MODE OF USE.

The manner of using the chains is very simple. The chain is first moistened with common vinegar, and then one end of the chain is applied to the part where the pain is located, and the other end opposite to the first. The ends of the chain should never touch each other. At the moment of application, the most caute pain is instantly relieved, wherever is is located, by the passing through the part a constant current of uninterrupted electro magnetism. In the following diseases, no their cremedy has ever given such complete and perfect satisfaction to the patient as Pulvermacher's Chains: Rheumatism, Painful and swelled Joints, Pains in the Back, Deafness, Blindness, Paralysis, Neuralgia in the Face, Long standing Nervous Headache, Palpitation of the Henrt, General Debility, Dyspepsia, Female Diseases, Asthma, Contracted Joints, &c.

It is truly the fact that wherever the electric chains have been introduced, buttled nostrums and common lard have greatly diminished in sale, people having become diegasted with the practice of using their stomachs for drug shops.

The Electric Chains are highly recommended by Professors Mott, Van Buren, Fost and Carnechan, of New York; are also in daily use in every Hospital in that city. The chains will last for years, are always ready for use, and produce no injurious results, when used as directed.

would save years of pain, morification and sorphe's Advocae.

A Presbyterian clergyman in Ohio, in writing of "Hunter's Medical Manual," says:—

"Thousands upon thousands of our youth, by evil example and the influence of the passions, have been led into the habit of self-pollution without realizing the sin and consequence upon themselves and their posterity. The constitution of thousands, who are raising families have been feelbeld, if no troken down, and they do not know the cause or the cure. Any thing that can be done so to enlighten and influence the public mind as to check, and ultimately to remove this wide-spread source of human wretchedness, would confer the greatest blessing next to the religion of Jesus Christ, on the present and coming generation. Intemperance, (or the use of intoxicating drinks,) though it has slain thousands upon thousands, in on a greater sourge to the human race. Accept my thanks on behalf of the afflicted, and, believe me, your co-worker in the good work you are so actively engaged in. One copy will be forwarded, (securely enveloped and postage paid,) on receipt of 25 cents, or six copies for \$i^1\$. Address, COSDEN & CO, Publishers, Box 196, Philadelphia.
