MONEY! MONEY!! MONEY!!!

WHY BE WITHOUT MONEY? when it is your seasy for any one to be around with a pocket full as not, if they only think so. I have got a new article, from which from five to twenty dollars a day can be made, either by male or female. It is highly respectable basiness, and an article which is wanted in every family in the United States. Enclose me two dollars by mail, at my risk, and I will forward by return mail a Circular, with full instructions in the art. The business is very casy. Try it, if you are out of employment, and you will never forget it; for it will be better for you to pay the above sum, and insure a good business, than to pay twenty-five cents for a spurious alvertisement. This is no humbug. Ty it!

Try it! Try it! Address your letters to

DWIGHT MONROE, New York.

I sent one of my circulars to an Editor in Georgia, and he gave me a notice in his paper like the following:

"Mr. Monroe sent me one of his Circulars, and I will just say to my readers that, whoever of you are out of employment that Mr. Mocroe business is a good business, and money can he made out of it by any one who engages in it, for it is no hambug."
