HOOVER SON at His Post!

THIS undersigned, now engaged in putting up
Armitage's Electric Lightning Rods, in

spectfully call the attention of the intelligent pub-
lic to the great superiority of this Patent, at a
season like this, when accidents to property and
life almost daily occur, it is a dictate of human-
ity, as well as interest, to make use of the best
means of security in our power, for though the
Lightning be in the hands of Him who rules the
storm, His protection and blessing are always
concurrent with our own efforts.

PHILADELPHIA ADVERTISEMENTS.

31 000—SOLD IN TWO DAYS—Triumph
Complete!—Why is it that the Ex-Governor
of Maryland, also the President of one of the
Banks at Frederick City, urged the Doctors here
to procure it? Why has a large cash order
just been received from such men as Messrs. Peet
& Stevens, wholesale Druggists of Alexandria,
Va., and by the very next mail, an order, (the
third time in four weeks) from Mr. Pierpont,
and from Messrs. Cook & Co., of same place,
and by the very same mail a fourth order from
Messrs. Hopper & Wilmer of Centerville, Md.,
(where a short time since such an excitement
sprang up from some remarkable cures made
there by Prof. C. McGrath's (genuine) Electric
Oil, from 39 South Eighth Street, Philadel-
phia, a few doors above Chesnut street? How
is it that the editor of Erie Observer, was cured
in two days of rheumatism in his back of
three years' duration; and Mr. Brady, of Har-
rington of Paralysis? Why and how was it that
the other day Mr. George Weis, 227 Eger street
Baltimore, two doors from St. James' church,
was cured of palsied hand of long standing;
also the Editor of a paper in Philadelphia, cured
of spinal curvature, and another of Protrusion
of the Cervical vertebrae? Ask them, Why do
such men as Messrs. G. N. & W. H. Williams,
wholesale Druggists, of Syracuse N. Y., write,
August 30th, that "your Electric Oil pro-
duces more beneficial than any other prepara-
tions we have ever heard of." &c.
Yours, G. N. & W. H. WILLIAMS.
Why has Joseph Osborn, Esq., of Auburn,
written, now the third time, that "Prof. De-
Grath's Oil, is doing very fast, and making
great cures never before accomplished here?"
Why did John Rux, Esq., send, the 24th inst., a
gold dollar in a letter from Double Bridge,
Va., for a bottle, on the recommendation
of Wm. Thomas Armitage, Esq., of the same place,
who got some short time since for the Gout,
and was cured? Why is it that every one speaks
of it as "a wonderful curative," and is this not
the real cause of more selling at retail, in Phila-
delphia alone, than sold of Dr. J. McGrath's medi-
cines, active of all the other medicines? That a
Physician of large practice used it on the pa-
ralysed limbs of his boy, after using everything
else? Simply because the genuine "Electric Oil"
of Prof. DeGrath, effectually cures paralysis, and
making great cures never before accomplished here?
over \$500 has been sold in Washington, D. C.,
during about six weeks, and over \$1000 worth
in Baltimore in the same time? Why do Messrs.
Morris & Co., of York Pa., (one of the finest
Drug stores in the State), and John Weich,
Esq., of Harrisburg, Pa., sell so much, when they
have any quantity of all sorts of other medi-
cines right by the side of the "Electric Oil"?
Simply because nothing else will answer
the purpose of Dr. DeGrath's Oil. The skepti-
cal and the numerous cases of almost hopeless
patients, if anything could be more agreeable
in use, or more effectual in its results—some at
last having expended hundreds of dollars on va-
rious former treatments, with nothing but dis-
appointment and despair for their trouble. Why
is it that other medicines have advertisements
piled up column high, in all the papers while
Professor DeGrath's "Electric Oil" is only no-
ticed at a single expense not to exceed \$15 to
\$20 in a day? Why is it that Physicians are
daily employed in the office, applying the (genu-
ine) "Electric Oil" to patients afflicted with
Tetter, Palsy (and it is warranted for this)—
Rheumatism, Neuralgia, Headache, Old Sores
and Ulcers, Sprains, Stings, Burns and Inju-
ries, Sore Breast and skin; also all kinds of
painful complaints. Although a cure is war-
ranted, yet not more than one bottle has been
returned; and that was a case of total con-
tracture and paralysis of the arm. Of course na-
ture could not restore such a case, with what-
ever help.

tendance and ladies may, if they desire it consult

delphia.

ARMITAGE'S

Electro-Magnet Lightning Rods.

AFTER many years' close investigation and
numerous experiments, the Patentee takes
pleasure in informing the public that he has
arrived at the true principles of protecting families,
dwellings and property from the destructive in-
fluence of Lightning. The calamities that visit
every City, Town, Village and Country fall vic-
tim to annually, through the gross negligence of
the inhabitants, in beyond calculation, especially
when the remedy is so easy to obtain—this is
found in Armitage's Patent Magnetic
Lightning Rods, and in this alone. This
Rod has been examined by the most scientific
gentlemen in the world—Professors M'Murrie,
Johnson, Wallor and many others that have ex-
amined them, recommend and speak of them in
the highest terms of approbation, and have pro-
nounced them the only safe rods in use in this or
any other country, for the protection of Lives and
Property. One advantage of this Rod is, and
back a part of the electric fluid harmless to the
clouds; in time of a stroke this enables the rod
to conduct that portion of fluid that belongs to
the earth without the slightest danger of leaving
the conductor. This Rod has many other ad-
vantages over the old one. The only place of man-
ufacturing is in
Vine St. 3 doors above Twelfth, Philadelphia,
where all persons are respectfully invited to call
and examine for themselves. For sale Whole-
sale and Retail, at A. T. H. ARMITAGE.
Orders promptly attended to. Terms cash.

Recommendations.

PHILADELPHIA, Aug. 13, 1847.

I have this day carefully inspected a conductor
of Lightning Rod, with vane and index, erected
by Mr. Thomas Armitage, on Bellevue House,
Gloucester, and have no hesitation in saying that
it is not only the best that I have ever seen, but
that it is the only one I have yet examined that
is constructed on strictly scientific principles. It
is, with much pleasure, I would recommend this
conductor to the attention of owners of buildings.
H. MCMURRIE.

I am well satisfied that the Magnetic Lightning
Rod, manufactured by Mr. Thomas Armitage, of
Philadelphia, is the best that has ever been made.
I have spent several years in the study of the laws
of electricity and magnetism, and have no hesita-
tion in saying that these Rods are constructed
upon the only principle of safety. The electric
fluid is received and dispersed by the magnet at
the top of the rod, and it would be impossible,
according to the laws of attraction and repulsion,
for a building to be injured by a stroke of light-
ning when protected by one of these rods. I
have been acquainted with Mr. Armitage for sev-
eral years, and believe that he is a rod that has
been constructed with the most perfect knowl-
edge of the laws of electricity and magnetism, and
that their adoption would be attended with com-
plete success. The increasing demand for these
conductors, and the desire of all parts of the
country, is ample commendation of their utility
and superiority.

TRACY E. WALLER, M. D.

The following extract from an editorial in
the *Germanen Telegraph*, edited by Major
FRIAS—
"The bogus rod placed upon our dwelling
we have taken down; and another erected by Mr.
ARMITAGE, to which we would call the attention
of our true scientific readers generally. It is put
up on true scientific principles, and has been ap-
proved by the highest authority, and will bear
the most thorough examination. Those who have
been deceived, as we have been, should have
time in hand when a proper protection against
lightning, substituted. Of course nature could
not restore such a case, with whatever help."

Gleets, Weaknesses, and all diseases of
the Sexual Organs.
Whether in Male or Female,
from whatever cause they may have originated
and no matter of how long standing, it is
cured by this.
If you have contracted a terrible disease,
which, when once seated in the system, will go
down from one generation to another, undermin-
ing the constitution and snatching the very vital
fluids of life, do not trust yourself in the hands
of Quacks, who start up every day in a city like
this, and fill the papers with glaring falsehoods
not well calculated to deceive the young and those
not acquainted with their tricks. You cannot be
too careful in the selection of a remedy in
these cases.
THE FLUID EXTRACT BUCHU
has been pronounced by eminent physicians
THE GREATEST REMEDY EVER
KNOWN.
It is a medicine perfectly pleasant in its taste
and very innocent in its action, and yet so thor-
ough that it annihilates every particle
of the rank and poisonous virus of this dreadful
disease; and, unlike other remedies it does not
dry up the disease in the blood.
Constitutional Debility.
brought on by self-abuse, is a most terrible dis-
ease, which has brought thousands of the hu-
man race to untimely graves, thus blasting the
brilliant hopes of parents, and blighting in the
bud the glorious ambition of many a noble
youth, can be cured by this.
As a medicine which must benefit everybody

AYER'S PILLS.

GOOD MEDICINES.
It is estimated that Ayer's Cherry Pectoral and
Cathartic Pills have done more to promote the
public health, than any other one cause. There
can be no question that the Cherry Pectoral has
by its thousand on thousand cures of Colds,
Coughs, Asthma, Croup, Influenza, Bronchitis,
&c., very much reduced the mortality resulting
from consumptive diseases in this country. The
Pills are as good as the Pectoral and will cure
more complaints.
Everybody needs more or less purging. Purge
the blood from its impurities. Cleanse the bowels,
Liver and the whole visceral system from ob-
structions. Purge out the diseases which fester on
the body, to work its decay. But for diseases,
we should only of old age. Take antiloves
early and thrust the system before it is
yet too strong to yield.

fulous, Pimples, Skin Diseases, Rheumatism,
