CHEAP LANDS! BY MUTUAL ASSOCIATION.

A HOME FOR ALL FOR ONE DOLLAR! SHARES \$3. Quarter SHARES \$1. THE Directors of the Great North Western Mutual Land Agency, elected by the Shareholders of their respective towns, Jan 1st 1856: F. H. Beaubien, Ottawa city, C. W. Walton, H. Draper, New York, H. P. Patterson, Springfield, Ill., W. W. Peterson, Richmond, Va., W. W. Hill, respectively announce that in accordance with the vote of a large majority of the stockholders, received by letter in answer to their first circular and report, that they will distribute on the

FIRST DAY OF MAY 1856.

Among the shareholders of the Association, \$125,000 IN LANDS AND CASH. Comprising 42 fine farms, worth from \$500 to \$30,000 each, 100,000 town lots in promising towns, 30,000 acres choice Western lands, as follows: 1 Farm of 320 acres, with orchard and good buildings, within one mile of Chicago, \$30,000. 1 Farm, 150 acres, in Rock county, Wis., with young orchard, fair buildings, and a well, \$20,000. 2 Farms in Illinois, each \$10,000, \$4,000. 2 " " Indiana, " 600, 1,500. 2 " " Missouri, " 500, 1,200. 100 town lots in the above States, 5,000. 20,000 acres choice wild lands, 30,000. 10,000 acres prairie lands in Iowa and Minnesota, being entered.

Such is the increased value of these lands that purchasers stand ready to pay cash, within 30 percent of their valuation, for any of the prizes over \$100. And smaller prizes will be taken at their value, in payment for stock in the next annual distribution.

Persons who have received the books, papers, registers and titles to the lands, have visited most of the farms, and find everything correct and satisfactory—much beyond their most sanguine expectations. They therefore without hesitation, recommend the association to all who may desire a home in the West, and to those seeking profitable investments. Where a few dollars now invested may tell largely in the future, in stock or real estate.

Any person may become a member of the association, and joint owner of the property, entitled to distribution, on the purchase of one or more shares or quarter shares. Every share must be paid for in cash, and the name of the registered and will draw its proportion of the property by its Number in whole or quarter tracts. There being a limited number of shares yet unsold, agents are wanted in every town in the United States, to sell stock and land Warrants, and to report extraordinary chances for investment. A good percentage will be allowed. Bookkeepers and newsmen are particularly requested to act as agents. Land Warrants are issued by the association at the rate of \$1.25 per acre, in stock or the market price in cash. The more funds received the more land there will be to divide, as every dollar now received by the Directors will be invested for the benefit of the association. Agents will be allowed on sales, and purchasers and circulars will be duly forwarded. Directors will remain to direct the business, and any money received too late to buy shares will be immediately returned by mail. Agents who are desirous of being selected, should write their names and address as plain as possible, and the numbers of stock and when sold. The result of the distribution will be reported to each shareholder by mail.

To secure stock you have only to enclose the money at the rate of \$3 per share, and \$1 each per quarter share, in current money, at our risk, directed to LELAND, BARNES & CO., Box 852, Chicago, Ill., and the shares will be issued by return of mail.

1000 LAND WARRANTS WANTED. We will pay the highest cash prices, in shares or part in shares or all cash. We will locate Warrants on the most advantageous terms for parties desiring to sell, and will act as agents in every Land Office with plots of the best entered lands in the Union. This is a rare opportunity to persons holding Land Warrants in the Eastern States to have them located in the Western States, where rapid advancement is certain. It will only be necessary to transmit by mail or express your Warrants duly transferred and we will return the Shares or cash, by return of mail. Address by mail for Shares in the above Association, or for location of land warrants, etc., LELAND, BARNES & CO., Agents for N. W. Land Agency, Box 852, Chicago, Illinois.

N. B. Where parties prefer it, lands will be entered in their names, and taxes, etc., paid for them for an agreed period of the rise in value for periods of 3 or 5 years. At which time if preferred by them, their money will be returned with 12 per cent per annum interest in lieu of a title to the lands. L. B. & Co. Send in your orders at once. For further particulars of inquiry, should enclose a stamp for return postage.

Local Affairs.

THE ELECTION.—Contrary to all the expectations of the knowing ones of the borough, the election Friday last resulted in a distinctive, decisive and emphatic victory of Fusion over the American candidates. It may be considered as an open rebuke to the sly endorsement of the nomination of an ultra pro-slavery candidate for the Presidency. A rebuke open, manly, sincere, and emphatic, to the four or five petting blood-suckers, who presume to direct the course of Americanism, and who, considering themselves the heart and head of the American Party of Huntingdon County, declare their ratification of an ill-timed nomination, the voice of the free white men of this county. The people of the county we know, if they were properly acquainted with the Jesuitical principles of some of their would-be leaders, would not recognize certain worn-out party hacks in the Huntingdon Council, No. 67, as such. We despise party men who are such not from principle, but for self-glorification, if we may be permitted the term. And who will deny the self-evident fact, that scores of shabby office-seekers in this county, have mounted the hobby "Sam," for the sole purpose of riding into fat offices and as natural consequence now-a-days, squandering the public funds.

All the American candidates with the exception of School Directors, were defeated. We subjoin a list of the successful candidates. Judges.—Cap. John Whitaker, old line Whig. School Directors.—Wm. Rothrock, A. W. Benedict, Americans. Auditor.—A. L. Griffin, Localoco. Constable.—Wm. H. King, Localoco. Assessor.—John Colestock, do. Inspector.—Graf Miller, do.

TOO MANY SCHOOL BOOKS.—We saw a score of juveniles of both sexes, coming from School yesterday, and were astonished at the number of books the little creatures carried. One bright-eyed lad had them heaped up, like Dominic Sampson when he revelled in the library of Col. Manning. We believe that too many books are used; they only muddle the brain without profitable result, and make our schools too much on the Bliober order, as described by the inimitable Dickens in his "Domby"; "when poor Paul had spent out number two, he found he had no idea of number one; fragments whereof afterwards obliterated themselves into number three, which slid into number four, that in turn, grafted itself on number two. So that where twenty Romuluses made a Romulus, or his like hoc was wrought or a verb always agreed with an ancient Briton, or three times four was Taurus, a bull, were open questions with him."

BROAD TOP.—Another splendid new engine designed for the Huntingdon and Broad Top Railroad, arrived here on Monday.—The miners on Broad Top have "struck" for higher wages. The price they demand per ton, is 60 cents, they have been receiving 40 cents, and we understand they have been offered 45.—The town of Stonerstown, is decidedly a "fast institution," where the boys live. We are informed that on Monday, ten barrels of the "ridiculous Dulce Jones," landed there, and that it is no new occurrence.—The basin and weigh lock are approaching completion, but we are doubtful whether the latter will be finished by the opening of navigation.—A "turn-table" has been erected at the "cut" at McCahan's.—Coal is now carried over the road and the demand for it is very great.

MEETING.—We have been requested to announce that Mr. O. C. B. Carter will visit Huntingdon during the 2nd and 3rd weeks of April, with a large and elegant assortment of Pianos, Melodeons, Sheet Music, &c., &c., from the extensive Warehouses of J. E. Gould, 164 Chestnut St., Phil. He will exhibit his articles to visitors in the room formerly occupied as the Engineer's Office of the Broad Top R.R. His instruments being of the very best quality, we are confident will please the most fastidious. Mr. John Ptaszyk, a Pianist of rare ability will accompany him to treat the "good people" of Huntingdon to some excellent music. All are respectfully invited to come and hear and see for themselves.

"GAUDETE EXULTATE!"—We have no adjectives—positive, comparative or superlative—to express our satisfaction in announcing that spring has come at last, and that those immense hillocks of mud and garbage which have collected during the winter in our streets, blocking up the way, and incommoding the public generally, will be removed. We are living in the joyful anticipation that if we have a "bore" government, this matter will be attended to. In view of such bright prospects, we end as we began: "Gaudete Exultate!"

ST. PATRICK'S DAY IN THE MORNING.—A lovely day was the 17th, and the prophecies of rain were all unfulfilled. We venture the suggestion that as February had, this year, twenty-nine days, and St. Patrick did not recognize the institution of leap year, it being a modern invention, Sunday was the true St. Patrick's day, and consequently the snow that fell and the raw, lowering sky that hung over us, were the proper marks of his arrival. This being the case, the public will pardon the failure to celebrate the 17th of March with a rain or a snow storm.

REPUBLICAN MEETING.—A Republican meeting was held in this borough, on Monday evening last, for the purpose of electing delegates to represent the county in the Union State Convention, to meet in Harrisburg to-day. Sam. G. Whitaker was elected President, and J. S. Barr, Secretary. J. Sewell Stewart, Esq., was appointed Representative and J. Williamson, Esq., Senatorial delegate. After other business the meeting adjourned.

NEW CHURCH.—We understand that the German Reformed Congregation of this place, intend building a new church the coming summer.

POSTRY.—We publish a piece from a young friend, outside. It is not of that morbid, sickly, debilitated, whimpering, melancholy, sentimental young lady Muse stuff, "Ab-yssms," and "stars," and "primal depths," and "chaos voices," and "serial melodies," together with much shedding of tears, and wailing as of souls in purgatory, are the chief materials of which the poetry of the last fifteen years has been manufactured.

MEETINGS.—The quarterly meeting for the Huntingdon Circuit, will be held in the Court House on the 29th and 30th inst. Preaching on Saturday at 10 o'clock. Rev. J. Pottsal, P. E., will be present.

The quarterly meeting for Manor Hill circuit will be held at Wesley Chapel on the 5th and 6th of April.

ARREST.—The individual who stabbed the colored man Brutus, at the Baptist Church, a month or so ago, was arrested on Saturday last, after a hearing before Esquire Snares, was bound over in the sum of \$1000 for his appearance at the April Court. He will then no doubt find a pretty "rough road to travel."

EXHIBITION.—We neglected to notice the exhibition in the Court Room on Friday, the 14th inst. The class consisted of Misses Maggie Wallace, Maggie Willoughby, Annie and Callie Saxton, Jennie Kessler, Lizzie and Hattie Campbell, and they all performed very well.

SUMMERS.—That supper on Saturday evening Cream flavored with fish brine was no comparison. Friend—you must "do it once more." But the beauty present amply made up for all other short-comings.

News of the Week.

The U. S. propeller Arctic has returned from an unsuccessful cruise in search of the missing steamship Pacific.

Free State Legislature of Kansas has elected A. H. Reeder and James H. Lane United States Senators from that incandescent State.

The bodies of four of the victims of the recent steambot disaster on the Delaware, were recovered on Saturday last. These increase the total of those recovered to 27; and yet it is said that there are 35 persons still missing.—The hearing of evidence in the inquest was continued last evening.

On the 9th inst, a man of color, known as "old Ben Duke," died at Louisville, at the advanced age, of one hundred and ten years eight months and three days. He was a native of Maryland, but emigrated to Kentucky when Louisville was a mere outpost in the wilderness.

An Old Line Whig City Convention met in Philadelphia on the 18th inst., and organized by the election of permanent officers. About 60 delegates attended. No business of importance was transacted, but speeches were made, strongly denouncing the Know Nothings as well as the abolitionists. A disposition adverse to Mr. Fillmore was manifested.

The Louisville Journal is delighted with the Philadelphia K. N. platform. It says: "No form of words could be devised repudiating more clearly the doctrines of the Wilnot proviso." "The North has yielded a principle, which it never yielded till now. The grand point is gained," &c.

A remonstrance from citizens of Philadelphia, one hundred and ninety feet long, was presented to the Legislature on Tuesday, against the incorporation of the Franciscan Brothers of Cambodia county. It was signed by over six thousand persons.

The Republican State Convention of Connecticut, which met in Hartford on Wednesday nominated the following ticket: For Governor Gideon Wells, of Hartford; Lieutenant Governor, Henry B. Hanson, of New Haven; Treasurer, Joseph B. Gay, Secretary, John Boyd, of Weststead; Comptroller, John T. Adams, of Norwich.

The St. Louis Democrat has a letter from Topeka, dated the 8th inst., stating that the Free State Legislature of Kansas has in joint convention elected Hon. A. H. Reeder and Hon. James N. Lane United States Senators. Mr. Reeder was elected on the first, and Mr. Lane on the second ballot. Each received 38 votes out of 56 members present.

In his Lecture at New Haven, Connecticut, last week, the abolitionist Garrison expressed a wish to have all the Slave States turned out of the Union.—Washington Union. Well, is not this the same wish that JEFFERSON DAVIS, the new Secretary of War, expressed when he presided over a secession Convention? GARRISON wishes to turn the Slave States out, and Mr. PIERCE's Cabinet officer wishes to draw them out. Where then is the difference in position, we would ask the Union.

The Slave Margaret, who murdered her child at Cincinnati, and was remanded to slavery, was on the steambot that recently sank after a collision on the Ohio. She and her babe by some means got into the river, and the latter was drowned. A requisition had been made for her on the Governor of Kentucky, by the Governor of Ohio, and the owner of the slave had recently sent her off on the steambot to avoid giving her up, and selling her in a more Southern market.

PHILADELPHIA MARKETS. The market is dull to day. Standard brands are held at \$7 per barrel, without sales to any extent, and only a few small lots have been taken for home use at \$8.85, 50 per lb, according to brand Rye Flour and Corn Meal are also quiet. The former is held at \$5, and the latter at \$3 per barrel. Wheat continues scarce and prime lots are wanted at full rates. About 5000 bushels fair White sold at 180 cents, and 2500 bushels in store at a price not public.—Red is held at 175 cents, without sale. Corn is about stationary, and 500000 Pennsylvania Yellow brought 58a59 cents—mostly the latter price in store. Rye is held at 100 cents, with small sales of Pennsylvania at that price. Of oats about 2000 bushels Penna. sold at 38 cents per bushel.

Married.

On the 6th inst., by E. Plummer, Esq., Mr. Wm. Feigart to Miss Catharine Patt, all of Bedford Co., Pa.

On the 17th inst., at Coalmont, by Levi Evans, Esq., Mr. Charles Thornly to Miss Ann Jones, all of Huntingdon county.

On the 20th inst., by Rev. S. H. Reid, Mr. Martin Shultz to Miss Martha Heifer, near McConnellstown.

Died.

On the 14th inst., near Newton Hamilton, Arthur B., son of Arthur H. and Elizabeth Clarke, aged 7 months and 14 days.
