MEDICAL ADVERTISEMENTS.

Greatest Medical Discovery of the Age.

Dr. Kennedy, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures

EVERY KIND OF HUMOR,

from the worst scrofula down to a common pimple.

He has tried it in over 1100 cases, and never failed except in two cases (both under humor.)

He has now in his possession over two hundred certificates of its virtue, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth.

One to three bottles will cure the worst kind of Pimples on the face.

Two or three bottles will cure the system of Biles.

Two bottles are warranted to cure the worst case of Erysipelas.

One to two bottles are warranted to cure all humor in the Eyes.

Two bottles are warranted to cure running of the ears and blotches on the hair.

Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly corruption of the skin.

Two to three bottles are warranted to cure the worst case of ringworm.

Two to three bottles are warranted to cure the most desperate case of rheumatism.

Three to four bottles are warranted to cure the salt rheum.

Five to eight bottles will cure the worst case of scrofula.

A benefit it always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I knew the effect of it in every case. So sure was water will extinguish fire, so sure will this cure humor.

I never sold a bottle of it but that sold another; after a trial it always speaks for itself. There are two things about this herb that appear to me surprising; first it grows in our pastures in some places quite plentiful and yet its value has never been known until I discovered it in 1846—second that it should cure all kinds of humor.

In order to give some idea of the sudden rise and great popularity of the discovery. I will state that in April, 1853, I peddled it and sold about six bottles per day—in April, 1854, I sold over one thousand per day of it.

Some of the wholesale Druggists who have been in business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters.

In my own practice I always kept it strictly for humor—but since its introduction as a general family medicine, great and wonderful virtues have been found in it that I never suspected.

Several cases of epileptic fits—a disease which was always considered incurable, have been cured by a few bottles. O, what a mercy it will prove effectual in all cases of that dreadful malady—there are but few who have more of it than I have.

I know of several cases of Dropsy, all of whom aged people cured by it. For the various diseases of the Liver, Sick Headache, Dyspepsia, Asthma, Fever and Ague, Pain in the Side, Diseases of the Kidney, and particularly in diseases of the Kidney, &c., the discovery has done more good than any medicine ever known.

No change of diet ever necessary—eat the best you can get and enough of it.

DIRECTIONS FOR USE.—Adults one table spoonful per day—Children over ten years deerspoonful—Children from five to ten years teaspoonful. As no directions can be applicable to all constitutions, it is sufficient to operate on the bowels twice a day.

BALTIMORE LOCK HOSPITAL.

DOCTOR JOHNSTON.

THE founder of this Celebrated Institution, offers the most certain, speedy, and only effectual remedy in the world for Gleet, Strictures, Seminal Weakness, Pain in the Loins, Constitutional Debility, Impotency, Weakness of the Back and Limbs, Affections of the Kidneys, Prolapsus of the Heart, Dyspepsia, Nervous Irritability, Disease of the Head, Throat, Nose or Skin; and all those serious and melancholy disorders arising from the destructive habits of Youth, which destroys both body and mind. These secret and solitary practices are more fatal to their victims than the song of the Sirens to the mariner Ulysses, blighting their most brilliant hopes of anticipations, rendering marriage, &c., impossible.

Young Men,

especially, who have become the victims of Solitary Vice, that dreadful and destructive habit, which annually sweeps to an untimely grave thousands of young men of the most exalted talents, and brilliant intellect, who might otherwise have entered lustrous senates with the thunders of eloquence, or walked in ecstasy the living wreath, may call with all confidence.

Marriage

Married persons, or young men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., should immediately consult Dr. Johnston.

He who places himself under the care of Dr. Johnston may rely with confidence in his honor as a gentleman, and confidently rely upon his skill as a physician.

Organic Weakness.

immediately cured, and full vigor restored.

This disease is the penalty most frequently paid by those who have become the victims of improper indulgences. Young persons are too apt to come to being aware of the danger of the dreadful consequence that may ensue.—Now, who that understands the subject will pretend to deny that the power of Procreation is lost sooner by those falling into improper habit than by the prudent. Besides being deprived of the pleasure of healthy offspring, the most serious and destructive symptoms to mind and body arise. The system becomes deranged, the physical and mental powers weakened, nervous debility, dyspepsia, palpitation of the heart, indigestion, a wasting of the frame, cough symptoms of Consumption.

Office No. 7, South Frederick Street, seven doors from Baltimore street. East side, up the steps. Be particular in observing the name and number, or you will mistake the place.

A Cure warranted, in Two Days.

NO MERCURY OR NAUSEOUS DRUGS.

Dr. Johnston,

Member of the Royal College of Surgeons, London, graduate from one of the most eminent Colleges of the United States, and the greater part of whose life has been spent in the first Hospital of London, Paris, Philadelphia, and elsewhere, has effected some of the most astonishing cures that were ever known, many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, with headfains, with frequent vomiting attended sometimes with derangement of mind, were cured immediately.

A Certain Disease.

When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, it too often happens that an ill-timed sense of shame or dread of discovery, deters him from applying to those who from education and respectability, can alone benefit him, delaying till the constitutional symptoms of this horrid disease make their appearance, such as ulcerated sore throat, diseased nose, nocturnal pains in the head and limbs, dimness of sight, deafness, nodes on the shin bones, and arms, blotches on the head, face and extremities, progressing with frightful rapidity, till at last the palate of the mouth or the bones of the nose fall in, and the victim of this awful disease becomes a horrid object of commiseration, till death puts a period to his dreadful sufferings, by sending him to "that bourne from whence no traveller returns." To such, therefore, Dr. Johnston pledges himself to preserve the most inviolable secrecy, and from his extensive practice in the first Hospitals of Europe and America, he can confidently recommend a safe and speedy cure to the unfortunate victim of this horrid disease.

It is a melancholy fact that thousands fall victims to this horrid disease owing to the unskillfulness of ignorant pretenders who by the use of that deadly poison Mercury, ruin the constitution, and either send the unfortunate sufferer to an untimely grave, or make the residue of his life miserable.

Take Particular Notice.

Dr. J. addresses all those who have injured themselves by improper indulgences.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the head, Dimness of Sight, Loss of Muscular power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility Symptoms of Consumption, &c.

MENTALLY.—The fearful effects on the mind are much to be dreaded; Loss of memory, Confusion of Ideas, Depression of Spirit, Evil Forebodings, Aversion to Society, Self-Distaste, Love of Solitude, Trillity, &c., are some of the evils produced.

Thousands of persons of all ages, can now judge what is the cause of their declining health. Losing their vigor, becoming weak, pale, and emaciated, having singular appearance about the eyes, tongue and symptoms of consumption.

Dr. Johnston's Invigorating Remedy for Organic Weakness.

By this great and important remedy, weakness of the organs is speedily cured and full vigor restored. The minds of the morbidly debilitated and nervous, who had lost all hope, have been immediately relieved. All Impediments to Marriage, Physical or Mental Disqualification, Nervous Irritability, Tremblings and Weakness, or exhaustion of the most fearful kind, speedily cured by Doctor Johnston.

Young Men,

who have injured themselves by a certain practice indulged in when alone—a habit frequently learned from evil companions, or at school—the effects of which are nightly felt, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, and the darling of his parents should be snatched from all prospects and enjoyments of life by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons before contemplating

Marriage,

should reflect that a sound mind and body are the most necessary requisites to promote conjugal happiness. Without Indecent Pleasures, the necessary through life becomes a weary pilgrimage, the prospect hourly darkens to the view; the mind becomes shadowed with despair, and filled with the melancholy reflection that the happiness of another becomes blighted by their own.

OFFICE NO. 7, SOUTH FREDERICK ST., BALTIMORE, MD.

To Strangers.

The many thousands cured at this Institution within the last 15 years, and the numerous important Surgical Operations performed by Dr. Johnston, witnessed by the Reporters of the papers, and many other persons, notices of which have appeared in all the papers, and before the public, is a sufficient guarantee to the afflicted.

N. B. There are so many ignorant and worthless quacks advertising themselves as Physicians, ruining the health of the already afflicted. Dr. Johnston deems it necessary to say to those unacquainted with his reputation that his Dispensary always hang in his office.

TAKE NOTICE.—All letters must be post paid, and contain a postage stamp for the reply, or no answer will be sent.

THE CARRIER'S ADDRESS
TO THE PATRONS OF
THE "HUNTINGDON JOURNAL."
JANUARY 1, 1857.

Wrapped in his robe of purest hue,
And feel some little bored, sir,
Gathering his garments for a long adieu.
And leaving households round their cheerful fires.
Shaking his dowy mantle as he goes,
He flings a shower of snow flakes in his track.
Tipt his worn helmet both to friends and foes,
And bids farewell, nor looks a moment back.
Farwell old year, the brighter dawn
Of Fifty-Seven is on us, and we're glad you're gone.

Strange things have transpired all over the world.
Since old Fifty-Six his insignia unfurled;
Our country, to which our attention is turned,
So far as the rest of mankind are concerned,
Has kept on her way with some jostling and scrooping
And in the far West, by fighting and gouging,
But turning our vision to matter within,
Such strivings, and heavings and joggling to win,
The votes of the people, and office, and power,
One would hope ne'er disgraced the nation before.

Our Congress has been in a wonderful bubble
Perchance it may seem like an omen of trouble.
But be not alarmed, though the thunders may roll,
And fierce lightning flash from equator to pole,
Though now they may darken the Splendor of day,
'Twill be purer and brighter when they've passed away;
The Union unsevered, eternal shall be
She'll ride out the tempest, fearless and free.

I'll change the tune, and sing you now
Of mob war on the border,
And then, if I can think of more,
I'll tell you it in order.
We've had a deal of trouble, sure
In our far Western region—
Between a band of Free State men,
And Border Ruffian legions.

These cut throat "ruffians," urged on,
By Geary Pierce and Shannon
Broke blood Missouri's arsenal open
And stole the guns and cannon,
Their armor was completed then
With barrels of "rot-gut rum," sir,
Which helped to "prop" their courage up
While marching to the drum sir,
Discretion prompted them to halt,
Before the great discomfiture;
And camp within a cotton-wood
To wait a reinforcement—
Of men and whiskey from the state,
That lies on Kansas border,
And troops from out Fort Leavenworth
Who'd help on Pierce's order.
In "White House" down at Washington
A toasting of his shins sir,
Sat Franky Pierce before the fire,
Revolving o'er his sins, sir,
He there told to please the South,
(As proven by the figures.)
Resolved, that Kansas should be store
To "raise the price of niggers."
But let Frank Pierce, and all his crew,
Say this or that shall be,
Kansas shall ne'er be cursed with slaves,
She must and shall be free,
Her rivers wide, her sunny hills—
Her warblers in the tree—
Her fertile plains—her gushing rills—
All say she shall be free.

The late election fully proves
There are freemen in the land, sir;
As well as traitors, who for pelf,
Would sell that patriot band, sir.
In nostrils of all honest men
These traitors have grown foul, sir,
And at their dirty, truckling course,
Constituents do growl, sir.
