THE ISSUE.

The Charleston Evening News say: "The issue is Slavery or no Slavery; it is useless to disguise it."

The New York Day Book declares it to be the issue, and says: "Woe to those of the Democratic party who flinch from the contest."

The Washington Union declares it to be the issue of the day. This speaks a Southern politician: "We Southerners intend to make Slavery national, not sectional, even at the cost of making a new Southern nation, an independent slave nation of its own. All compromises must be abolished and Slavery made national."

It is an inexplicable fact that men buried in an avalanche of snow hear distinctly every word uttered by those who are seeking for them while their most strenuous shouts fail to penetrate even a few feet of the snow!

The Locofocos say they didn't expect to carry Maine. "Bless'd be God! that expect nothing, 'cause d'ye ain't 'gwine to be disappointed," says the venerable African theologian sagely remarked.

Our friends in the different townships by applying to THOMAS BALSON, Esq., S. W. corner Fifth and Walnut Streets, Philadelphia, will be furnished with Documents bearing upon the Presidential struggle, as they may be needed.

MEDICAL ADVERTISEMENTS.

BALTIMORE LOCK HOSPITAL. DOCTOR JOHNSTON. THE founder of this Celebrated Institution, offers the most certain, speedy, and only effectual remedy in the world for Gleet, Strictures, Seminal Weakness, Pain in the Loins, Constitutional Debility, Impotency, Weakness of the Back and Limbs, Affections of the Kidneys, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Disease of the Head, Throat, Nose or Skin; and all those serious and melancholy disorders arising from the destructive habits of youth, and from the debility and mind. These secret and solitary practices are more fatal to their victims than the song of the Sirens to the mariner Ulysses, blighting their most brilliant hopes of anticipations, rendering marriage, &c., impossible.

Young Men, especially, who have become the victims of Solitary Vice, that dreadful and destructive habit, which annually sweeps to an untimely grave thousands of young men of the most exalted talents, and brilliant intellect, who might otherwise have entered listening senators with the thunders of eloquence, and waked to ecstasy the living lyre, may call with all confidence.

Married persons, or young men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., should immediately consult Dr. Johnston. He who places himself under the care of Dr. Johnston may rely upon his being treated by a gentleman, and confidently rely upon his skill as a physician.

Organic Weakness. This disease is the penalty most frequently paid by those who have become the victims of improper indulgences. Young persons are too apt to be misled by the promises of the quack, and the dreadful consequence that may ensue. Now, who that understands the subject will pretend to deny that the power of Procreation is lost sooner by those falling into improper habits than by the present. Besides being deprived of the pleasure of healthy offspring, the most serious and destructive symptoms to mind and body arise. The system becomes debilitated, the physical and mental powers weakened, nervous debility, dyspepsia, palpitation of the heart, indigestion, a watering of the frame, cough, spitting of Consumption.

Office No. 7, South Frederick Street, second door from Baltimore Street, East side, up the steps. Be particular in observing the name and number, or you will mistake the place. A Cure warranted in Two Days. NO MERCURY OR NAUSEOUS DRUGS. Dr. Johnston, Member of the Royal College of Surgeons, London, graduate from one of the most eminent Colleges of the United States, and the greater part of his life has been devoted to the study of the diseases of the human system, and elsewhere, has effected some of the most astonishing cures that were ever known, many troubled with ringing in the head and ears, when asleep, great nervousness, being alarmed by the slightest sound, and bashfulness, with frequent blushing attended sometimes with derangement of mind, were cured immediately.

A Certain Disease. When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this mortal disease, it is too often happens that an unkind sense of shame, or dread of discovery, deters him from applying to those who from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, and his life has been almost irretrievably lost. In the first Hospitals of Europe and America, he can confidently recommend a safe and speedy cure to the unfortunate victim of this horrid disease.

Take Particular Notice. Dr. J. addresses all those who have injured themselves by improper indulgences. These are some of the most serious and melancholy effects of early habits of intemperance. Weakness of the Back and Limbs, Pains in the head, Dimness of Sight, Loss of Muscular power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangements of the Digestive Functions, General Debility Symptoms of Consumption, &c.

MENTALITY.—The fearful effects on the mind are much to be dreaded; Loss of memory, Confusion of ideas, Depression of Spirit, Evil Propensities, Aversion to Society, Self Distrust, Love of Solitude, Timidity, &c., are some of the evils produced. Thousands of persons of all ages, can now judge what is the cause of their declining health. Lacking their vigor, becoming weak, pale and emaciated, having singular appearances about the eyes, tough and symptoms of consumption.

Johnston's Invigorating Remedy for Organic Weakness. By this great and important remedy, weakness of the organs is speedily cured and full vigor restored. Thousands of the most debilitated and emaciated persons, who have been immediately relieved. All Impediments to Marriage, Physical or Mental Disqualification, Nervous Irritability, Tremblings and Weakness, or exhaustion of the most fearful kind, speedily cured by Doct. Johnston.

Young Men, who have injured themselves by a certain practice indulged in when alone—a habit frequently learned from evil companions, or at school—the effects of which are nightly felt, even when asleep, and which rendered marriage impossible, and destroyed both mind and body, should apply immediately. What a pity that a young man, the hope of his country, and the darling of his parents should be snatched from all prospects and enjoyments of life by the consequences of deviating from the path of nature and indulging in a certain secret habit! Such persons before contemplating Marriage should reflect that a sound mind and body are the most necessary requisites to promote conjugal happiness. Indeed without these, the journey through life becomes a weary and gloomy prospect hourly darkens to the view; the mind becomes shadowed with despair, and filled with the melancholy reflection that the happiness of another becomes blighted with their own.

OFFICE NO. 7, SOUTH FREDERICK STREET, BALTIMORE, MD. To Strangers. The many thousands cured at this Institution within the last 15 years, and the numerous important Surgical Operations performed by Dr. Johnston, witnessed by the Reporters of the papers, and many other persons, notices of which have appeared again and again before the public, is a sufficient guarantee to the afflicted. There are so many ignorant and worthless quacks advertising themselves as Physicians, ruining the health of the already afflicted. Dr. Johnston deems it necessary to say to those unacquainted, with his reputation that his Diploma always hangs in his office.

TAKE NOTICE.—All letters must be post paid, and contain a postage stamp for the reply, or no answer will be sent. June 18, 1856-11.

What a pity that a young man, the hope of his country, and the darling of his parents should be snatched from all prospects and enjoyments of life by the consequences of deviating from the path of nature and indulging in a certain secret habit!
