REV. I. W. WARD, Principal. March 27, 1855-56.

RHODES' FEVER AND AGUE CURE, OR: NATURE'S INFALLIBLE SPECIFIC.

FOR THE PREVENTION AND CURE OF INTERMITTENT AND REMITTANT FEVERS, FEVER AND AGUE, CHILLS AND FEVER, DUMB AGUE, GENERAL DEBILITY, NIGHT SWEATS, and all other forms of MALARIA.

THE proprietor distinctly claims these extraordinary results from the use of this NATURAL ANTIDOTE TO MALARIA.

It will entirely protect any resident or traveler from the most insidious and deadly malarial fevers, or any Ague, or Bilious disease, whatever, of any injury from constantly inhaling Malaria.

It will instantly check the Ague in persons who have suffered for any length of time, from one day to twenty years, but that they never have another chill, by continuing its use according to directions.

It will immediately relieve all distressing results of Bilious or Ague diseases, such as general debility, night sweats, &c. The patient at once begins to recover appetite and strength, and continues until a permanent and radical cure is effected.

Finally, its use will banish Fever and Ague from families and all classes. Farmers and laboring men by adopting it as a preventive will be free from Ague or Bilious attacks in that season of the year which, while it is the most sickly, is the most valuable one to them.

AGENTS—In Huntingdon, Thomas Read & Son, and for sale by dealers generally. March 20, 1855-56.

HYGEANA.

Brought Home to the Door of the Million. A WONDERFUL DISCOVERY has recently been made by Dr. Curtis, of this city, in the treatment of Consumption, Asthma, and all diseases of the Lung.

It is a simple and safe remedy, and is constantly breathing an agreeable, healing vapor, the medicinal properties must come in direct contact with the whole of the arial cavity of the lungs, and thus escape the many varied obstructions produced by the introduction of the inhalant, and subjected to the various degrees of digestion.

THE Inhaler is worn on the breast under the linen without the least inconvenience—the heat of the body being sufficient to evaporate the fluid.

Hundreds of CASES of CURES like the following might be named. One Package of Hygeana has cured me of the ASTHMA of six years standing.

Price Three Dollars a Package.—Sold by CURTIS & PERKINS and BOYD & PAUL, No. 149 Chambers St., N. Y.—4 packages sent gratis to express to any part of the United States for Ten Dollars.

N. B.—Dr. Curtis' Hygeana is the ORIGINAL AND ONLY GENUINE ARTICLE, all others are base imitations or vile and INJURIOUS counterfeits. Shun them as you would poison.

Sold by RUSSELL & SCHOTT, No. 133 Market Street, Philadelphia, who will sell by the dozen at Proprietors rates. Sept. 20, 1854-55.

GREATEST MEDICAL DISCOVERY OF THE AGE.

Dr. Kennedy, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures EVERY KIND OF HUMOR, the worst scrofula down to a common pimple.

He has tried it in over 1100 cases, and never failed except in two cases, (both thunder humor.) He has now in his possession over two hundred certificates of its virtue, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore on the breast, and a sore on the face.

One to three bottles will cure the worst kind of Pimples on the face.

Two to three bottles are warranted to cure the worst case of Erysipelas.

One to two bottles are warranted to cure all humors in the Eyes.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly eruption of the skin.

Two to three bottles are warranted to cure the worst case of Gonorrhoea.

Two to three bottles are warranted to cure the most desperate case of rheumatism.

Three to four bottles are warranted to cure the salt rheum.

Five to eight bottles will cure the worst case of Scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Reader, I peddled over a thousand bottles of this medicine, and have no hesitation in saying that it is not only the best that I have ever seen, but that it is the only one I have yet examined that is constructed on strictly scientific principles.

ARMITAGE'S Electro-Magnet Lightning Rods.

AFTER many years' close investigation and numerous experiments, the Patentee takes pleasure in informing the public that he has arrived at the true principle of protecting families, dwellings and property from the destructive influence of Lightning.

Every City, Town, Village and Country falls victim to annually, through the gross negligence of its inhabitants, is beyond calculation, especially when the remedy is so easy to obtain—this is found in Armitage's Patent Magnetic Lightning Rods, and in this alone.

This Rod has been examined by the most scientific gentlemen in the world—Professors McMurtrie, Johnson and Wallcut, and they have all examined them, and recommended and speak of them in the highest terms of approbation, and have pronounced them the only safe rods in use in this or any other country, for the protection of Lives and Property.

One advantage is to divide and throw the electric fluid harmless to the clouds; in time of a stroke this enables the rod to conduct that portion of fluid that belongs to the earth without the slightest danger of leaving the conductor.

This rod has many other advantages over the old one. The only place of manufacturing is in

Vine St. 3 doors above Twelfth, Philadelphia, where all persons are respectfully invited to call and examine for themselves. For Sale Wholesale and Retail, by THOS. ARMITAGE.

Orders promptly attended to. Terms cash.

Recommendations. PHILADELPHIA, Aug. 13, 1847.

I have this day carefully inspected a conductor or Lightning Rod, with vane and index, erected by Mr. Thomas Armitage, on Bellevue House, Gloucester, and have no hesitation in saying that it is not only the best that I have ever seen, but that it is the only one I have yet examined that is constructed on strictly scientific principles.
