**EVER AND AGUE.** The second s

ARMITAGE'S

Electro-Magnet Lightning Rods, A FTER many years' close investigation and pleasure in informing the policie that he has arri-red at the true principles of protecting families, dwellings and property from the destructive in-fluence of Lightbrings. The calamities that fuence of Lightbrings. The calamities that fin to annually, through the gross negligence of its inhabitants, is beyond calculation, especially when the remedy is so cars to obtain—this is found in Armingson and the gross negligence found in Armingson and the gross negligence found in Armingson and the gross negligence of instanty relevant and strictly scientific instanty relevant and arminementy card Network that an announcement is Now we know that an announcement A RE for the first time introduced to the peopl of Huntingdon and vicinity, as the most con-venient, effectual, and strictly scientific mode of NERVOUS DISEASES. Now we know that an amouncement similar to the above meets the eye of the reader almost dai-ly, and perhaps this may be classed with many others. But listen or you do us injustice. It is claimed that Pulvermacher's Electric Chain, is the only magnetic remedical agent that is secured by patent, granted by this government, on the ground that it was a strictly useful and scientific article. The Chains are now ou exhibition at the Crystal Palace, and attract much attention from the thousands who daily rist.

its inhabitants, is beyond calculation, especially when the remed's is as easy to obtain—this is found in **Armitinge's Patent Marguetic Lightainag Rods**, and in this alone. This Rod has been examined by the most scientific gentlemen in the world—Professors M Watric, Johnson, Wallor and many others that have ex-namined them, recommend and speak of them in the highest terms of approbation, and have pro-nounced them the only ards rods in use in this or any other country, for the protection of Lives and Property. One advantage is to divide and throw back a part of the olectife fluid harmless to the cloude; in time of a stroke this enables the rod to conduct that portion of fluid thar belongs to the earth without the slightest danger of leaving the conductor. This rod has many other advan-tages over the old one. The only place of man-utacturing is in article. The Chains are now ou exhibition at the Crystal Palaco, and attract much attention from the thousands who daily visit it. MODE OF USE. The chain is first moistered with common vinegar, and then one end of the chain is a pplied to the part where the pain is located, and the other end opposite to the first. The ends of the chain should hever touch each other. At the moment of ap-plication, the most actue pan is instantly relieved, wherever it is located, by the passing through the part a constant current of uninterrupted electro magnetism. In the following diseases, no other remedy has ever given such complete and perfact chains: Rheumatism, Painful and swelled Joints, Paing in the Back, Deafness, Blindness, Paraly-sis, Seuralgia in the Face, Long standing Nor-vons Headace, Paipitation of the Heart, Gener-al Debility, Dyspepsia, Female Diseases, Asthma, Contracted Joints, &c.
