dwellings and property from the destructive influence of Lightning. The calamities that
every City, Town, Villago and Country falls victim to annually, through the gross negligence of
its inhabitants, is beyond calculation, especially
when the remedy is so easy to obtain—this is
found in Armitiage's Patent Magnetic
Lightning Rods, and in this slone. This
Rod has been examined by the most scientific united the search and in this alone. This Rod has been examined by the most scientific gentlemen in the world Professors M'Marrie, Johnson, Wallor and Professors M'Marrie, amined them, recommend and speak of them in the highest terms of approbation, and have pronounced time only safe role in use in this or any other, concerning the protection of Lives and Property. One advantage is to divide and throw back part of the electric fluid harmless to the clouds; in time of a stroke this conables the rod to conduct that portion of daid that belongs to the earth without the slightest dancer of leaving the centre without the slightest dancer of leaving te earth without the slightest danger of leaving to conductor.
