## HYGEANA.

Brought Home to the Door of the Million.

A WONDERFUL DISCOVERY has recent. Aly been made by Dr. Cartis, of this city, in the treatment of Consumption, Asthma and all diseases of the Lung. We refer to "Dr. Cartis Hygeans, or Inhaling Hygean Vapor and Cherry Syrup." With this new method Dr. C. has restored many afflicted ones to perfect health; as an evidence of which he has innumerable certificates. Speaking of the treatment, a physician remarks: It is evident that inhaling—constantly breathing an agreeable, healing vapor, the medicinal properties must come in direct contact with the whole of the arial cavity of the lungs, and thus escape the many and varied changes produced upon them when introduced into the stomach, and subjected to the process of digestion. The Hygeana is for sale at all the drugsits' thoughout the contant of Jan. 14.

The Inhaler is worn on the breast under the lient without the least inconvenience—the heat of the body being sufficient to evaporate the fault.
