FEVER AND AGUE CURE,

For the prevention and Cure of Intermittent and Remittent Fevers, Fever and Ague, Chills and Fever, Dumb Ague, General Debility Night Sweats, and all other forms of disease which have a common origin in Malaria or Minsma.

This is a natural antilote which will entirely protect any resident or traveller even in the most sickly or swampy localities, from any Ague or Bilious disease whatever, or any injury from constantly inbaling Malaria or Minsma.

It will instantly check the Ague in persons who have suffered for any length of time, from one day to twenty years, so that they need never to have another chill, by continning in use according to directions. The patient at once begins to recover appetite and strength, and continues until a permanent and radical cure is effected.
One or two bottles will answer for ordinary cases; some may require more. Directions princated German, French and Spanish, accompany
