Land For Sale.

Land For Sale. The undersigned desirous of removing to the Wess offers for sale his lands, consisting of 265, acres of improved land; the improvements con-sist of a good Stone House, a double Log Barn, Carpenter Shop, and Blacksmith Shopta great variety of fruit on one end of the farm, and on the other end a two Story Log House, and good frame barn, and some young fruit tress planted. There are about 180 or 170 acres cleared, and in good state of cultivation, the remainder is well timbered, and within 1 mile of a good saw-mill; there are several never failing springs of water as to divide into two farms if desired. This pro-perty is situate about 34 miles cast of this horo August 21, 1834. JOHN PORTER.

Sale of Land.

Sale of Land. THE subscriber offers for sale his farm, lying within three miles of Shirleysburg. Hunt-ingdon county, Pa., containing about 143 acres, 80 of which is cleared and under good fence, a considerable part post and rail. On the tremises are a two story dwelling house, large and con-venient, and a large frame bank harn, both en-tirely new. The above property heing within three miles of Shirleysburg, renders it convenient for those who may wish to send their sons and daughters to the excellent Schools established in that borough. Those withing a good and con-tent home can be accommodated, and yponommodated, and upo B. E. COLLINS, July 5, 1854.

Town Property for Sale.

THE subscriber offers some valuable property for sale in the Borough of Alexandria, con-sisting of Two Honese and Lots. The honese are large and comfortable, with every requisite outbuilding. One of the houses has been occu-pied as a store, & On the lot are a great vari-ety of fruit trees. Possession could be obtained in the fail, if desired. July 5, 1854. SAMUEL SPYKER.

BANKING HOUSE

BALTIMORE LOCK HOSPITAL. Where may be obtained the most speedy reamined by for SECRET DISEASES.—Gleets Strictures, Saminal Workness, Pain in the Loins, Affection of the Kildweys, and all those peediar affection of the Kildweys, and all those peediar affection of those severes, which if not earrel, produces con-stitutional debility, rendering marriage impossi-ble, and in the end detrys both Mind and Body Sprobally, Wohn have beene the circitme of Sol-inary Vice, that dreadful and destructive have which annuell's sweers to a matinedy gave than and bo films in tablect, who might otherwise have entranced listening senates with the thanders of domance or waked to escare the link light Ires. Money making is the orde of the day, and it with this object that medicines are prepared. Money making is the orde of the day, and it with this object the modeling senates with the thanders of home and waked to evage the fully Ires. Money making is the orde of the day, and it with this object the modelines are prepared.

ar those contemplating marriage, being aware of physical weakness, should inmediately consult Dr. J., and be restored to perfect health.

ar chose contemplating marringe, being aware of epipsical wateness, should immediately consult Dr. J., and be restored to perfect health. Dr. Johnston, office No. 7 South Fredrick St., seven doors from the Baltimore Street, cast side up the steps. So the particular in obtaining the name and number, or you will mistake the place. A cure warranted, or no charge made, in from one to two days. Takie Nortex. Dr. Johnston's office is in his divergence. The sevent strength of the street strength of the sevent strength of the seve

asicep, great nerrousness, being alarmed at sud-der sounds, and bashfuncess, with frequent blash-ing attended sometimes with derangement of mind, were cured immediately. A CERTAIN DIREARE.—It is a melancholy fact that thousands fail victims to this horrid disease owing to the unskilldness of ignorant pretenders who by the use of that dendly poison Mercury, ruin the Constitution, causing the most serious symptoms of that dreadful disease to make their appearance, such as affections of the head, nose, throat, skin, etc., progressing with frightful ra-pidity till dath puts a period to their dreadful suffering, by sending them to that Bourne whence no traveler returns.

membed to all who have tried, in value other promi-parations. Money making is the order of the day, and it is with this object that medicines are prepared for the error of diseases to which mankind are subject. It is the same with the baker and burch-er, the manufacturer, mechanic, day, and it is well that there is this stimulus to induce the thoughtful and skilful to device and prepare in convenient form, sainable remedies for the affic-ted. (The manufacturer, methanic, day, and it is well that there is this stimulus to induce the thoughtful and skilful to device and the sain convenient form, sainable remedies for the affic-ted. (The sainable remedies for the affic-ted of Chills and Form, is not and the sainable compared for the antional to the sainable remedies for the sainable remedy, therefore, it is folly to ob-ject, because it is another's interest to dispose of it. To the invalid the important consideration is simply this, "Will I be hencited by the pur-chase of the article offered ?" The invalid should inquire into the testimony should be carefully investigated. and just so much credit given to it, and no more, than it deserves. If of a personal character, we should hook to the respectability of the vinesses, and the opportu-nity which they have had to an observation of the facts, and the probable impartiality, and con-sequent trutfulness, or their statements. Con-nothering statements of a umber of respectable witnesses to the truth of any fact, may amount to irresistible evidence. We might enter into a detailed account of the study and labor incident to its preparation-of the economid, for effecting immediate curse in almost every instance—and of the character and expectability of the winesses which it has inva-riably performed. We wight enumerate other cases, and eite the testimony of others, and in-deed warry our reader with repetitions of cases. This we deem unnecessary, and shall therefore confine ourselves to a selection of a few of these whose characters and standing in the community iffering, by sensing tack to call of the original of the sense of the

 pidity till death puts a period to their dreadful suffering, bysending them in that Bourne whence in traveler remns.
 TAKE PARTICULAR NOTICE.—Young men who have injured themselves by a certain practice indulged in when alone—A habit frequently learned from evil companions, or at school—the effects of which are neightly felt (seen when alseep, and it uot cured renders marriage impossible, and destroys both mind and body.
 What a pity that a young man, the hope of his country, and the darling of his parents should be stores both mind and body.
 What a pity that a young man, the hope of his country, and the darling of his parents should be stores both de darling from the path of nature and indulging in a cortain secret habit. Such persons before contemplating Marriage, should reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed without these, the journey through life becomes a weary pilgrimage, the prospect hourly darkens to the view; the mind becomes shalowed with despair, and fille with the melancholy reflection, that the happiness of anothe becomes blighted with our own.
 Constructions, General Debling Y brights of youth, vig effects produced by early habits of constructions, General Debling Y symptoms of constructions, General Debling Y symptoms of constructions, General Debling Y symptoms of constructions, deneral Debling the order of the desident of the early charts of heart by sing the early charts and effect on the mind and methody at the three defined fields to not the mind sector of the parents of Spirit, Loss of Memory, wear a real indicates on the mind heart of the deside loss of memory. Constructions, deneral Debling health, Lassing the structure of the descript Devised water of proves a strain life to the and emariated, the real sectors of all agrare well known, and whose positions gave them the opportunity of testing the value of the Prize Care. The gentlemen whose Certificates are given, are well known to the citizens of Lancaster and York Counties, in Pennsytvania, besides other portions of that State; also to the citizens of Ma-ryland who reside in the neighborhood of the Susquehanna and Tide-water Canal. One of the gentlemen named JANES MCCOSKEY, Esq., re-presented York County in the Senate of Penn-sylvania thor many years. These gendlemen were all Contractors on the Susquehann and Tide-Grace, et the, nonther terminate at Harre-the-Grace, et the, nontheractors; and should there be any doubt, application may be made to them to r the truth of the representation made in regard to the characters of those whose certificates are appended. ARMITAGE'S Electro-Magnet Lightning Rods. Electro-Magnet Lightning Rods. A FTER many years' close investigation and numerous experiments. the Patentee takes pleasure in informing the public that he has arri-ved at the trae principles of proteeting families, dwellings and property from the destructive in-funence of Lightning. The calamities that every City, Town, Village and Country falls vic-tim to annually, through the gross negligence of its inhubitants, is beyond calculation, especially when the remedy is so easy to obtain—this is frond in Armitigge's Patient Magnetic Lightning Rods, and in this alone. This Rod has been examined by the most scientific gentement in the world—Professors M'Marrie, Johnson, Waltor and many others that have ex-amined them, recommend and speak of them in the highest terms of approbation, and have pro-

tages over the old one. The only place of man-interturing is in above Twelfth, Philaddphia, Vine SL, 3 doors above Twelfth, Philaddphia, where all persons are respectively invited to cal and examine for themselves. For sale Whole-sale and Retail, by THOS. ARMITAGE. Orders promptly attended to. Terms eash.

Recommendations.

\$1,000 Reward ! PULVERMACHER'S

PROCLANATION To the Invalues of Huntingdon.

PULVERMACHER'S Dythe-Electric Voltaic Chains, A RE for the first time introduced to the people remiest, effectual, and strinduced to the people remiest, effectual, and strinduced to the mode of instantly releving and permanently caving all NERVOUS DISEASES. Now we know that an announcement similar to the above mesis the eye of the reader almost dal-g, and perings this may be cleased with many others. Dut listen or you do us injustice. It is chained that Pulvermacher's Electric Chain, is the only magnetic tomelical agent that is secured by patent, granted by this government, on the gradied. The Chains allow you do that and security the Grystal Pakaes, and attract meet into attention from the thousands who daily rist it. MODE OF USE. The manner of using the chains is very sample. available, it shows and much solvers that have get-amined them, recommend and speek of them in the highest terms of approbation, and have pro-many other country, for the protection of Links and Property. One advantage is to divide and throw back a part of the electric fluid harmless to the clouder, in time of a stroke this enables the rol to conduct that portion of fluid that belongs to the carb without the slightest danger of leaving the conductor. This rol has many other advan-tages over the old one. The only place of man-utacturing is in

from the thousands who daily vielt it. MODE OF USE. The manner of using the chains is very simple. The chain is first moisened with common integer, and then one end of the chain is applied to the part where the pain is located, and the other end application, the most caste pan is instantly relieved, wherever it is located, by the passing through the part a constant current of uninterrupted electro-satisfaction to the patient as Palvermeher's Chains: Rhemmatism, Painful and swelled Joints; Chains; Chains; Rhemmatism, Painful and Swelled Joints; Chains; C

1000 DOLLARS

1000 DOLLARS will be given to any person who will produce so many well authenticated certificates of cure from intelligent patients and scientific physicians, of the above diseases, as has been performed by the use of the Electric Chain during the past year. ANOTHER FACT.

PREAM AND 13, 1847. FULLATA. AND 13, 1847. FULLATA. AND 13, 1847. That of this day carefully inspected a conductor of Lightning Rod, with vane and index, erceted by Mr. Thomas Armitage, on Bellevue House, Gloucester, and have un besitation in saying that it is not only the best that I have ever seen, but that it is the only one I have yet examined that is over much placesure that I recommend this constructed on strictly scientific principles. It is with much placesure that I recommend this constructed on strictly scientific principles. It is with much placesure that I we commend this constructed on strictly scientific principles. It is with much placesure that I recommend this constructed on strictly scientific principles. It is with much placesure that I we commend this constructed on strictly scientific principles. It is with much placesure that I we commend this for an well satisfied that the Magnetif Lightning Rod, manufactured by Mr. Thomas Armitage. Of thave spient several years in the study of the laws of discussion the end of a strictly and regulation in a signing that these Rods are constructed the post the laws of attraction and regulation in the only principle of strictly and regulation in the protected by one of these rods. I have been acquainted with Mr. Armitage for sev-real years, and hefore the commende the instru-tion is approximated with Mr. Armitage for sev-real years, and hefore the commende the instru-tion be only principle of strictly in the Ham. The Mr. Magnetific the several years in all parts of the several years, and hefore the commende the strict. The discussion module be attended with ora-tering the commende the several years. The discussion strictly and the first several the fraction of the contained with the several years. The discussion strictly and the several years in all parts of the several years. The the several years of the several years, we have a strictly and the several the discussion strictly and the several years of the seve ANOTHER FACT. It is traily the fact that wherever the electric datase have been introduced, bottled nostrums and sourmon Lard have greatly diminished in sale, seeple having become disgusted with the practice of using their stomachs for drug shops. RECOMMENDATIONS. The Themis Chains are hadly genormanded

RECOMMENDATION The Electric Chains are highly recommended by Professors Mort, Van Baren, Post and Carno-chan, of New Yorks an along in daily use in every Hospital in that city. The indust we have the gents, are always ready for use, and alodace no injurious results, when used as directed, FEMALE DISEASES. The introduction of the Electric Chain into this Morrocco Manufacturers, Curtiers, Import Commission and General Leather Busines Wholesale and Retail.
