Reader, I pedidled over a thousand bottles of this in the vicinity of Boston. I knew the effect of it in every case. So sure as water will extinguish fire, so supe will this cure humor.—I never sold a bottle of it but that sold another; after a trial it always speaks for itself. There are two things about this herb that appear to me surprising; first it grows in our pastures in some places quite plentiful and yet its value has never been known until I discovered it in 1846—second that it should cure all kinds of humor.

In order to give some idea of the sudden ris, and great popularity of the discovery. I will state that in April, 1853, I pedidled it and sold about six bottles per day—in April, 1854, I sold over one thousand per day of it.
