MONEY! MONEY!! MONEY!!!

WHY BE WITHOUT MONEY? when it is your acase for any one to be around with a pocket full as not, if they only think so. I have got a new article, from which from five to twenty dollars a day can be made, either by male or female. It is highly respectable business, and an article which is wanted in every family in the United States. Enclose me two dollars by mail, at my risks, and I will forward by return mail a Circular, with full instructions in the art. The business is very easy. Try fit, if you are out of employment, and-you will never forget it; for it will be better for you to pay the above sum, and insure a good business, than to pay twenty-five cents for a spurious advertisement. This is no humbur. Try it! Try it! Address your letters to DWIGHT MONROE, New York.

I sent one of my.

Georgia, and he gave me a notice in his paper like the following:

"Mr. Mouroe sent me one of his Circulars, and I will just say to my readers that whoever of you are out of employment that Mr. Mouroe's business is a good business, and money can be made out of it by any one who engages in it, for it is no humbng."
