THE FLUID EXTRACT BUCHU

Recommendations.

Recommendations. Purpara. Aug. 13, 1847. I have this day carefully impected a conductor or Lightning Rod, with vane and index, erected y Mr. Thomas Armitage, on Belleven House, Sloncester, and have no hesitation in saying that is not only the best that I have ever seen, but hat it is the only one I have yet examined that sconstructed on strictly vientific principles. It with much pleasure that I recommend this onductor to the attention of owners of buildings. Have buildings and the set of the set of

^c that is it is only one I have yet examined that is constructed on attrictly vientific principles. It is construct to the attention of owners of houldings, is conductor to the attention of owners of houldings. H. McMURTHEE. I am well satisfied that that Magnetic Lightring Rod, manufactured by Mr. Thomas Armitage, of Philadelphia, is the best that has ever been made l have spent several years in the study of the laws of the several years in the study of the laws in the only principle of safetr, Thomestructured upon the only principle of safetr, Thomestructured in the only principle of safetr, Thomestructured according to the laws of attraction and repulsion, for a building to be injured by a stroke of light-ing when protected by one of these rols. I have been acquainted with Mr. Armitage for sev-eral years, and before he commenced the manu-facture of these rols I examined the principle on which they are constructed, and dit convinced that their adoption would be attended will com-ing when protected by one of these rols. I have been acquainted, and fit convinced that their adoption would be attended will com-fict success. The increasing demand for these rols, and the Extensive sales in all parts of the contary, is ample commendation of their suffity and superiority. The following extra its taken from an editori-al in the *Groups* and parts generally. It is put on transers and readers generally. It is put on transers and readers generally. It is put on transers and readers generally. It is put our farmers and readers generally. It is have been acceptivel, as we have been, should have been acceptivel, as we have been, should have been deceptivel, as we have been, should have been advecti

to the community, by thus inviting to it general attention."
 PHILADELFITA, Dec. 4, 1852.
 Mr. T. AMATTAGE, Yine Street, west of Twelfth Street, Philadelphia.
 Mr DEAR STR: After a trial of many weeks, it affords me great pleasure to inform you that I By by high finded pict. A standard street is a statistical protocol protect property from destraction by lightning as onn as the advantages of your atrangements are understood, I am convinced that two protects in your strengthesis. Just Statistical Strengthesis and the statistical protect property from destraction by lightning as onn as the advantages of your atrangements are understood, I am convinced that two protects in your entry for the protection afforded by your rods.
