## White Sulphur and Chalybeate Springs, AT DOUBLING GAP.

THESE Springs are now open for the reception of visitors. They are situated in Cumberland county, Penn'a., 30 miles west of Harrisburg, and are accessible by the Cumberland Valley Railroad to Newville; from thence in good coaches and over easy roads eight miles to the springs. Many improvements have been made since the last year, and the recent discovery of the Chalybeate Spring adds greatly to the inducements presented for the present season. The accommodations for Bathing in all the usual modes—water Hot and cold, fresh or mineral.—Persons visiting us will find a happy retreat and a pleasant home. Below you have the analysis of our Sulphur and Chalybeate Springs.

SCOTT COYLE, Proprietor.

ANALYSIS OF THE WHITE SULPHUR AND CHALYBEATE SPRINGS.

The odor of Sulphuretted Hydrogen, perceived at some distance from the Spring, imparts to this water the peculiar properties of Sulphur Springs. Besides this ingredient, I find that the water contains Carbonate of Soda, and of Magnesia, Glauber's Salt, Epsom Salt, and Common Salt, ingredients which give it an increased value. After removing the excess of Carbonic Acid which it contains, it gives an alkaline reaction. The Chalybeate water readily yields a precipate, after ebullition or continued exposure has expelled the excess of Carbonic Acid. Besides the Bicarbonate of Iron, which is its chief characteristic, it also contains Epsom Salt, Common Salt, and Carbonate of Magnesia.

Respectfully yours, JAS. C. BOOTH.

CERTIFICATE OF PHYSICIANS.

Having examined the elements that enter into the composition of the White Sulphur and Chalybeate Springs, of Doubling Gap, as exhibited in their analysis by Professor Booth, of the Mint, a practised and competent chemist, are authorized to say, that they possess all the sanative properties of similar medicinal waters, in the various diseases for which their use has been recommended by Physicians.

## A Strong Test of Two of EVANS & WATSON'S Salamander Safes.

LATE LIGHT STREET FIRE.—MESSRS. E. & T. FAIRBANKS & Co.—Gentlemen:—We take much pleasure in recommending your Salamander Safes to merchants and others who may desire to purchase with a view to the preservation of their books and other valuables. The Safe we purchased of you in July last, and manufactured by Evans & Watson, of Philadelphia, remained in the fire, at the burning of our store, until the entire stock was consumed.

The heat was intense, as you may suppose, as there was about seventy barrels of liquor in the store, on the next floor over the safe, besides some seventy thousand pounds of rags, rope, and other combustible matter. We had the safe opened after the fire had ceased, and found our books and papers PERFECTLY PRESERVED.

Please get us up another of your Safes, of the same size, for our future use, soon as possible, and oblige, R. & W. W. ISAACKS,
No. 116 Light Street Wharf.

Baltimore May 17, 1854.

Messrs. E. & T. Fairbanks & Co.—Gentlemen: It gives me much pleasure to bear testimony to the excellency of your Salamander Safes. The one I purchased of you in July last, manufactured by Evans & Watson, of Philadelphia, saved my books and valuable papers, when every thing else in the store was destroyed by fire, on the morning of the 14th inst., at No. 116 Light street wharf. B. F. WILLIS.

Baltimore, May 16th, 1854.

The above mentioned Safes can be seen at E. & T. Fairbanks & Co.'s warehouse, 111 West Pratt street, near Light street wharf.

## BALTIMORE LOCK HOSPITAL.

Where may be obtained the most speedy remedy for

SECRET DISEASES.—Gleets Strictures, Seminal Weakness, Pain in the Loins, Affections of the Kidneys, and all those peculiar affections arising from a secret habit, particularly the youth of both sexes, which if not cured, produces constitutional debility, rendering marriage impossible, and in the end destroys both Mind and Body.

**Young Men,**

especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talents and brilliant intelect, who might otherwise have entranced listening senates with the thunders of eloquence, or waked to ecstacy the living lyre, may call with full confidence.

**Married Persons,**

or those contemplating marriage, being aware of physical weakness, should immediately consult Dr. J., and be restored to perfect health.

**Dr. Johnston,**

office No. 7 South Fredrick St., seven doors from Baltimore Street, east side up the steps. ☞ Be particular in obtaining the name and number, or you will mistake the place.

A cure warranted, or no charge made, in from one to two days.

TAKE NOTICE.—Dr. Johnston's office is in his dwelling, up the steps. His very extensive practice is a sufficient guarantee, that he is the only proper physician to apply to.

Dr. Johston, member of the Royal College of Surgeons, London, graduate from one of the most eminent Colleges of the United States, and the greater part of whose life has been spent in the Hospitals of London, Paris Philadelphia, and elsewhere, has effected some of the most astonishing cures that were ever known, many troubled with ringing in the ears and head when asleep, great nervousness, being alarmed at sudden sounds, and bashfulness, with frequent blushing attended sometimes with derangement of mind, were cured immediately.

A CERTAIN DISEASE.—It is a melancholy fact that thousands fall victims to this horrid disease owing to the unskilfulness of ignorant pretenders who by the use of that deadly poison Mercury, ruin the Constitution, causing the most serious symptoms of that dreadful disease to make their appearance, such as affections of the head, nose, throat, skin, etc., progressing with frightful rapidity till death puts a period to their dreadful suffering, by sending them to that Bourne whence no traveler returns.

TAKE PARTICULAR NOTICE.—Young men who have injured themselves by a certain practice indulged in when alone—a habit frequently learned from evil companions, or at school—the effects of which are nightly felt, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body.

What a pity that a young man, the hope of his country, and the darling of his parents should be snatched from all prospects and enjoyments of life by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons before contemplating Marriage, should reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed without these, the journey through life becomes a weary pilgrimage, the prospect hourly darkens to the view; the mind becomes shadowed with despair, and filled with the melancholy reflection, that the happiness of another becomes blighted with our own.

CONSTITUTIONAL DEBILITY.—Dr. J. addresses young men, and all who have injured themselves by private and improper indulgence.

INFIRMANA.—These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the head, Dimness of Sight, Loss of Muscular power, Palpitation of the Heart Dyspepsia, Nervous Irritability, Detangements of the Digestive Functions, General Debility Symptoms of Consumption, &c.

MENTALLY—The fearful effects on the mind are much to be dreaded; Loss of memory, Confusion of ideas, Depression of Spirit, Evil Forbodings; Aversion to Society, Self Distrust, Love of Solitude, &c., are some of the evils produced.

Thousands of persons of all ages, can now judge what is the cause of their declining health. Losing their vigor, becoming weak, pale and emaciated, have singular appearance about the eyes, cough and symtoms of consumption.

Married persons, or those contemplating marriage, being aware of physical weakness, should immediately consult Dr. J. and be restored to perfect health. Office, No. 7, South Frederick-St., Baltimore, Md.

ALL SURGICAL OPERATIONS PERFORMED.—N. B. Let no false delicacy prevent you, but apply immediately either personally or by letter.

Skin Diseases Speedily Cured,

TO STRANGERS.—The many thousands cured at this Institution within the last ten years, and the numerous important Surgical Operations performed by Dr. J., witnessed by the Reporters of the papers, and many other persons, notices of which have appeared again and again before the public, is a sufficient guarantee that the afflicted will find a skillful and honorable physician.

As there are so many ignorant and worthless quacks advertising themselves as Physicians, ruining the health of the afflicted Dr. Johnston would say to those unacquainted with his reputation that his Credentials or Diplomas always hang in his office.

Weakness of the organs immediately cured, and full vigor restored

☞ All letters post paid—remedies sent by mail.

## ZINC PAINTS.

*ONE THIRD CHEAPER THAN WHITE LEAD, AND FREE FROM ALL POISONOUS QUALITIES.*

### The New Jersey Zinc Company

HAVING GREATLY ENLARGED THEIR WORKS, and improved the quality of their products, are prepared to execute orders for their

**SUPERIOR PAINTS.**

DRY, and GROUND IN OIL, in assorted packages of from 25 to 500 pounds; also

DRY, in barrels, of 200 pounds each.

Their WHITE ZINC, which is sold dry or ground in oil, is warranted PURE and unsurpassed for BODY and *uniform whiteness.*

A method of preparation has recently been discovered, which enables the Company to warrant their paints to keep fresh and soft in the kegs for any reasonable time. In this respect their paints will be superior to any other in the market.

Their *Brown Zinc Paint*, which is sold at a low price, and can only be made from the Zinc ores from New Jersey, is now well known for its protective qualities when applied to iron or other metallic surfaces.

Their *Stone Color Paint* possesses all the properties of the Brown, and is of an agreeable color for painting Cottages, Depots, Out-buildings, Bridges, &c.

Dealers supplied on liberal terms by their Agents, **FRENCH & RICHARDS,**

## ARMITAGE'S Electro-Magnet Lightning Rods.

AFTER many years' close investigation and numerous experiments, the Patentee takes pleasure in informing the public that he has arrived at the true principles of protecting families, dwellings and property from the destructive influence of **Lightning.** The calamities that every City, Town, Village and Country falls victim to annually, through the gross negligence of its inhabitants, is beyond calculation, especially when the remedy is so easy to obtain—this is found in **Armitage's Patent Magnetic Lightning Rods,** and in this alone. This Rod has been examined by the most scientific gentlemen in the world—Professors M'Murtrie, Johnson, Wallor and many others that have examined them, recommend and speak of them in the highest terms of approbation, and have pronounced them the only safe rods in use in this or any other country, for the protection of Lives and Property. One advantage is to divide and throw back a part of the electric fluid harmless to the clouds; in time of a stroke this enables the rod to conduct that portion of fluid that belongs to the earth without the slightest danger of leaving the conductor. This rod has many other advantages over the old one. The only place of manufacturing is in

*Vine St., 3 doors above Twelfth, Philadelphia,*

where all persons are respectfully invited to call and examine for themselves. For sale Wholesale and Retail, by THOS. ARMITAGE.

Orders promptly attended to. Terms cash.

### Recommendations.

PHILADA., Aug. 13, 1847.

I have this day carefully inspected a conductor or Lightning Rod, with vane and index, erected by Mr. Thomas Armitage, on Bellevue House, Gloucester, and have no hesitation in saying that it is not only the best that I have ever seen, but that it is the only one I have yet examined that is constructed on strictly scientific principles. It is with much pleasure that I recommend this con
