The most extraordinary discovery in the World is the Great Arabian Remedy for Man and Beast. I. G. PARIELL'S CELEBRATED ARABIAN LINIMENT. If. G. FARRELL'S GENUINE ARABIAN LINIMENT is a most extraordinary medicine, the truth of which is placed beyond doubt by the vast sales of the article hand the many cures being daily performed by it, which previously had resisted all other medicines and the skill of the best physicians in the world. It is com-posed of balsans, extracts and gums peculiar to Arabia-possessing, in a concentrated form, all their stimulating, anodyne, penetrating, une-tuons and revulsive properties, and the same which, ages ago, were used by the "Sons of the Desert," with such miraculous success, in euthous and revulsive properties, and the same which, ages ago, were used by the "Sons of the Desert," with such miraculous success, in cu-ring the discases of both man and beast.

Read the following remarkable cure, which should of itself place H. G. Farrell's Arabian Liniment far beyond bian Liniment far be any similar remedy WONDERFUL AND EXTRAORDINARY Cure of Rheumatism of Twenty Years Standing

Never in my life have I had so much pleas-ure, in doing any thing as in giving this certi-ficate to the world, and I hope it may be the cause of thousands of my fellow-creatures being relieved of that dreadful disease, rheumatism. My wite has been afflicted with it for twenty years, most of the time suffering exeruciating pains in every part of her body. Having no appetite whatever, she was reduced to almost a skoleton. So violent were the pains that she seldom could sleep without taking targe doses of optim. Every joint wasswelled very much, and her knees, hands, and neck, covered with large hungs. She could do no kind of work, the sinews and muscles being so hard and con-tracted that her limbs were drawn together, so that she was obliged to be in bed constantly. In this condition she had been for twenty years, without ever getting any relief from every thing she used, until she commenced the use of H. G. Farrell's Arabian Liniment, the first botth of which produced a great change. She hans now used five bottles, and the swellings have nearly all gone down ; pain has entirely left her; she sleeps well and soundly ; is more than ever she was in her life; has an excellent appetito, and spins and sews all day. By the use of a few bottles more she must be well as ever she was. If any one doubts this wonder; ful care has only to call at my residence Never in my life have I had so much pleas use of a few bottles more she must be wen as ever ske was. If any one doubt shiw wonder ful cure, he has only to call at my residence eaer Peoria, and learn the circumstances from my wife's own lips, or he can further inquire of any of my neighbors.
