uning water all seasons of the year. The Grist Mill is new, with three run of stones and calendated for four; with the most approved machine-ty. Also, a good miller? House, with necessary outbuildings.

This is one of the best points in the county for a store and grain morehant, as almost all the wheat that comes to Hantingdon passes by the mill, and would naturally stop there if a market was offered. On the farin, is a large two story stone honse, and all the necessary out-buildings with a never failing spring close to the honse, and a bank barn and stable. There are 2 orchards on the prenises, one of which is entirely of grafted fruit, carefully selected.

The farm is in a fine state of cultivation, and the mill and buildings are in good repair.

There is also 170 acres of wood and ore land within 1 mile of the farm, which will be sold, with it. There is on this tract a very fine vein of fassil ore, which has been opened.

The above has been divided into three separate properties, and will be sold separately or together, as purchasers may desire.

The first division to contain 10 acres immediately around and including the Mill, with all its water right.

The second division to contain 175 acres of the farm land, with the farm buildings; and the 170 acres of wood and ore land.

The third division to contain 10s acres adjoin ing the above property, with an orehard on the same.

Prafts of the whole, and also of the separate

HYGEANA.

Brought Home to the Door of the Million.

A WONDERFUL DISCOVERY has recently be made by Dr. Curtis, of this city, it the treatment of Consumption. Asthma and a diseases of the Lung. We refer to "Dr. Curtis Hygeans, or Inhaling Hygean Vapor and Cherry Syrup." With this new method Dr. C. ha restored many afflicted ones to perfect health as an evidence of which he has innumerable certificates. Speaking of the treatment, a physical remarks: It is evident that inhaling—constantly breathing an agreeable, healing vapor the medicinal properties must come in direct contact with the whole of the arial cavity of the lungs, and thus escape the many and varied changes produced upon them when introduced into the stomach, and subjected to the process of digestion. The Hygeana is for sale at all the drugstist throughout the country.

**New York Dutchman of Jan. 14.*

The Inhaler is worn on the breast under the linen without the least inconvenience—the heat of the body being sufficient to evaporate the fland.
