A Book for the Times.
CHRISTIANITY AND STATESMANSHIP
with Hints on Kindred Topics by Wm. H. Channing, D. D. 12mo. Cloth, Price, \$1.
This is a volume that will interest every Patriot. In it are developed the relations of Christianity to the Ottoman power, and other topics peculiarly interesting at the present day.
"Doctor Haquo is a lively and beautiful writer on all subjects, but particularly so, we think upon the topic treated of in this book. His historical sketches are comprehensive and brilliant, and it is a book that cannot fail to do an important service to the reading public."—N. Y. Chronic.
Parley's Household Library, a perpetual fund of instruction. Illustrated by over 500 engravings. 8vo., \$1.50.
The best juvenile ever issued."—N. Y. Independent.
The handsomest and cheapest book for youth we have ever seen."—Re. Herald.
Parley's Pictorial, a book for home education peculiarly calculated for the present day.—8vo., \$1.50.
The best uniform with the Household Library.—8vo., \$1.50.
The Youth's Galaxy, a beautiful and useful book for children and youth with many fine cuts. 12mo., 60 cents.
Plus Ninth, the last of the Popes, or the Judgment of God upon the Nations.—12 mo., 25 cents.
The Coming Struggle among the Nations of the Earth, described in accordance with the prophecies of Ezekiel, Daniel, &c., and Revelations; showing the important position Britain and America will occupy during and at the end of the 9th century. 8vo. pamphlet, 10 cents.
The most incredible number of 150,000 have been sold.
Remit the price and the books ordered will be received by return mail. For sale by all the booksellers.
EDWARD H. FLETCHER, Publisher, 37 Nassau St., New York.

DAQUERREOTYPES.
MR. CLARK, one of the first and most experienced operators, has opened a Gallery for a short time in the Railroad House, where he is prepared to take daquerreotypes of every description.
Ladies and Gentlemen are invited to call and examine his specimens.
Any person sitting for a picture will not be required to take it if not satisfied.
He can take as good pictures in cloudy weather as in clear, only requiring longer sitting; therefore small children should be taken on clear days and between the hours of 10 and 2 o'clock.
Rooms open from 8 A. M. until 5 P. M.
March 13, 1855.

CASH MUSIC AND PIANO STORE
OF
HORACE WATERS,
No. 333 Broadway, New York.
OPPOSITION TO MONOPOLY.
Music at Greatly Reduced Rates.
NOTWITHSTANDING the combination of music dealers to keep up the prices of native compositions, against the interests of native composers, and their refusal to extend to Mr. Waters the courtesies of the trade, he is making immense sales—having abundant evidence, that he has public countenance and support, in his opposition to the GREAT MONOPOLY, and in his efforts to aid NATIVE TALENT, and to adopt the NATIONAL CURRENCY. His stock of American and European music is immense, and the catalogue of his own publications is one of the largest and best selected in the United States. He has also made a GREAT IMPROVEMENT in the prices of PIANOS, MELODEONS and MEDICAL INSTRUMENTS of all kinds. Superior toned 61 octave pianos for \$175, \$200 and \$225, interior of as good quality, and instruments as strong and as durable as those which cost \$500. Pianos of every variety of style and price up to \$1000, comprising those of six different manufacturers; among them the celebrated modern improved Horace Waters' Pianos and the first premium FOLIAS Pianos of T. GILBERT & Co's make, (winners of the Eolian patent.) SECOND-HAND PIANOS at great bargains. Prices from \$40 to \$150.—MELODEONS from five different manufacturers, including the well known S. D. & H. W. Stern's melodeons. (Immel the equal temperament.) the best made in the United States. Prices \$45, \$60, \$75, \$100, \$115, \$125, \$135, and \$150. Smith's Double Bass Melodeons, \$200. Each Piano and Melodeon guaranteed. The best terms to the trade, schools, &c.; 12 1/2 per cent. discount to clergymen and churches. All orders promptly attended to. Music sent to all parts of the country, post-paid, at the reduced rates. General Catalogues and schedule of prices of Pianos forwarded to any address free of charge.
February 13, 1855-3m

MILWOOD ACADEMY,
Shade Gap, Huntingdon County, Pa.
THE next session of this well known Institution will open the 1st Wednesday of May, it is located at Shade Gap, on the Pennsylvania Railroad, from which place there is a daily line of stages.
Being situated in the country, it is removed from all the vices and dissipation of the city.
The buildings are large, airy and commodious, capable of accommodating some 50 boarders, those who cannot be accommodated in the Institution, can obtain good boarding in the neighborhood at about \$1.50 per week.
Terms—\$50 per session of five months payable quarterly in advance, washing, 50 cents per dozen. Light and Fuel extra, for further particulars, address
W. H. WOOD, Principal,
The Principals will be at Easton Pa., until the 1st of April, after that time Shade Gap, Huntingdon county, Pa.
Feb. 13, 1855.—3m.

GEO. GWIN.

FEMALE LIBRARY ASSOCIATION.
THE library will be open every Saturday afternoon, at 3 o'clock, in their room in the Court House. Subscription 50 cents a year.—New books have been added to the former excellent collection—"Fanny Fern's" popular writings, "Bayard Taylor's" &c. The further patronage of the public will enable the collection to be still more extended.
By order of the President.
Huntingdon, Jan. 22 1855.

NEW STAGE LINE.
THE subscriber would respectfully inform the traveling public that he is now running a line of Hacks from Mt. Union to Harrisburg, as follows: From Harrisburg to Mt. Union and back again, every day, intersecting the Chambersburg line at Harrisburg.
Passengers wishing to go to Shade Gap, or any other place, will be taken on without delay.
His Hacks are good and comfortable, and he is determined to have none but good and steady drivers; in a word, his desire is to carry passengers in comfort and safety.
JAMES S. BURKETT.

MATCHES! MATCHES!! MATCHES!!!
JOHN DONNELLY,
MANUFACTURER AND INVENTOR OF SAFETY PATENT SQUARE UPRIGHT WOOD BOX MATCHES.
No. 106 North FOURTH Street (above Race) PHILADELPHIA.
MATCHES being one of the indispensable articles in housekeeping, the subscriber after a great sacrifice of time and money is enabled to offer to the Public an article at once combining the advantages of the most excellent, and especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men, the most excellent, talented and brilliant intellect, who might otherwise have entered listening sonnets with the thunders of eloquence, or waked to ecstasy the living lyre, may call with full confidence.
Matched Persons,
or those contemplating marriage, being aware of physical weakness, should immediately consult Dr. J., and be restored to perfect health.
Dr. Johnston,
office No. 7 South Frederick St., seven doors from Baltimore Street, Philadelphia.
Particular in obtaining the name and number of your wife or husband, and in the highest terms of approbation, and have pronounced them the only safe rods in use in this or any other country, for the protection of Lives and Property. One advantage is to divide and throw back the electric fluid harmless to the clouds; in time of a stroke this enables the rod to conduct that portion of fluid that belongs to the earth without the slightest danger of leaving the conductor. This rod has many other advantages over the old one. The only place of manufacture is in Philadelphia, and is sold in the highest terms of approbation, and have pronounced them the only safe rods in use in this or any other country, for the protection of Lives and Property. This rod has many other advantages over the old one. The only place of manufacture is in Philadelphia, and is sold in the highest terms of approbation, and have pronounced them the only safe rods in use in this or any other country, for the protection of Lives and Property. One advantage is to divide and throw back the electric fluid harmless to the clouds; in time of a stroke this enables the rod to conduct that portion of fluid that belongs to the earth without the slightest danger of leaving the conductor. This rod has many other advantages over the old one. The only place of manufacture is in Philadelphia, and is sold in the highest terms of approbation, and have pronounced them the only safe rods in use in this or any other country, for the protection of Lives and Property.
