will mistake the place. A cure warranted, or no charge made, in from one to two days. TAKE NOTICE.—Dr. Johnson's office is in his dwelling, up the steps. His very extensive practice is a sufficient guarantee, that he is the only proper physician to apply to in such cases. Dr. Johnson, member of the Royal College of Surgeons, London, graduate from one of the most eminent Colleges of the United States, and the greater part of his life has been spent in the Hospitals of London, Paris, Philadelphia, and elsewhere, has effected some of the most astonishing cures that were ever known, many troubled with ringing in the ears and head when asleep, great nervousness, being alarmed at sudden sounds, and bashfulness, with frequent fainting attended sometimes with derangement of mind, were cured immediately. A CERTAIN Disease, which is a melancholy fact that thousands fall victims to this horrid disease owing to the unskillfulness of ignorant pretenders who by the use of that deadly poison Mercury, ruin the Constitution, causing the most serious and distressing effects, and at school—the effects of which are rightly felt, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body. What a pity that a young man, the hope of his country, and the pride of his parents should be snatched from all prospects and enjoyments of life by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons, before contemplating Marriage, should reflect that a sound mind and body are the most necessary requisites to promote conjugal happiness. Indeed without these, the journey through life becomes a weary pilgrimage, the prospect is dark, and the heart is filled with the melancholy reflection, that the happiness of another becomes blighted with their own. CONSTITUTIONAL DEBILITY.—Dr. J. addresses to those men and all who have injured themselves by private and improper indulgence. IMPURITIES.—These are some of the sad and melancholy effects produced by early habits of youth, viz. Pain in the Back and Limbs, Pains in the head, Dimness of Sight, Loss of Muscular power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Detachments of the Digestive Functions, General Debility Symptoms of Consumption, &c. MENTALLY.—The fearful effects on the mind are much to be dreaded: Loss of memory, Confusion of ideas, Depression of Spirit, Evil Forbodings, Aversion to Society, Self Distrust, Love of Solitude, &c., are some of the evils produced. Thousands of persons of all ages, can now judge what is the cause of their declining health. Losing their vigor, becoming weak, pale and emaciated, they regretfully attribute about the eyes, cough and symptoms of consumption. Married persons, or those contemplating marriage, being aware of physical weakness, should immediately consult Dr. J., and be restored to perfect health. Dr. Johnson, office No. 7, South Frederick-st., Baltimore, Md. ALL SURGICAL OPERATIONS PERFORMED.—N. B. Let no false delicacy prevent you, but apply immediately either in person or by letter. Skin Diseases Specially Cured.
