MISCELLANEOUS ADVERTISEMENTS.

THE LAST CALL!

At the request of my numerous friends, I have consented to issue this circular for the benefit of all those persons who

STUTTER OR STAMMER.

There has been a floating population of impostors traveling through the country, professing to cure impediments of speech by my system and many have had the audacity to advertise in my name, and give the names of men for reference, whom they never knew or saw. When persons who Stammer called, those impostors would represent me, and in several instances produced a certificate purporting to be mine, vesting in them full power and authority to practice as my Agents. I have frequently warned the Public of those men, as they are not in full possession of my System, and cannot cure. Through unfeeling perseverance I arrested two of them, and others will sooner or later share the same fate. This cure for Stuttering or stammering is one of my own discovery, for which I have a Copy Right secured by Law; and have successfully practiced the same for the term of nine years.

MY REFERENCES.

Are of the highest order, such as the Medical Faculty of New York, Philadelphia and the University of Virginia, all the Press of Pittsburgh, Washington, Greensburg and Uniontown Pa., besides 50,000 persons in different parts of the country. This cure for Stuttering and Stammering is performed in less than one hour. There is no pain or surgical operation attending it. The beauty of all this, it will cure children of five, and adults at the age of one hundred years. A person who is cured by it can never again Stutter, even if he try. I offer to forfeit \$10,000 if any can ever after Stutter by application of the cure. It was formerly customary to announce that no pay would be required unless a perfect cure was performed. This was done to show the people there was no risk in giving me a trial. But now, inasmuch as the leading citizens of Pittsburgh know my cure never fails, it would be superfluous to make another such announcement. To conclude, I simply say to all who Stutter or Stammer, that this is my last notice. If there be any who desire to be cured, I would like to have them call at Zeigler's Hotel, on Wednesday and Thursday, 30th and 31st inst. I shall positively remain there no longer. Recollect that this cure never fails, and can be sent to any part of the United States. DR. WYCOFF.

NEW INVENTION!

LABOR-SAVING MACHINE.

WE take this method of introducing to Farmers and Mechanics Lighter & Co's new Corn Husker and Popper. These instruments are neat, cheap and convenient. They are shut up and carried in the pocket like a knife. They prevent the hand from being injured by the husk, and are very durable. Those who have purchased and examined them consider that they supersede all other machines of the kind in utility and cheapness. We would request all the readers of the Journal who are in any way connected with the farming business to purchase one or more of these machines. Any one sending \$2.00 to the editor of the Journal will receive by post-paid, one of these machines, or two for \$3.50, one dozen for \$15. There is no deception in these machines, hundreds of recommendations can be given of them, but we deem it unnecessary. They are manufactured by the best mechanics in our cities, and will not get out of order by long usage.

FIRST AMENDMENT.

There shall be an additional article to said constitution to be designated as article eleven, as follows:—

ARTICLE XI. OF PUBLIC DEBTS.

SECTION 2. In addition to the above, the said power the state may contract debts, to repel invasion, suppress insurrection, defend the state in war, or to redeem the present outstanding indebtedness of the state; but the money arising from the contracting of such debts, shall be applied to the purpose for which it was raised, or to repay such debt, and to no other purpose whatever.

SECTION 3. Except the debts above specified in sections one and two of this article, no debt whatever shall be created by, or on behalf of the state.

To provide for the payment of the present debt, and any additional debt contracted as aforesaid, the Legislature shall, at its first session, after the adoption of this amendment, create a sinking fund, which shall be sufficient to pay the accruing interest on such debt, and annually to reduce the principal thereof by a sum not less than two hundred and fifty thousand dollars; which sinking fund shall consist of the net annual income of the public works, from the time to time created by law, or the proceeds of the sale of the same, or any part thereof, and of the income or proceeds of sale of stocks owned by the state, together with other funds, or resources, that may be designated by law. The said sinking fund may be increased, from time to time, by assigning to it any part of the taxes, or other revenues of the state, not required for the ordinary and current expenses of government, and unless in case of war, invasion or insurrection, no part of the said sinking fund shall be used or applied otherwise than in extinguishment of the public debt, until the amount of such debt is reduced below the sum of five millions of dollars.

SECTION 6. The Commonwealth shall not assume the debt, or any part thereof, of any county, city, borough, or township; or of any corporation, or association; unless such debt shall have been contracted to enable the state to repel invasion, suppress domestic insurrection, defend itself in time of war, or to assist the state in the discharge of any portion of its present obligations.

SECTION 7. The Legislature shall not authorize any county, city, borough, township, or incorporated district, by virtue of a vote of its citizens, or otherwise, to become a stockholder in any company, association, or corporation; or to obtain money for, or loan credit to, any corporation, association, institution, or party.

Any city containing a sufficient number of taxable males to entitle it to at least two representatives shall have a separate representation assigned it, and shall be divided into convenient districts of contiguous territory, of equal taxable population as near as may be, each of which districts shall elect one representative."

At the end of section seven, same article, insert the words, "the city of Philadelphia shall be divided into single senatorial districts of contiguous territory as nearly equal in taxable population as possible; but no ward shall be divided in the formation thereof."

The Legislature, at its first session, after the adoption of this amendment, shall divide the city of Philadelphia into senatorial and representative districts, in the manner above provided; such districts to remain unchanged until the apportionment in the year one thousand eight hundred and sixty-four.
