GREATEST MEDICAL DISCOVERY OF THE AGE.

Dr. Kennedy, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures EVERY KIND OF HUMOR.

He has tried it in over 1100 cases, and never failed except in two cases, (both thurber humors).

Two bottles are warranted to cure a nursing sore throat, or a sore throat, or a sore throat.

Two bottles are warranted to cure the worst case of Erysipelas.

Two bottles are warranted to cure all humors in the eyes.

Two bottles are warranted to cure the eruptions and blotches among the hair.

One bottle will cure sealy eruptions of the skin.

Two to three bottles are warranted to cure the worst case of Rheumatism.

Three to four bottles are warranted to cure the salt rheum.

Five to eight bottles will cure the worst case of Gonorrhoea.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Head, I published over a thousand bottles of this medicine in 1854, and I know the effect of it in every case.

In my own practice I always kept strictly for medicinal purposes.

Several cases of epidemic disease—a disease which was never considered incurable, have been cured by the use of a few bottles of this medicine.

I know of several cases of Dropsy, all of whom aged people cured by it.

For the various diseases of the Liver, Stomach, Dyspepsia, Asthma, Fever and Ague, Pain in the Side, Diseases of the Spine, and particularly in diseases of the Kidneys, &c., the discovery has done more good than any medicine ever known.

Change of diet over necessary—eat the best you can get, and eat of it.

Directions for Use:—Adults one table spoonful per day—Children over ten years double spoonful—Children from five to eight years, one spoonful.

For sale by G. W. Brehman, McVeytown; Mrs. Mary Marks, Lewisstown; T. Reed & Son, Huntingdon.

For sale by Agents generally, May 2, 1855.
