To My Mother.

When first my eyes beheld the light of day, 'Twas thou that sought to catch their first faint stare: And when a rumping, thoughtless child at play, Didst watch my steps with mother's tenderest care.

Queer Bits.

Interest is the king who rules the world. Gilded roofs cannot shut out sleepless nights. There is many a good wife who can neither dance nor sing well.

MEDICAL ADVERTISEMENTS.

Greatest Medical Discovery of the Age.

Dr. Kennedy, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures

EVERY KIND OF HUMOR,

from the worst scrofula down to a common pimple.

He has tried it in over 1100 cases, and never failed except in two cases, (both tender humor.) He has now in his possession over two hundred certificates of its virtue, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth.

One to three bottles will cure the worst kind of malodorous eruptions of the throat.

Two or three bottles will cure the system of Biles.

Two bottles are warranted to cure the worst case of Erysipelas.

One to two bottles are warranted to cure all humor in the Eyes.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly corruption of the skin.

Two to three bottles are warranted to cure the worst case of ringworm.

Two to three bottles are warranted to cure the most desperate cases of rheumatism.

Three to four bottles are warranted to cure the salt rheum.

Five to eight bottles will cure the worst case of scrofula.

A benefit it always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Reader, I peddled over a thousand bottles of it in the vicinity of Boston. I knew the effect of it in every case. So sure was water will extinguish fire, so sure will this cure humor—I never sold a bottle of it but that sold another; after a trial it always speaks for itself. There are two things about this herb that appear to me surprising; first it grows in our pastures in so much plenty and yet its value has never been known until I discovered it in 1846—second that it should cure all kinds of humor.

In order to give some idea of the sudden rise and great popularity of the discovery, I will state that in April, 1853, I peddled it and sold about six bottles per day—in April, 1854, I sold over one thousand per day of it.

Some of the wholesale Druggists who have been in business twenty and thirty years, say nothing in the annals of patent medicines was ever better than this. There is a universal praise of it from all quarters.

In my own practice I always kept it strictly for humor—but since its introduction as a general family medicine, great and wonderful virtues have been found in it that I never suspected.

Several cases of epileptic fits—a disease which was always considered incurable, have been cured by a few bottles. O, what a mercy it will prove effectual in all cases of that dreadful malady—there are but few who have more of it than I have.

I know of several cases of Dropsy, all of whom aged people cured by it. For the various diseases of the Liver, Sick Headache, Dyspepsia, Asthma, Fever and Ague, Pain in the Side, Diseases of the Spine, and particularly in diseases of the Kidneys, &c., the discovery has done more good than any medicine ever known.

No change of diet ever necessary—eat the best you can get and enough of it.

DISCREET FOR USE.—Adults one table spoonful per day—Children over ten years desecr spoonful—Children from five to ten years one half spoonful.

As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.

MEDICAL ADVERTISEMENTS.

BALTIMORE LOCK HOSPITAL.

DOCTOR JOHNSTON.

THE founder of this Celebrated Institution, offers the most certain, speedy, and only effectual remedy in the world for Gleet, Stricture, Seminal Weakness, Pain in the Loins, Constitutional Debility, Impotency, Weakness of the Back and Limbs, Affections of the Kidneys, palpitation of the Heart, Dyspepsia, Nervous Irritability, Disease of the Heart, Swelling of the Nose or Skin; and all those serious and melancholy disorders arising from the destructive habits of Youth, which destroys both body and mind. These secret and solitary practices are more numerous than the song of the Sirens to the mariner Ulysses, blighting their most brilliant hopes of anticipations, rendering marriage, &c., impossible.

Young Men, especially, who have become the victims of Solitary Vice, that dreadful and destructive habit, which annually sweeps to an untimely grave thousands of young men of the most excellent talents, and brilliant intellect, who might otherwise have entered listening senates with the thunders of eloquence, or waked to ecstasy the living lyre, may call with all confidence.

Married persons, or young men contemplating marriage, being aware of physical weakness, organic debility, &c., should immediately consult Dr. Johnston.

He who places himself under the care of Dr. Johnston may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

Organic Weakness, immediately cured, and full vigor restored.

This disease is the penalty most frequently paid by those who have become the victims of improper indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue.—Now, who who understands the subject will pretend to deny that the power of Procreation is lost sooner by those falling into improper habits than by the prudent. Besides being deprived of the pleasure of healthy offspring, the most serious and destructive symptoms to mind and body arise. The system becomes deranged, the physical and mental powers weakened, nervous debility, dyspepsia, palpitation of the heart, indigestion, a wasting of the frame, cough symptoms of Consumption.

The office is No. 7 South Frederick Street, seven doors from Baltimore street, East side of the steps. Be particular in observing the name and number, or you will mistake the place.

A Cure warranted in Two Days. NO MERCURY OR NAUSEOUS DRUGS.

Dr. Johnston.

Member of the Royal College of Surgeons, London, graduate from one of the most eminent Colleges of the United States, and the greater part of whose life has been spent in the first Hospitals of London, Paris Philadelphia, and elsewhere, has effected some of the most astonishing cures that were ever known, many troubled with rheumatism in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, and bashfulness, with frequent blushing attended sometimes with derangement of mind, were cured immediately.

A Certain Disease

When the misguided and imprudent votary of pleasure indulges in the use of this painful disease, it too often happens that an ill-timed sense of shame, or dread of discovery, deters him from applying to those who from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease manifest themselves, such as ulcerated sore throat, diseased nostrils, nocturnal pains in the head and limbs, dimness of sight, deafness, nodos on the shin bones, and eruptions on the head, face and extremities, progress to the most dangerous stage, and at last the palate of the mouth or the bones of the eye fall in, and the victim of this awful disease becomes a horrid object of commiseration, till death puts a period to his dreadful sufferings, by sending him to "that happy land where no traveiler returns." To such sufferers, Dr. Johnston pledges himself to preserve the most invaluable secrecy, and from his extensive practice in the first Hospitals of Europe and America, he can confidently recommend a safe and speedy cure to the unfortunate victim of this horrid disease.

It is a melancholy fact that thousands fall victims to this horrid disease owing to the unskillfulness of ignorant pretenders who by the use of their powerful Mercury, ruin the constitution, and either send the unfortunate sufferer to an untimely grave, or make the residue of his life miserable.

Take Particular Notice.

Dr. J. addresses all those who have injured themselves by improper indulgences. These are some of the most serious and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, general Debility Symptoms of Consumption, &c.

MENTALLY.—The fearful effects on the mind are much to be dreaded; Loss of memory, Confusion of Ideas, Depression of Spirit, Evil Forebodings, Aversion to Society, Sad Distress, Love of Solitude, Timidity, &c., are some of the evils produced.

Thousands of persons of all ages, can now judge what is the cause of their declining health. Losing their vigor, becoming weak, pale and emaciated, have singular appearances about the eyes, tooth and symptoms of consumption.

Dr. Johnston's Invigorating Remedy for Organic Weakness.

By this great and important remedy, weakness of the organs is speedily cured and full vigor restored. Thousands of the most debilitated and nervous, who had lost all hope, have been immediately relieved. All Impediments to Marriage, Physical or Mental Disqualification, Nervous Irritability, Tremblings and Weakness, or exhaustion of the most fearful kind, speedily cured by Doctor Johnston.

Young Men,

who have injured themselves by a certain practice indulged in when alone—a habit frequently learned from evil companions, or at school—the effects of which are nightly felt, even when asleep, and it cured renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, and the darling of his parents should be sacrificed to the pleasures of the moment, and the life by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons before contemplating

Marriage,

should reflect that a sound mind and body are the most necessary requisites to promote conjugal happiness. Indeed without these, the journey through life becomes a weary pilgrimage, the mind becomes shadowed with despair, and filled with the melancholy reflection that the happiness of another becomes blighted with our own.

OFFICE NO. 7, SOUTH FREDERICK ST., BALTIMORE, MD.

To Strangers.

The many thousands cured at this Institution within the last 15 years, and the numerous important Surgical Operations performed by Dr. Johnston, witnessed by the Reporters of the papers, and many other persons, notices of which have appeared again and again before the public, is a sufficient guarantee to the afflicted.
