HYGEANA. Brought Home to the Door of the Million.

A WONDERFUL DISCOVERY has recently been made by Dr. Curtis, of this city, in the treatment of Consumption, Asthma, and all diseases of the Lung. We refer to "Dr. Curtis' Hygeana, or Inhaling Hygean Vapor and Cherry Syrup." With this new method Dr. C. has restored many afflicted ones to perfect health; as an evidence of which he has innumerable certificates. Speaking of the treatment, a physician remarks: "It is evident that inhaling—constantly breathing an agreeable, healing vapor, the medicinal properties must come in direct contact with the whole of the aerial cavity of the lungs, and thus escape the many and varied changes produced upon them when introduced into the stomach, and subjected to the process of digestion. The Hygeana is for sale at all the druggists' throughout the country." New York Dutchman of Jan. 14.

The Inhaler is worn on the breast under the linen without the least inconvenience—the heat of the body being sufficient to evaporate the fluid.

Hundreds of CASES of CURES like the following might be named. One Package of Hygeana has cured me of the ASTHMA of six years standing. J. W. Keesberg, P. M. of Dunconton, Pa.
