PROCLAMATION

TO THE INVALIDS OF HUNTINGDON, \$1000 Reward! POLYMERIZER'S Electro-Magnetic Voltaic Chains.

Now known that an announcement similar to the above meets the eye of the reader almost daily, and perhaps this may be classed with many others. But listen or you do us injustice.

The manner of using the chains is very simple. The chain is first moistened with common sea water, and then one end of the chain is applied to the part where the pain is located...

1000 DOLLARS will be given to any person who will produce so many well authenticated certificates of cure from intelligent patients and scientific physicians...

ANOTHER FACT: It is truly the fact that wherever the electric chains have been introduced, bottled nostrums and common lard have greatly diminished in sale...

RECOMMENDATIONS: The Electric Chains are highly recommended by Professors Mott, Van Buren, Post and Croghan, of New York...

INTRODUCTION OF THE KERICER Chain into this country is the dawn of a new era in medicine. During the last twenty years, it can safely be estimated that ten thousand families have died yearly from this disease...

PROLAPSUS UTERI: It is well known to medical men that this common disease is beyond the reach of medicine, and that in proportion to the amount of medicine given, the more the patient is doomed to suffer...

CHRONIC RHEUMATISM: The Electric Chains never fail to relieve the severe pains and swelling incident to this disease. The worst forms of this disease readily yield to a few applications of the chain...

BALTIMORE LOCK HOSPITAL

Where may be obtained the most speedy relief for SECRET DISEASES—Gleets, Strictures, Seminal Discharges, Pain in the Loins, Affections of the Kidneys, and all those peculiar affections arising from a secret habit, particularly the youth of the country, which if not cured, produce constitutional debility, rendering marriage imprudent, and in the end destroys both Mind and Body.

Young Men, especially who have become the victims of Solitary Vice, or those who are afflicted with habits which are not only injurious to the mind, but which are a source of the most excruciating and brilliant intellect, who must otherwise have entrusted listening senses with the humors of elegance, or failed to enjoy the living life, may call with confidence.

Marked Persons, or those contemplating marriage, being aware of physical weakness, should immediately consult Dr. J. and be restored to perfect health. Office No. 7 S. 2d Street, near doors from Baltimore Street, east side up the steps, 657. In particular in obtaining the name and address, or you will mistake the place. A cure warranted, or no charge made, in from one to six days.

Take Notice—Dr. Johnston's office is in his dwelling, up the steps. His very extensive practice is a sufficient guarantee, that he is the only proper physician to apply to. Dr. Johnston, graduated from one of the most eminent Colleges of the United States, and the greater part of whose life has been spent in the Hospitals of London, Paris, Philadelphia, and elsewhere, has effected some of the most astonishing cures, and all other have failed, even with ringing in the ears, and total deafness; great nervousness, being alarmed at sudden sounds, and bashfulness, with frequent blushing attended sometimes with derangement of mind, were cured immediately.
