RECOMMENDATIONS. I have this day carefully inspected a conductor or Lightning Rod, with vane and index, erected by Mr. Thomas Armitage, on Bellevue House, Gloucester, and have no hesitation in saying that it is not only the best I have ever seen, but that it is the only one I have yet examined that is constructed on strictly scientific principles. It is with much pleasure that I recommend this conductor to the attention of owners of buildings.

Four fifths of all the diseases which men and women are cured by Ayer's Cathartic Pills, if taken in season. Don't go dragging through the Spring, faint sleep and listless, because your blood is loaded with impurities. Don't wear the head-ache, heart-ache, and other kindred disorders, because your stomach is full. Don't parade yourself around the world, covered with Pimples, blotches, Ulcers, Sores and all or any of the noxious diseases of the skin, because your system wants cleansing. Don't show yourself about, lean, haggard, all caved in, because your stomach and bowels need strengthening into healthy action.

EVIDENCE OF SAFETY. "I have made a chemical examination of Rhodes' Fever and Ague Cure," or Antidote to Malaria, and have tested it for Kresnic, Mercury, Quinine, and Strychine, but have not found a particle of either in it, nor have I found any substance in its composition that would prevent its use in the most delicate cases.

EVIDENCE OF MERIT. Rhodes' Fever and Ague Cure, or Antidote to Malaria, was sent me daily received on the 11th of April. I have sold about one half of it, and so far the people who have used it, and six of those were of long standing; my sister, who had it five or six years back, and could never get it stopped, except by Quinine, and that only as long as she would take, is now, I think, entirely cured by your remedy.

CAUTION TO AGUE SUFFERERS. Take no more Arsenic, Tonics, Mercury, Quinine, Febrifuges, or Anti-Periodics, of any kind. The well-known inefficiency of these noxious poisons proves them to be the offspring of false medical principles, or of mercenary quacks. The only remedy in existence that is both pure and harmless is RHODES' FEVER AND AGUE CURE.

AGENTS.—In Huntingdon, THOS. READ & SON, and for sale by dealers generally. March 20, 1855-17.

BLANKS.—Always have your Blanks at the "Journal Office." We have now prepared a very superior article of BLANK DEEDS, BONDS, JUDGMENT NOTES, SUMMONS, EXECUTIONS, &c.
