THE annual exhibition will take place the 1st Wednesday of October. An address by the Rev. D. X. Junkin, D. D., will be delivered before the Philo and Diapnythian Societies, at 2 o'clock, P. M. The Educational performance will take place at 6 o'clock, P. M. The examinations in the various departments will be given on the 29th of October. This institution holds out peculiar inducements to young men seeking an education. The Board of Instruction is composed of gentlemen of high literary attainments and skilled in their profession. The location is very healthy, having the pure mountain air, and free from all noxious vapors arising from stagnant water and marshy ground. Those subject to ague could not find a more desirable place. The course of instruction is such as is best calculated to prepare young men for business, for teaching, and for taking a high stand in College. For those desiring to become Teachers, a Normal Class will be formed, in which practical instruction will be given in the art of Teaching. To this class, lectures will be given on the subject of Teaching. The temptations to vice, idleness and dissipation are few. There is nothing to draw the mind of the student from his books, it is quiet and retired, just such a situation as a young man desirous of improvement would seek. The societies are in a flourishing condition, and each has a fine library of choice works. The buildings are large and commodious, an additional building is in the course of erection, which will be finished this fall. Shade Gap is situated on the mail route between Chambersburg and Mount Union Station on the Penn. Rail Road.
