

Wednesday Morning, September 12, 1855.

WILLIAM BREWSTER, EDITOR. SAM. G. WHITTAKER, EDITOR.

The "JOURNAL" has 300 Subscribers more than any other paper in this county.

Agents for the Journal.

The following persons we have appointed Agents for the HUNTINGDON JOURNAL, who are authorized to receive and receipt for money paid on subscription, and to take the names of new subscribers at our published prices.

The News from Europe.

The intelligence brought by the last steamer from Europe, is not of that exciting and interesting character which was generally anticipated.

Married.

On the 6th inst, by the Rev. S. H. Reid, Mr. Charles H. Bailey, to Miss. Phoebe Purdy near Water Street.

PHILADELPHIA MARKETS.

Flour has been quite active, and 6/7000 barrels standard and good straight brands have been taken for export at \$7.50, including some small lots at \$7.37, and extra at \$7.50.

The Yellow Fever.

There appears to be no abatement of this terrible scourge at the South. Hundreds have already fallen victims to the dreadful plague, and the accounts still being received are by no means indicative of any change for the better.

Monsieur Tonson come Again.

The little croaker of this borough, with remarkable condensation "hauls with delight another American paper."

Bachelor's Fare.

We have noticed for some time in the Shilohsberg Herald, a writer under the signature "Fannie."

Crowded Out.

We are again compelled to crowd out a number of communications intended for last week's paper. We are sorry for this, but it is unavoidable. Wait a little longer.

The Little Croaker.

The two hundred and ten readers of the Huntingdon American, printed and published in this borough, are treated to a conglomerated hash of suspicious rhetoric.

OUR BOOK TABLE.

Graham's Magazine for September, a real gem, is before us. This magazine is unsurpassable, and one of our particular favorites.

The August number has also been received, and is magnificent. The genuine worth of Graham can only be realized by a perusal of its pages. \$3 per year.

The Farm Journal for September is on our table. It is the most useful work for the farmer, published. Only one dollar a year.

We have received Dr. Hunter's "Medical Specialist," and Journal of Diseases of the Chest. This periodical is intended for circulation among all classes of readers, and will be published on the 1st of every month at \$1 per annum.

Coming—The Circus.

Frederick—Fever and Ague.

The borough "parents" are having our streets thoroughly repaired.

A man was shot in Philadelphia last week, by a bar-keeper named Dorand.

There is a camp meeting going on at present in Cromwell township, this county.

A man named Joseph Woodcock, residing in Clay township, was killed by a fall from his horse, near Sidling Hill Gap, on Friday.

Almost an Accident—A train on the Broad Top R. R. ran over a twig last week, and the Globe has half a column about it. Oh Peter!

A Good Time—"The picnicers" at Mill Creek on Thursday last, had a fine time. We are informed that some five hundred persons were present. The Altoona Brass Band enlivened the affair with fine music.

AYER'S PILLS.

The Greatest Medical Discovery of the Age is AYER'S CATHARTIC PILLS.

They don't help complaints, but they cure them. One Box has cured Dyspepsia. Three Boxes have cured the worst cases of Scrofula. Two Boxes have cured Erysipelas. Three Boxes are sure to cleanse the system from Bells—often less than one does it. Two Boxes have completely cured the worst of ulcers on the legs. Small doses seldom fail to cure the Piles. One dose cures the headache arising from a foul stomach. Strong doses often repeated expel every worm from the body. They should be given to children, who are always more or less afflicted with this scourge. As a gentle physic they have no equal. One Box cures derangement of the Liver. Half a Box cures a Cold. They purify the blood, and thus strike at the foundation of every disease. As a Dinner Pill there is not their equal in the world. They are purely vegetable, and can do no harm, but do completely an unaccountable amount of good. Prepared by DR. J. C. AYER, Lowell, Mass, and sold by every respectable Druggist in New England.

BALTIMORE LOCK HOSPITAL.

Where may be obtained the most speedy remedy for

SECRET DISEASES.—Gleets Strictures, Seminal Weakness, Pain in the Loins, Affections of the Kidneys, and all those peculiar affections arising from a secret habit, particularly the youth of the country, who are afflicted with this constitutional disease, rendering marriage impossible, and in the end destroys both Mind and Body.

Young Men, especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to the grave thousands of the youth of our country, who are gifted with talents and brilliant intellect, who might otherwise have entered the lists of the great, and who are now, in the prime of life, and in the enjoyment of the most exalted honors, are the victims of this fatal disease. Dr. Johnston, member of the Royal College of Surgeons, London, graduate from one of the most eminent Colleges of the United States, and the greater part of whose life has been spent in the Hospitals of London, Paris, Philadelphia, and elsewhere, has effected some of the most successful cures that were ever known, many troubled with ringing in the ears and head when asleep, great nervousness, being alarmed at sudden sounds, and bashfulness, with frequent blushing attended sometimes with derangement of mind, cured immediately.

A CERTAIN DISEASE.—It is a melancholy fact that thousands fall victims to this horrid disease owing to the unskillfulness of ignorant pretenders who by the use of that deadly poison Mercury, ruin the health of thousands, and in the most distressing cases, render marriage impossible, and in the end destroys both mind and body.

What a pity that a young man, the hope of his country, and the darling of his parents should be snatched from all prospects and enjoyments of life by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons before contemplating Marriage, should reflect that a sound mind and a healthy body are the most necessary requisites to promote conjugal happiness. Indeed without these, the journey through life becomes a weary pilgrimage, the prospect hourly darkens to the view; the system is debilitated, and the mind is rendered melancholy and morose, and the happiness of another becomes blighted with its own.

CONSTITUTIONAL DEBILITY.—Dr. J. addresses young men, and all who have injured themselves by private and improper indulgence. These are some of the sad and melancholy effects produced by early habits of youth, viz Weakness of the Back and Limbs, Pains in the head, Dimness of Sight, Loss of Muscular power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility Symptoms of Consumption, &c.

MENTALLY.—The fearful effects on the mind are much to be dreaded; Loss of memory, Confusion of ideas, Depression of Spirit, Evil Fancies, Aversion to Society, Self Distrust, Love of Solitude, &c., are some of the evils produced.

Thousands of persons of all ages, can now judge what is the cause of their declining health. Losing their vigor, becoming weak, pale and emaciated, having singular appearances about the eyes, tongue and symptoms of consumption.

Married persons, or those contemplating marriage, being aware of physical weakness, should immediately consult Dr. J. and be restored to perfect health. Office, No. 7, South Frederick-Str., Baltimore, Md.

ALL SURGICAL OPERATIONS PERFORMED.—N. B. Let no false delicacy prevent you, but apply immediately either personally or by letter.

Skin Diseases Speedily Cured.—To STRANGERS.—The many thousands cured at this Institution within the last ten years, and the numerous important Surgical Operations performed by Dr. J., witnessed by the Reporters of the papers, and many other persons, notices of which are appended again and again, before the public, is a sufficient guarantee that the afflicted will find a skillful and honorable physician.

As there are so many ignorant and worthless quacks advertising themselves as Physicians, ruining the health of the afflicted Dr. Johnston would say to those unacquainted with his reputation that his Credentials or Diplomas always hang in his office.

Weakness of the organs immediately cured, and full vigor restored.—Remedies sent by mail. All letters post paid.—Remedies sent by mail. May 29, 1855.—1y.
