IMPORTANT TO EVERYBODY.

FOR the last three years I have been engaged in a business known only to myself, and comparatively few others, whom I have instructed for the sum of \$200 each, which averaged me at the rate of \$2,000 to \$3,000 per annum;

and having made arrangements to go to Europe in the fall of 1857 to engage in the same business, I am willing to give full instructions in the art to any person in the United States or Canada, who will send me the sum of \$1. I am instructed by the success I have been favored with, and the many thankful acknowledgments I have received from those whom I have instructed, and who are making from \$5 to \$15 per day at it, to give any person an opportunity to engage in the same business, which is so pleasant and very profitable, at a small cost. There is positively no humbug in the matter. References of the best class can be given as regards its character, and I can refer to persons whom I have instructed, who will testify that they are making from \$5 to \$15 per day at the same. It is a business in which either ladies or gentlemen can engage, and with perfect ease make a very handsome income. Several ladies in various parts of New York State, Pennsylvania and Maryland, whom I have instructed are now making from \$3 to \$6 per day at it. It is a general business, and but a few shillings is required to start it. Upon receipt of \$1, I will immediately send you full instructions in the art which can be perfectly understood at once.

All letters must be addressed (post-paid) to A. T. PARSONS, 335 Broadway, New York. Dec. 24, 1856.

PHILADELPHIA, June 9th, 1856. Prof. DeGrath—I have been afflicted 13 years with Neuralgia and other very painful complaints, and I have been unable to sleep soundly or walk any distance for many years past. Last week I got a bottle of your "Electric Oil" and to-day I am like a new man. My wife could not believe her eyes. Call and see other certificates and names of thousands I have cured for three years past.—The public for safety, must not believe impostors and imitators of my oil. My Depot is at the same place 39, South Eighth Street, and not removed, as a base company advertised, who is afraid to publish his real name. I refer to 8,000 Philadelphians who have used my Oil—and all real Electric Oil ever sold has my name blown in every bottle. All others are cheats. All orders must be addressed to Prof. CHAS.
