Dr. Curus—Dear sir:—Having witnessed the excellent effects of your Hydrama on

in favor of counter-intation in affections of the

Prof. S Center writes us as follows:—
GENYLEMENS,—I have recently had occasion
to test your Cherry Syrup and Hygean Vapor
in a case of chronic sort throat, that had refused
to yield to other forms of treatment, and the result has satisfied me, that whatever may be
the composition of your preparation, it is no
imposition, but an excellent remedy. I wish
for the sake of the afflicted that it might be
brought within the reach of all.

REV. DOCTO CHERVER WRICES:—

DEAR SIR:—I think highly of Dr. Curtis's
Hygeann, as a remedy in diseases of the throat
and lung. Having had some opportunity to
test its efficacy. I am convinced that it is
a most excellent medicine, both the Syrup and

CELEBRATED ARABIAN LINIMENT.

CELEBRATED ARABIAN LINIMENT.

II. G. FARRELL'S GENUINE ARABIAN
LINIMENT is a most extraordinary medicine,
the truth of which is placed beyond doubt by
the vast sales of the article and the many cures
being daily performed by it, which previously
had resisted all other medicines and the skill
of the best physicians in the world. It is composed of bulsams, extracts and guny peculiar
to Arabia—possessing, in a concentrated form,
all their stimulating, anodyne, penetrating, unctuous and revulsive properties, and the same
which, ages ago, were used by the "Sons of the
Dozert," with such miraculous success, in enring the diseases of both man and benst,

Read the following remarkable cure, which should of itself place II. G. Farrell's Arabian Liniment fur begond any similar remedy.

The following is from the principal account ant of the wealty and respectable house of Messrs Voris & Bro., of this city, and present ONE OF THE MOST WONDERFU CURES IN THE ANNALS of medical history.

ory;
Mr. H. G. Farrell—Dear Siz: Actuated by a sense of gratefulness, I submit the following as an instance of the utility of your great medicine. My child, three years old, was suddenly attacked with a terrible disease, which in less than six hours prostrated it tototal helplessness. The limbs became so rigid that not a joint bent; the flesh turned black and cold and entirely deprived of fredling; the eyes fixed; partially closed and altogether blind, following this was deafness to all sounds; the spine became contracted and so curved that when lying on its back the head and heels only touched. Indeed, the child presented every appearance of being dead. Immediately on the attack, the family physician was called in, and for three weeks he labored to restore it to feeling, but in vainalthough it was blistered alone times and different rubefacient. Liniments applied. A consultation of physicians was then brought before the Medical Society, but nothing could be suggested that had not already been done, and the doctor then told me he could do nothing more. We then commenced applying your Liniment freely over the whole length of the spine, and you may inagine a parent's joy, when after a few applications, returning animation was apparent, and it rapidly recovered with the exception of the sight, which did not become perfect for near a month. The child is now healthy and robust as can be. Five other cases of the same kind occurred previously in my neighborhood, all of which died, when there in no doubt if your Liniment had been used they would have recovered.

The public are cautioned against another counterfeit, which has lately made its appearance, called W. B. Farrell's Arabian Liminent, the most dangerous of all the counterfeits, because his having the name of Farrell, many will buy it in good faith, without the knowledge that a counterfeit exists, and they will perhaps only discover their error when the spurious mixture has wrought its evil effects.
