THE WILD MAN AGAIN.

A correspondent of the Cadiz Gazette, writing under date of 28th of March, from Paralfita, Arkansas, on Upper Red River, states that the cold during the present winter has been in that region the severest within the memory of man.

He has tried it in over 1100 cases, and never failed except in two cases. (both thunder-humors). He has now in his possession over two hundred certificates of its virtue, all within twenty miles of Weston.

Two bottles are warranted to cure a nursing sore mouth. One to three bottles will cure the worst kind of Pimples on the face. One to three bottles will cure the system of Biles.

Two bottles are warranted to cure the worst case of Erysipelas. One to two bottles are warranted to cure all humors in the Eyes.

Two bottles are warranted to cure the worst case of Rheumatism. One to three bottles are warranted to cure the worst case of Ringworm.

Two to three bottles are warranted to cure the worst case of rheumatism. Three to four bottles are warranted to cure the worst case of scrofula.

A benefit it always experienced from the first bottle, and a perfect cure is warranted when the quantity is taken.

Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I knew the effect of it in every case. So sure was water will extinguish fire, so sure will this cure humors.

In order to give some idea of the sudden rise and great popularity of the discovery, I will state that in April, 1855, I peddled it, and sold about six bottles per day.

A HUMAN LIFE SAVED. DOWAGIAC, Mich., March 11, 1856. J. A. Rhodes, Esq. Dear Sir:-As I took your medicine to sell on commission, "no cure no pay."

W. S. Conklin told me-"I had taken nine bottles of Christie's Aque Balsam, and continually ran down while using it until my lungs and liver were congested to that degree that blood discharged from my mouth and bowels, so that all thought it impossible for me to live through another chill. The doctors to did all they could for me, but thought I must die. Nothing did me good until I got Rhodes' Fever and Ague Cure, which at once relieved me of the distress and nausea at my stomach and pain in my head and bowels, and produced a permanent cure in a short time."

H. M. Conklin says "I have taken medicine of as good a doctor as we have in our country, and it did not cure me. I was told to take Christie's Aque Balsam, and I might as well have taken a dose of water. The above speaks for itself. Good proof as it is, it is of no better tenor than the vast number of like certificates I have already published, and the still greater quantity that is pouring in to me. One thing more. Last year I had occasion to caution the Public in these words:-

"I notice one firm who have taken one of my general certificates, substituted the name of their nostrum for my medicine, and then with broken immunities and their pamphlet with the exclamation, 'Let the proprietor of any other medicine say as much if he dares.'" Now I take pleasure in saying that the Caution referred to the same "Christie's Aque Balsam" that is mentioned in the above certificate.

There are several other industrious people who are applying to their poisonous trash all that I publish about my Fever and Ague Cure, or Anti-Dysentery, or Cholera, or Typhoid, or Cholera, and the Certificate of the celebrated Chemist, Dr. James R. Chilton, of N. Y., in favor of its perfectly harmless character, which is attached to every bottle. This will always serve to distinguish my medicine from imitations. For sale by John Read, Huntingdon, and Druggists generally.

BALTIMORE LOCK HOSPITAL.

Where may be obtained the most speedy remedy for SECRET DISEASES.—Gleets, Strictures, Seminal Weakness, Pain in the Urinary Passages, of the Kidneys, and all those peculiar affections arising from a secret habit, particularly the youth of both sexes, which if not cured, produces constitutional debility, rendering marriage impossible, and in the end destroys both Mind and Body.

especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talents and brilliant intellects, who might otherwise have entered listening semates with the thunders of eloquence, or waked to ecstasy the living lyre, may call with full confidence.

Married Persons, or those contemplating marriage, being aware of physical weakness, should immediately consult Dr. J., and be restored to perfect health.

Dr. Johnston, office No. 7 South Frederick St., seven doors from Baltimore Street, east side up the steps. He particularly obtains the name and number, or you will mistake the place.

A cure warranted, or no charge made, in from one to two days. TAKE NOTICE.—Dr. Johnston's office is in his dwelling, on the steps. His extensive practice is a guarantee, that he is the only proper physician to apply to.

Dr. Johnston, member of the Royal College of Surgeons, London, graduate from one of the most eminent Colleges of the United States, and the greatest merit of his life has been spent in the Hospitals of London, Paris, Philadelphia, and elsewhere, has effected some of the most astonishing cures that were ever known, many troubled with ringing in the ears and head when asleep, great nervous prostration, frequent bleeding, attended sometimes with derangement of mind, were cured immediately.

A CERTAIN DISEASE.—It is a melancholy fact that thousands fall victims to this horrid disease owing to the unskillful hands of ignorant pretenders, who by the use of that deadly poison Mercury, ruin the Constitution, causing the most serious symptoms, such as affections of the head, nose, throat, &c. progressing with frightful rapidity till death puts a period to their dreadful suffering, by sending them to that Bourne whence no traveler returns.

TAKE PARTICULAR NOTICE.—Young men who have injured themselves by a certain practice indulged in when alone—a habit frequently learned from evil companions, or at school—the effects of which are nightly felt, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body.

What a pity that a young man, the hope of his country, and the darling of his parents should be snatched from all prospects and enjoyments of life by the consequence of deviating from the path of nature and indulging in a certain secret habit. Should a young man, contemplating marriage, should reflect that a sound mind and body are the most necessary requisites to promote conjugal happiness. Indeed without these, the enjoyment of life becomes a weary pilgrimage, the mind becomes shadowed with despair, and filled with the melancholy reflection, that the happiness of another becomes blighted with his own.

CONSTITUTIONAL DEBILITY.—Dr. J. addresses young men, and all who have injured themselves by the use of Mercury, containing the most necessary requisites to promote conjugal happiness. Indeed without these, the enjoyment of life becomes a weary pilgrimage, the mind becomes shadowed with despair, and filled with the melancholy reflection, that the happiness of another becomes blighted with his own.

ALL SURGICAL OPERATIONS PERFORMED.—N. B. Let no false delicacy prevent you, but apply immediately either personally or by letter. Skin Diseases Speedily Cured. To STRANGERS.—The many thousands cured at this Institution within the last ten years, and the numerous important Surgical Operations performed by Dr. Johnston by the Reports of the papers, and many other persons, notices of which have appeared again and again before the public, is a sufficient guarantee that the afflicted will find a skillful and honorable physician.

As there are so many ignorant and worthless quacks advertising themselves as Physicians, ruining the health of the afflicted Dr. Johnston would say to those unacquainted with his reputation that his Credentials or Diplomas always hang in his office.

Weakness of the organs immediately cured, and full vigor restored. All letters post paid—remedies sent by mail. May 22, 1855-1y.
